Review and approval of the February 12, 2020 regular meeting minutes.

*** 20200188 Special Meeting - February 25, 2020**

Review and approval of the February 25, 2020 special meeting minutes.

MAYOR'S APPOINTMENTS: (for informational purposes only)**CITY COUNCIL APPOINTMENTS:****20200220 Marietta Pension Board - Post 7 (General Employee Representative)**

Appointment of Scott Reece to fill the vacated membership of Keisha Register on the Marietta Pension Board (Post 7) with term expiring December 31, 2021.

ORDINANCES:

20200036 Z2020-06 [REZONING] ARAMIS REALTY, LLC (ACFL2, INC)

Z2020-06 [REZONING] ARAMIS REALTY, LLC (ACFL2, INC) is requesting the rezoning of 0.21 acres located in Land Lot 1143, District 16, Parcel 0370 of the 2nd Section, Cobb County, Georgia, and being known as 508 Morningside Drive from OI (Office Institutional) to R-4 (Single Family Residential - 4 units/acre). Ward 5A.

Mr. Diffley made a motion, seconded by Ms. McCrae to recommend approval as stipulated. The motion carried 7-0-0.

If Council approves the rezoning, the following variances and stipulations would be incorporated as conditions of zoning:

Variances:

- *Variance to reduce the major side setback along the eastern property line from 25 feet to 21 feet. [§708.04 (H)]*
- *Variance to reduce the front yard setback along the northern property line from 25 feet to 19 feet. [§708.04 (H)]*

The following stipulation is incorporated as a condition of zoning:

A new paved driveway that will hold at least 3 cars will be provided on the west side of the property.

Public Hearing (all parties are sworn in)

20200061 Z2020-08 [REZONING] T.D. PROPERTY RENTALS LLC

Z2020-08 [REZONING] T.D. PROPERTY RENTALS LLC is requesting the rezoning of 0.27 acres located in Land Lot 1160, District 16, Parcel 1280 of the 2nd Section, Cobb County, Georgia, and being known as 171 Cole Street from NRC (Neighborhood Retail Commercial) to R-4 (Single Family Residential - 4 units/acre). Ward 5A.

Mr. Anderson made a motion, seconded by Mr. Hunter to recommend approval as submitted. The motion carried 7-0-0.

If Council approves the rezoning, the following variance would be incorporated as conditions of zoning:

Variance:

- *Variance to reduce the southern side yard setback from 10 feet to 7 feet. [§708.04 (H)]*

Public Hearing (all parties are sworn in)

20200077 Z2020-10 [REZONING] 20 HOLDINGS, LLC

Z2020-10 [REZONING] 20 HOLDINGS, LLC is requesting the rezoning of 4.2 acres located in Land Lots 208 & 209, District 17, Parcels 0010 & 0810 of the 2nd Section, Cobb County, Georgia, and being known as 1501 & 1521 Sandtown Road from R-20 (Single Family Residential - Cobb County) to PRD-SF (Planned Residential Development - Single Family) in the City. Ward 3A.

Mr. Duffley made a motion, seconded by Mr. McClure to recommend approval as stipulated. The motion carried 7-0-0.

If Council approves the rezoning, the following stipulations would be incorporated as conditions of zoning:

Stipulations:

Letter of stipulations and variances from J. Kevin Moore of Moore Ingram Johnson & Steele to Shelby Little, Planning & Zoning Manager for the City of Marietta, dated March 2, 2020.

Applicant must comply with noise attenuation construction requirements as identified in the letter from Kenneth W. Williams, Base Civil Engineer, Dobbins ARB to Rusty Roth, Development Services Director for the City of Marietta, dated March 2, 2020.

Public Hearing (all parties are sworn in)

20200078 A2020-02 [ANNEXATION] 20 HOLDINGS, LLC

A2020-02 [ANNEXATION] 20 HOLDINGS, LLC is requesting the annexation of property located in Land Lots 208 & 209, District 17, Parcels 0010 & 0810 of the 2nd Section, Cobb County, Georgia and being known as 1501 & 1521 Sandtown Road, and any associated right of way, consisting of approximately 4.2 acres. Ward 3A.

Mr. Duffley made a motion, seconded by Mr. McClure to recommend approval as submitted. The motion carried 7-0-0.

Public Hearing (all parties are sworn in)

20200079 CA2020-02 [CODE AMENDMENT]

CA2020-02 [CODE AMENDMENT] In conjunction with the requested annexation of property located in Land Lots 208 & 209, District 17, Parcels 0010 & 0810 of the 2nd Section, Cobb County, and being known as 1501 & 1521 Sandtown Road, the City of Marietta proposes to designate the Future Land Use of said property as MDR (Medium Density Residential). Ward 3A.

Mr. Diffley made a motion, seconded by Mr. McClure to recommend approval as submitted. The motion carried 7-0-0.

Public Hearing (all parties are sworn in)

STAFF ANALYSIS

Location Compatibility

The applicant, Aramis Realty, LLC/ Jody Collins, is requesting the rezoning of the subject property located at 508/510 Morningside Drive, which is 0.21 acres in area, from OI (Office Institutional) to R-4 (Single Family Residential-4 units/acre). The applicant is requesting this rezoning in order to use the existing structure as a single-family residence. The property is located at the corner of Morningside Drive and North Fairground Street.

The adjacent properties to the north are zoned OI and R-4; to the west are all zoned R-4; to the east (across N Fairground St) are zoned CRC (Community Retail Commercial); and to the south are a mixture of OI and R-4 zoning. Further north of Morningside Drive, along both Hyde and Freyer Drive, there are no duplexes and all the residences are single family units.

Use Potential and Impacts

The Morningside/Ramona/Birney area was developed with a mix of duplexes and single-family homes in the 1940s. Many of the duplexes are rental units and many have deteriorated due to lack of maintenance. However, the construction of new homes in the area is expected to increase interest in rehabilitating and reinvesting in nearby, existing homes.

This property had previously been used as a duplex but has been vacant and listed for sale for approximately six (6) years. Many of the residential properties within the area and along Morningside Drive are currently being used as rented duplexes. The applicant had previously requested to rezone (Z2018-31) the property to R-4 with an additional use as a duplex in December 2018 but was denied. This property is surrounded by residential uses and low intensity offices; therefore, the proposed use of this property as a single-family residence should not pose a detrimental effect on the surrounding areas.

To convert the duplex into a single family home, the applicant has provided plans to remove an interior wall separating the living areas. However, there is no indication that the second, unnecessary kitchen will be altered. Should this property be rezoned as requested, the removal of one of the kitchens will be required to ensure that the structure will not be used as two separate units.

Also, the following variances would be necessary to allow the existing structure to remain as is:

1. Variance to reduce the major side setback along the eastern property line from 25 ft. to 21 ft. [§708.04 (H)]
2. Variance to reduce the front yard setback along the northern property line from 25 ft. to 19 ft. [§708.04 (H)]

The FLU (Future Land Use) of this property is CAC (Community Activity Center); The purpose of the Community Activity Center category is to provide for areas that can meet the retail and service needs of several neighborhoods and communities. These are areas that provide a wide range of goods and services, including businesses and professional offices, which are appropriately located throughout the city along collector and arterial streets. The current zoning of OI is compatible with the FLU. Although R-4 zoning is not compatible with the CAC Future Land Use, it is reflective of the current use of properties in the surrounding neighborhood.

Environmental Impacts

Only minimal changes are proposed so there should be no additional environmental impacts caused by the proposed request. There is no indication of any wetlands, streams, or endangered species existing on the property.

Economic Functionality

The subject property, as well as all corner properties along the west side of North Fairground Street, are zoned OI. However, most of these parcels lack the size needed for viable office use. There are no commercial or office uses on the west side of Fairground Street, but several properties along the east side of Fairground Street have transitioned to commercial use. The limited area of the subject property does not meet the minimum lot size or provide enough area for office/commercial parking requirements; therefore, this property is not economically functional as currently zoned.

Infrastructure

The property has two areas used for parking: the eastern curb cut leads to a paved area and the western curb cut leads to a lightly graveled area that is now overgrown with grass. Current regulations require two (2) parking spaces per unit and the Zoning Ordinance prohibits parking on an unpaved surface or on the street. The paved parking space is located dangerously close to the intersection and stop sign at North Fairground Street. If the property is rezoned as requested, the existing paved parking space should be removed, and two paved parking spaces should be provided on the west side of the home. The sidewalk at the driveway must also be replaced. Otherwise, the following variance would be necessary to allow conditions remain as-is:

- 1. Variance to allow a gravel and grass surface for parking. [*§716.08 (B)*]

According to Marietta City Schools Impact Assessment, there is only the potential of two (2) students that would possibly enroll in the school system from the rezoning of this development. Therefore, staff does not expect the rezoning of this property to have a negative impact on the city school system.

Overhead Electrical/Utilities

There are overhead utilities on Morningside Drive, but no potential conflicts are anticipated with this request.

History of Property

The applicant previously requested the rezoning of this property in 2018 (Z2018-31) from OI to R-4 with the additional usage as a duplex but the request was denied by City Council.

Historical Impacts

There is no known historical significance associated with this property.

ANALYSIS & CONCLUSION

The applicant, Aramis Realty, LLC/ Jody Collins, is requesting the rezoning of the subject property located at 508/510 Morningside Drive, which is 0.21 acres in area, from OI to R-4. The applicant is requesting this rezoning in order to convert the existing structure to a single-family residence. The property is located at the corner of Morningside Drive and North Fairground Street. Surrounding properties are zoned R-4, OI, and CRC.

This property had previously been used as a duplex but has been vacant and listed for sale for six (6) years. Many of the residential properties within the area and along Morningside Drive are currently being used as duplexes. However, most are rental units that have deteriorated due to lack of maintenance. The applicant had previously requested to rezone the property to R-4 (Z2018-31) with an additional use as a duplex in December 2018 but that request was denied. Since the property is surrounded by residential uses and low intensity offices, a single-family residence should not be detrimental to the surrounding area.

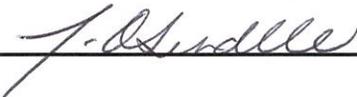

The applicant has provided plans to remove an interior wall separating the living areas to convert the duplex into a single-family home. However, there is no indication that the second, unnecessary kitchen would be altered. Should this property be rezoned as requested, the removal of one of the kitchens will be required to ensure that the structure will not be used as two separate units. Also, should the property be rezoned as requested, the following variances would be necessary to allow the structure remain as is:

1. Variance to reduce the major side setback along the eastern property line from 25 ft. to 21 ft. for the existing structure only. [*§708.04 (H)*]
2. Variance to reduce the front yard setback along the northern property line from 25 ft. to 19 ft. for the existing structure only. [*§708.04 (H)*]

The existing paved parking space, which is dangerously close to the intersection, should be removed and two paved parking spaces should be provided on the west side of the home. The sidewalk at the driveway must also be replaced. Otherwise, the following variance would be necessary to allow the parking to remain as-is:

- Variance to allow a gravel and grass surface for parking. [*§716.08(B)*]

The FLU (Future Land Use) of this property is CAC (Community Activity Center); The purpose of the Community Activity Center category is to provide for areas that can meet the retail and service needs of several neighborhoods and communities. Although the existing OI zoning is compatible with the FLU, a single family home zoned R-4 is more reflective of the current use of the neighborhood.

DATA APPENDIX

CITY OF MARIETTA - WATER

Is a water line adjacent to the property?	Yes
If not, how far is the closest water line?	N/A
Size of the water line?	6 in Morningside and 12 in Fairground
Capacity of the water line?	Fire flow test may be required
Approximate water usage by proposed use?	Not provided

CITY OF MARIETTA - WASTEWATER

Is a sewer line adjacent to the property?	Yes
If not, how far is the closest sewer line?	N/A
Size of the sewer line?	6 inch in Morningside and 8 inch in Fairground
Capacity of the sewer line?	A.D.F. Peak
Estimated waste generated by proposed development?	Not Provided
Treatment Plant Name?	Cobb County
Treatment Plant Capacity?	Cobb County
Future Plant Availability?	Cobb County

DATA APPENDIX CONTINUED

DRAINAGE AND ENVIRONMENTAL CONCERNS

Does flood plain exist on the property:	No
What percentage of the property is in the flood plain?	N/A
What is the drainage basin for the property?	Sope Creek
Is there potential for the presence of wetlands as determined by the U.S. Environmental Protection Agency?	No
If so, is the use compatible with the possible presence of wetlands?	No
Do stream bank buffers exist on the parcel?	No
Are there other topographical concerns on the parcel?	No
Are there storm water issues related to the application?	No
Potential presence of endangered species in the area?	No

- For safety reasons, reconfiguration of the eastern driveway is strongly recommended and requested

TRANSPORTATION

What is the road effected by the proposed change?	Fairground St. and Morningside Dr.
What is the classification of the road?	Fairground St.: Collector
What is the traffic count for the road?	Morningside Dr.: Local
Estimated # of trips generated by the proposed development?	Fairground St.: 22,076 (2018)
Estimated # of pass-by cars entering proposed development?	Morningside Dr.: n/a
Do sidewalks exist in the area?	Daily 10
Transportation improvements in the area?	AM 1
If yes, what are they?	PM 1

Recommend requiring removal of driveway closest to Fairground Street and replacing sidewalk at driveway.

DATA APPENDIX CONTINUED

EMERGENCY SERVICES

Nearest city or county fire station from the development?	112 Haynes St (51)
Distance of the nearest station?	1.2 miles
Most likely station for 1 st response?	51
Service burdens at the nearest city fire station (under, at, or above capacity)?	n/a

Comments: If the cost of the project meets or exceeds 100% of the gross assessed value of the building (appraised value of the building) as recorded with the Cobb County Tax Assessor’s office, then the building could be subject to the fire protection ordinance of the Marietta City Code 2-6-140.

MARIETTA POWER - ELECTRICAL

Does Marietta Power serve this site? Yes _____ No _____

If not, can this site be served? Yes _____ No _____

What special conditions would be involved in serving this site?

None

REQUIRED INFORMATION

Applicant must submit the following information by 4:00 p.m. on or before the application deadline. Failure to submit any item, or any additional information that might be requested, on or before the deadline will result in the application being held until the next scheduled meeting of the Planning Commission.

1. The original application must be submitted with ALL ORIGINAL SIGNATURES - Copies of the application or signature(s) will NOT be accepted. ALL rezoning submittals must include proposed plans, supplementary material, etc. in Adobe Acrobat on computer disk.
2. Legal Description. Legal description must be in a WORD DOCUMENT.
3. Application fee (\$500)
4. Copy of the deed that reflects the current owner(s) of the property.
5. Copy of current tax bill showing payment or a certification from the City of Marietta Tax Office stating that taxes have been paid.
6. Site plan, plat or survey prepared by an architect, engineer (P.E. or Civil Engineer), Landscape Architect or Land Surveyor whose state registration is current and valid, and whose seal shall be affixed to the site plan/plat/survey.

Copies Required: One (1) - (8 1/2" x 11") -or- (11" x 17") drawn to scale. Optional Additional Plat size: (24"x 36").

If providing (24"x 36") then 5 copies REQUIRED.

The following information must be included:

- Specific use or uses proposed for the site
 - Acreage, bearing and distances, other dimensions, and location of the tract(s)
 - Locations, sizes and setbacks of proposed structures, including the number of stories and total floor area
 - Detention/retention areas, and utility easements
 - Public or private street(s) - right of way and roadway widths, approximate grades
 - Location and size of parking area with proposed ingress and egress
 - Specific types and dimensions of protective measures, such as buffers
 - Landscaping
 - Wetlands, stream buffers, and 100 year floodplain
7. A detailed written description of the proposed development/project must be submitted with the application.

CAMPAIGN CONTRIBUTIONS

PROPOSED DEVELOPMENT/PROJECT – 508-510 MORNINGSIDE DR NE

Given that the property located at 508-510 Morningside Dr NE, Marietta, GA 30060 is a single-family duplex originally built and used for residential purposes, and that the street on which this property is located is a residential neighborhood, and that this property has remained vacant for a period greater than 6 months and thus has fallen into disrepair and is no longer suitable for habitation as-is, we propose to make extensive repairs and modifications to both the interior and exterior of the building, which, when complete, will result in a single-family, non-duplex dwelling fit for renting to and being inhabited by members of the general public.

The proposed repairs to the property will: A) remove the presence of squatters from the premises and discourage their presence in the property or surrounding area(s) via the installation of a 24x7 monitored alarm system and the replacement of broken windows, doors, crawlspace access, etc., including the removal of boards over the existing windows; B) repair and modify the exterior structure and cosmetic appearance via replacement of the roof, rotted siding, entry doors, decorative metalwork and railings, and altering the roof and facade structural designs as needed for the conversion from a duplex into a single-family property; C) render the units fit for residential use and convert the interior layout from a duplex to a single-family design via modification, removal and/or addition of interior walls and doorways, replacement and painting of interior sheetrock on walls and ceilings, replacement and/or refinishing of flooring, replacement of stolen plumbing and electric lines, replacement of central heating and air conditioning systems and linesets, installation of kitchen appliances, application of pest/rodent control measures, etc.

The specific conversion plans for this property are being designed by ESI (Engineering Systems, Inc.), a licensed architectural firm. The actual conversion will be completed by a General Contractor, to be determined.

STAFF ANALYSIS

Location Compatibility

The applicant, T.D. Property Rentals, LLC, is requesting the rezoning of the property at 171 Cole Street from NRC (Neighborhood Retail Commercial) to R-4 (Single Family Residential Detached – 4 units/acre). The property is approximately 0.27 acres in size. The Quad at Meeting Park and Manor Park are located to the north and east, across Cole Street, and are zoned PRD-SF (Planned Residential Development – Single Family). The properties immediately to the west and south are also zoned NRC. The applicant is requesting the rezoning in order to renovate the existing structure and use it as a single-family residence.

Use Potential and Impacts

The existing home, which was built in the 1960s, has been used sporadically as a residence over the last sixteen (16) years. The entire corner of Hunt, Cole, and Lemon Streets that is south of the creek has also been zoned NRC since the 1960s (previously Neighborhood Shopping). The applicant wishes to make substantial renovations to the home that would not be permitted under the existing commercial zoning. Rezoning this property to residential will require additional paving for parking, and given the floodplain and stream buffer issues, may negatively impact on the surrounding area.

Homes on properties zoned R-4 are required to maintain a minor side yard setback of at least ten (10) feet from the side property lines. The existing structure projects into the side yard setback on the south side, so the following variance would be necessary to allow the house to remain as is:

1. Variance to reduce the southern side yard setback from 10 ft. to 7 ft. [§708.04 (H)]

The City's Comprehensive Plan designates the Future Land Use (FLU) of the subject property and adjacent properties as Medium Density Residential (MDR). MDR is intended for single-family detached homes and attached townhomes with densities ranging from five (5) to eight (8) dwelling units per acre. As a result, the proposed rezoning to R-4 is supported by the City's Comprehensive Plan.

Environmental Impacts

A substantial portion of this property is impacted by floodplain and stream buffers, as there is a creek that diverges on the property. Any proposed construction will be evaluated according to the City's Floodplain Ordinance (Article 7-8-10) and Stream Buffer Protection Ordinance (Article 7-10). The Engineering Division has also indicated the potential presence of wetlands, which may further impact any proposed improvements.

Economic Functionality

The property has been neglected and in disrepair for quite some time but has been used sporadically as a residence over the last sixteen (16) years. Despite the commercial zoning, the structure has never been updated to commercial standards. This is likely due to the extent of work that would be required, the environmental barriers caused by the creek, and the small size of the parcel. Until more environmental study is conducted, it is not clear that the property has any economic value – either as currently zoned or as proposed.

Infrastructure

Single family detached homes are required to have two parking spaces for residents. A small, deteriorated driveway currently exists on the right (north) side of the structure closest to the stream. If approved, a paved area large enough to accommodate two cars would be required. However, because almost the entire parcel is covered by state or City stream buffers, the addition of a parking area may not be allowed. A stream buffer variance from City Council may be an option, but more study of the extent of the stream buffers would be necessary to assess this possibility.

The Marietta Transportation Division has a sidewalk project along Cole Street connecting Lemon Street to North Marietta Parkway and is currently in the right of way acquisition phase. Transportation is requesting the donation of easements necessary to construct the sidewalk project.

In addition to the creeks, there is a sanitary sewer main that runs through the rear of the property. However, no structures are built on top of the sewer main or near the easement.

The requested rezoning does not pose any impacts to transportation, education, electricity, or other public infrastructure in the area.

Overhead Electrical/Utilities

The requested rezoning does not include any new building additions. Therefore, there is no anticipated conflict with the existing overhead utilities.

History of Property

There is no history on the subject property regarding variances, special land use permits, or rezonings.

Other Issues

The properties south of the creek between Hunt, Lemon, and Cole Streets have never been properly platted. Instead, the properties have been split and reconfigured over time by deed. This has resulted in many compliance issues with these properties. For instance, there is a deck on the neighboring property at 301 Lemon Street that is projecting across the property line onto the subject property. If the rezoning is approved, these platting issues would have to be addressed, which may require removal of the deck.

ANALYSIS & CONCLUSION

The applicant, T.D. Property Rentals, LLC, is requesting the rezoning of the property at 171 Cole Street from NRC to R-4. The property is approximately 0.27 acres in size. Surrounding properties are zoned PRD-SF and NRC. The existing residential structure, which was built in the 1960s, has been used sporadically as a residence over the last sixteen (16) years. The applicant wishes to make substantial renovations to the home that would not be permitted under the existing commercial zoning.

A substantial portion of this property is impacted by floodplain and stream buffers, as there is a creek that diverges on the property. Any proposed construction will be evaluated according to the City's Floodplain Ordinance (Article 7-8-10) and Stream Buffer Protection Ordinance (Article 7-10).

Single family detached homes are required to have two parking spaces for residents. A small, deteriorated driveway currently exists on the right (north) side of the structure closest to the stream. If this request were to be approved, a paved area large enough to accommodate two cars would be required. However, because almost the entire parcel is covered by State or City stream buffers, the addition of a parking area may not be allowed. A stream buffer variance from City Council may be an option, but more study of the extent of the stream buffers and potential wetlands would be necessary.

It should be noted that a deck on the neighboring property at 301 Lemon Street is projecting across the property line onto the subject property, and may have to be removed. Also, the following variance would be required in order to allow the existing structure to remain as is:

1. Variance to reduce the southern side yard setback from 10 ft. to 7 ft. [§708.04 (H)]

It should be noted that Transportation is requesting the donation of easements necessary to construct the sidewalk project along Cole Street from Lemon Street to North Marietta Parkway.

The City's Comprehensive Plan designates the Future Land Use (FLU) of the subject property and adjacent properties as Medium Density Residential (MDR). MDR is intended for single-family detached homes and attached townhomes with densities ranging from five (5) to eight (8) dwelling units per acre. As a result, the proposed rezoning to R-4 is supported by the City's Comprehensive Plan.

DATA APPENDIX

CITY OF MARIETTA - WATER

Is a water line adjacent to the property?	Yes
If not, how far is the closest water line?	N/A
Size of the water line?	10 inch in Cole
Capacity of the water line?	Fire flow test may be required
Approximate water usage by proposed use?	Not provided

CITY OF MARIETTA - WASTEWATER

Is a sewer line adjacent to the property?	Yes
If not, how far is the closest sewer line?	N/A
Size of the sewer line?	12 inch in rear of building
Capacity of the sewer line?	A.D.F. Peak
Estimated waste generated by proposed development?	Not provided
Treatment Plant Name?	Cobb County
Treatment Plant Capacity?	Cobb County
Future Plant Availability?	Cobb County

DATA APPENDIX CONTINUED

DRAINAGE AND ENVIRONMENTAL CONCERNS

Does flood plain exist on the property:	Yes
What percentage of the property is in the flood plain?	65%
What is the drainage basin for the property?	Sope Creek
Is there potential for the presence of wetlands as determined by the U.S. Environmental Protection Agency?	Yes
If so, is the use compatible with the possible presence of wetlands?	No
Do stream bank buffers exist on the parcel?	Yes
Are there other topographical concerns on the parcel?	No
Are there storm water issues related to the application?	No
Potential presence of endangered species in the area?	No
<ul style="list-style-type: none"> • Full site development plans required (include independent flood study by Fort Hill) 	

TRANSPORTATION

What is the road affected by the proposed change?	Cole St.
What is the classification of the road?	Local
What is the traffic count for the road?	N/A
Estimated # of trips generated by the proposed development?	Daily 10
Estimated # of pass-by cars entering proposed development?	AM 1
Do sidewalks exist in the area?	PM 1
Transportation improvements in the area?	0
If yes, what are they?	Yes
<ul style="list-style-type: none"> • Sidewalk project along Cole Street connecting Lemon Street to North Marietta Parkway is currently in the right of way acquisition phase. • Recommend donation of easements necessary to construct the sidewalk project. Current design only requires driveway easement to tie in unmaintained driveway at the north side of the property to Cole Street. 	

DATA APPENDIX CONTINUED

EMERGENCY SERVICES

Nearest city or county fire station from the development?	112 Haynes St (51)
Distance of the nearest station?	0.3 miles
Most likely station for 1 st response?	51
Service burdens at the nearest city fire station (under, at, or above capacity)?	n/a

Comments:

If the cost of the project exceeds the gross assessed value (appraised building value) of the building based on Cobb County Tax Assessor's records at the time of application for building permit, then the property could be subject to the fire protection ordinance of Marietta City Code 2-6-140. Will be evaluated when building permit is applied for. Will need to submit existing and proposed site plans.

MARIETTA POWER - ELECTRICAL

Does Marietta Power serve this site? Yes _____ No _____

If not, can this site be served? Yes _____ No _____

What special conditions would be involved in serving this site?

REQUIRED INFORMATION

Applicant must submit the following information by 4:00 p.m. on or before the application deadline. Failure to submit any item, or any additional information that might be requested, on or before the deadline will result in the application being held until the next scheduled meeting of the Planning Commission.

1. **The original application must be submitted with ALL ORIGINAL SIGNATURES - Copies of the application or signature(s) will NOT be accepted.** ALL rezoning submittals must include proposed plans, supplementary material, etc. in Adobe Acrobat on computer disk.
2. Legal Description. Legal description must be in a WORD DOCUMENT.
3. Application fee (\$500)
4. Copy of the deed that reflects the current owner(s) of the property.
5. Copy of current tax bill showing payment or a certification from the City of Marietta Tax Office stating that taxes have been paid.
6. Site plan, plat or survey prepared by an architect, engineer (P.E. or Civil Engineer), Landscape Architect or Land Surveyor whose state registration is current and valid, and whose seal shall be affixed to the site plan/plat/survey.

Copies Required: One (1) - (8 1/2" x 11") -or- (11" x 17") drawn to scale. Optional Additional Plat size: (24"x 36").

If providing (24"x 36") then 5 copies REQUIRED.

The following information must be included:

- Specific use or uses proposed for the site
- Acreage, bearing and distances, other dimensions, and location of the tract(s)
- Locations, sizes and setbacks of proposed structures, including the number of stories and total floor area
- Detention/retention areas, and utility easements
- Public or private street(s) - right of way and roadway widths, approximate grades
- Location and size of parking area with proposed ingress and egress
- Specific types and dimensions of protective measures, such as buffers
- Landscaping
- Wetlands, stream buffers, and 100 year floodplain

7. A detailed written description of the proposed development/project must be submitted with the application.

CAMPAIGN CONTRIBUTIONS

The Owner and Applicant herein certify that he/she has has not made campaign contributions or gifts aggregating \$250.00 or more to the Mayor, any member of Council or any member of the Planning Commission within the two (2) years preceding the filing of the this application.

My Commission Expires: 12/7/2020

Note: Owner, Applicant or Representative must be present at meeting in order for case to be heard.

171 Cole Street Proposed remodel:

Current state of structure: Former owner of the property started a remodeling process by removing all interior sheet rock, wiring, and plumbing down to the studs. Roof currently is in a state of disrepair, with soffits damaged and current leak over front entrance door into the living room. Remodel work halted in 2019 and property was sold to T.D. Property Rentals, November 13, 2019.

Proposed use and repair: Current owner requests to rezone the property to residential R4 zoning to fit in with surrounding properties. T.D Property Rentals, LLC proposes to remodel the upper level of the structure to a premium finishing level to coincide with the redeveloped neighborhood across the street. The final configuration of the house is proposed to go from a 3 bedroom/1 bath structure to a 3 bedroom/2 bath single family residential house. The structure will receive all new electrical, plumbing, insulation, drywall, and HVAC as minimum upgrades. Interior finishes will include hardwood floors throughout, new kitchen with granite countertops, and completed tub and showers.

The current stairwell into the basement will be closed off from the interior of the building due to flood zone restrictions. The basement will effectively become an exterior entered crawl space and will have FEMA approved Smart Vents for flooding installed in the walls per Marietta City Code by a Certified installer (See attached Flood Water Solutions proposal).

Exterior improvements proposed will include painting, new roof and gutters, repaired soffits, southern boundary line fence, repaired/new driveway, and addition of rear deck.

RUN AD DATE: February 14, 2020

**CITY OF MARIETTA
PUBLIC NOTICE OF REZONINGS and CODE AMENDMENTS**

The City of Marietta hereby gives notice that a public hearing will be held on the following by the Planning Commission on **Tuesday, March 3rd, 2020, 6:00 P.M.**, City Hall, for a recommendation to the City Council at their meeting on **Wednesday, March 11th, 2020, 7:00 p.m.**, City Hall, for a final decision to be made.

Z2020-08 [REZONING] T.D. PROPERTY RENTALS LLC is requesting the rezoning of 0.27 acres located in Land Lot 1160, District 16, Parcel 1280 of the 2nd Section, Cobb County, Georgia, and being known as 171 Cole Street from NRC (Neighborhood Retail Commercial) to R-4 (Single Family Residential – 4 units/acre). Ward 5A.

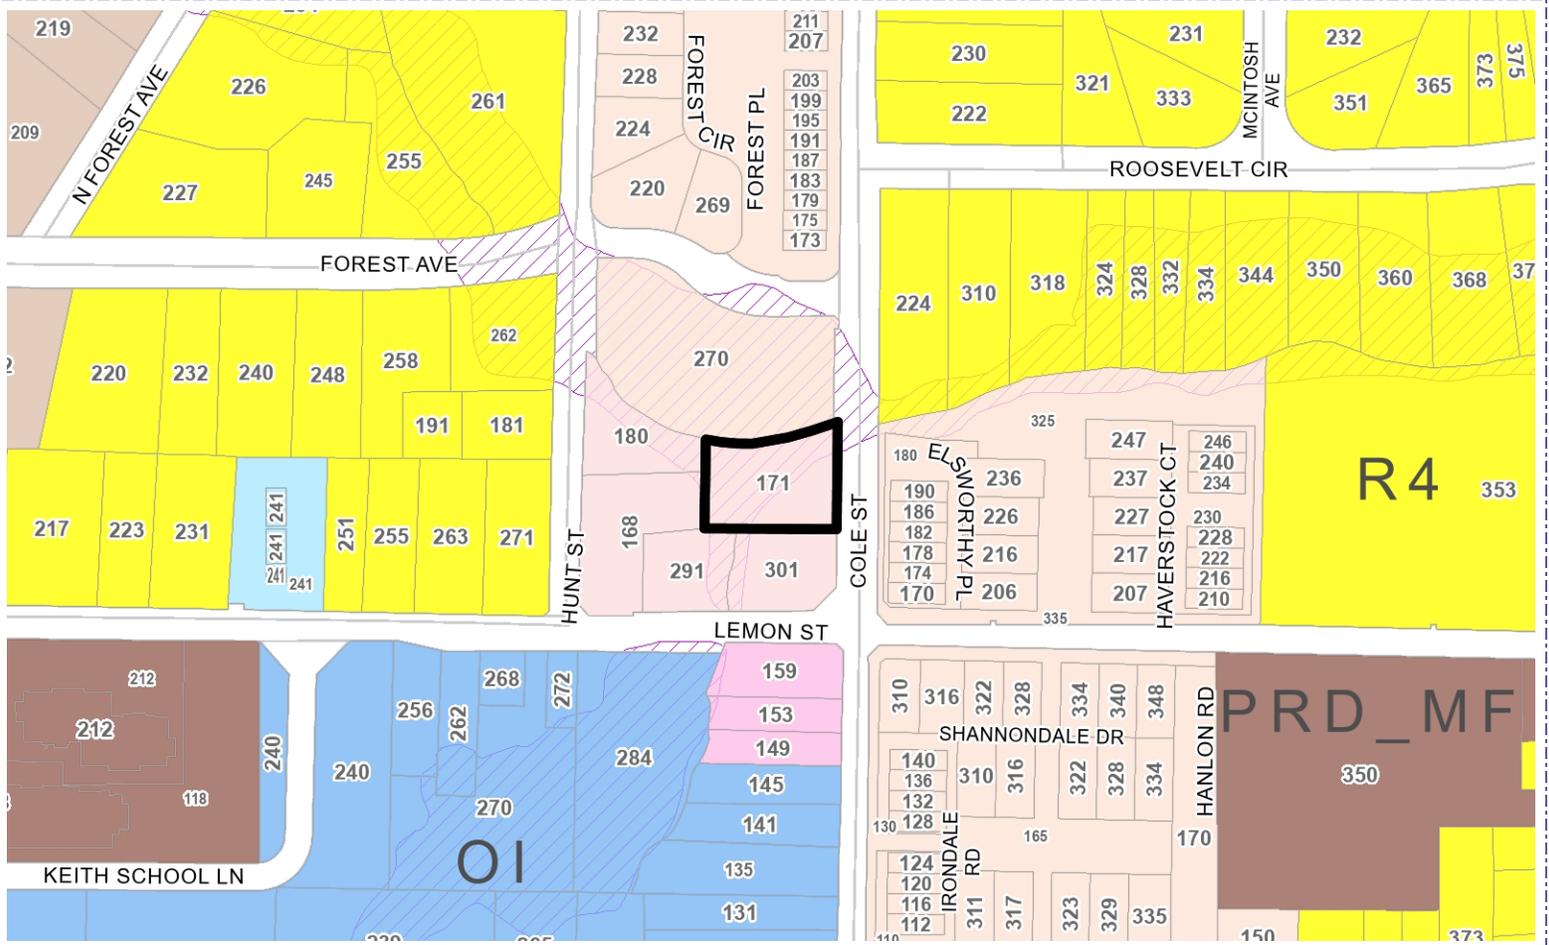

A description and plat of the property sought for the rezoning, special land use permit, and variances are on file in the Planning and Zoning Office, City Hall, and is available for inspection between 8:00 A.M. and 5:00 P.M., Monday through Friday. Anyone wishing to attend may do so and be heard relative thereto. You may also review the property file at www.mariettaga.gov and enter the case # in the search box.

For additional information please call the Planning and Zoning Office (770) 794-5669.

Accessibility to Meetings: If you believe you may need the City/BLW to provide special accommodations in order to attend/or participate in any of the above meetings, please call ADA Coordinator at 770-794-5558 no later than 48 hours before the date of the above meeting.

briankjohanson@gmail.com

October 10, 2019

Dan,

Estimated cost for the installation of 3 double stack Smart Vents in dwelling located at 171 Cole St., Marietta, GA 30060. The 3 (double) vents will give an effective venting sq. ft. of 1200 sq.ft., meeting both FEMA and zoning requirements.

One vent is to be Installed in the door exiting the basement and will require a wood trim to be installed around the vent perimeter on the inside. A new door is to be installed by the homeowner to accommodate the new vent. Installation cost of vent and trim: \$150.00.

One vent (double vent) will be installed to the "right" of the door below the window. Cutting into the brick and foundation and then inserting the double stack vent. Installation cost of vent: \$350.00.

The final vent will be installed to the left of the basement door on the adjacent foundation wall. Cutting through the brick and foundation will be required. Installation cost of vent: \$350.00.

All vents are to be installed according to FEMA guidelines and by a Smart Vent Certified installer (Brian Johanson, Flood Water Solutions).

It is the homeowner's responsibility to register the vents after installation. The Homeowner will provide the vents for the installation.

All the best,

Brian Johanson

Copy all pages of this Elevation Certificate for (1) community official, (2) insurance agent/company, and (3) building owner.

Comments (including type of equipment and location, per C2(e), if applicable)

Signature _____ Date 09/30/2019

SECTION E - BUILDING ELEVATION INFORMATION (SURVEY NOT REQUIRED) FOR ZONE AO AND ZONE A (WITHOUT BFE)

For Zones AO and A (without BFE), complete Items E1-E5. If the Certificate is intended to support a LOMA or LOMR-F request, complete Sections A, B, and C. For Items E1-E4, use natural grade, if available. Check the measurement used. In Puerto Rico only, enter meters.

- E1. Provide elevation information for the following and check the appropriate boxes to show whether the elevation is above or below the highest adjacent grade (HAG) and the lowest adjacent grade (LAG).
- a) Top of bottom floor (including basement, crawlspace, or enclosure) is _____ . _____ feet meters above or below the HAG.
 - b) Top of bottom floor (including basement, crawlspace, or enclosure) is _____ . _____ feet meters above or below the LAG.
- E2. For Building Diagrams 6-9 with permanent flood openings provided in Section A Items 8 and/or 9 (see page 8 of Instructions), the next higher floor (elevation C2.b in the diagrams) of the building is _____ . _____ feet meters above or below the HAG.
- E3. Attached garage (top of slab) is _____ . _____ feet meters above or below the HAG.
- E4. Top of platform of machinery and /or equipment servicing the building is _____ . _____ feet meters above or below the HAG.
- E5. Zone AO only: If no flood depth number is available, is the top of the bottom floor elevated in accordance with the community's floodplain management ordinance? Yes No Unknown. The local official must certify this information in Section G.

SECTION F - PROPERTY OWNER (OR OWNER'S REPRESENTATIVE) CERTIFICATION

The property owner or owner's authorized representative who completes Sections A, B, and E for Zone A (without a FEMA-issued or community-issued BFE) or Zone AO must sign here. The statements in Sections A, B, and E are correct to the best of my knowledge.

STAFF ANALYSIS

Location Compatibility

The applicant, 20 Holdings, LLC, is requesting the rezoning of 4.2 acres at 1501 & 1521 Sandtown Road from the existing Cobb County zoning of R-20 (Single Family Residential-20,000-square-foot lot size) to the City of Marietta's PRD-SF (Planned Residential Development - Single Family) zoning to build thirty-three (33) attached single-family townhouses. It should be noted that the applicant has applied for annexation in conjunction with the filing of this rezoning.

The subject property consists of two (2) parcels located on the corner of Sandtown Road and Osborne Road in unincorporated Cobb County. Each parcel currently contains a single-family home. Across Osborne Road to the north is the Grey's Landing subdivision zoned RM-8 (residential multifamily) and to the east is the Shepard's Walk Apartments, zoned R-20 (Single Family Residential-20,000-square-foot lot size) – both are located within unincorporated Cobb County. Eastside Baptist Church, also zoned R-20 in Cobb County, is directly to the south and southeast of the subject property. A nursing home zoned OI (Office Institutional) in the city is located across Sandtown Road to the west.

Use Potential and Impacts

The applicant is proposing to build a townhouse community of thirty-three (33) units on 4.2 acres, yielding a density of 8.61 units per acre. This section of Sandtown Road is a mixture of medium density residential with nearby commercial and industrial businesses. Other residential developments built in the area appear to be of comparable density to this proposal.

The parking requirements for townhouses include a 2-car garage with a 20-foot long driveway and a 0.2 guest spaces per unit. The proposed plan includes the required minimum of seven (7) guest parking spaces along the new private streets. Although not shown, a mail kiosk with an ADA accessible space and route would be required.

Recreation area is calculated at 1 acre for every 50 units; and as such this development would require 0.66 acres of recreation space with at least one active and one passive feature. These plans indicate the provision of 0.7 acres of open space with the potential for a "flex court or playground" to satisfy the active feature and a gazebo to satisfy the passive feature.

Although elevations have not been provided, the applicant has indicated the exterior façades will be traditional/craftsman in style, architecture, and design using brick, stone, stacked stone, cedar shake, board and batten, and combinations thereof.

Cobb County has designated the Future Land Use (FLU) of the subject property as PI (Public Institutional). As part of the annexation request, the City is suggesting a Future Land

Use (FLU) classification of MDR (Medium Density Residential) because of the type of development proposed. The City’s Comprehensive Plan describes MDR as areas that are suitable for medium density housing with densities from five (5) to eight (8) dwelling units per acre. The most appropriate developments for a FLU of MDR are single-family detached housing, cluster housing, and/or townhomes.

Environmental Impacts

This property does not contain any wetlands, streams, or floodplain. There is no indication of any endangered species on the property.

If annexed and rezoned as requested, the development will be expected to comply with the City’s Tree Protection and Landscaping Ordinance.

Economic Functionality

Currently the property contains a single-family ranch-style home on each of the two parcels. Under the current zoning, a 4.2-acre lot zoned R-20 in Cobb County could contain approximately nine (9) units. Based on recent residential development patterns in the City and County, this property could support more units than the current zoning allows.

Infrastructure

No age restriction is proposed for this development, and as such the number of children attending Marietta City Schools will likely increase. The elementary school serving this area would be Dunleith Elementary School, which has the capacity for additional students.

Multiple access points to an arterial or collector road are required for single-family developments containing more than fifty-one (51) dwelling units. But since this development would not meet that threshold, only one point of entry/exit is proposed off Sandtown Road. Gates are shown at the entrance, which will require the proposed streets to be privately maintained. Gates must be a minimum of fifty (50) feet from public right-of-way and a minimum width of thirty (30) feet. Further, access for emergency services must be provided and an indemnity agreement would be required.

City regulations also require that streets that have one end permanently closed must provide a turnaround with a minimum road diameter of eighty (80) feet and right-of-way diameter of 100 feet. The proposed plans indicate a hammerhead turnaround instead of a cul-de-sac. However, according to the Marietta Fire Department, the design of the southern hammerhead does not meet radius and road width requirements for sufficient turnaround but could be easily modified. As such, the proposed design would require the following variance:

- Variance to allow hammerhead configuration in lieu of the required cul-de-sac. [§730.01 (E)]

Sidewalks will be required on one side of the new private street within the development and along the frontage of Sandtown Road and Osborne Road – sidewalks are not currently shown. The City’s Transportation Division is also requesting a left turn lane from Sandtown Road and has expressed concern over potential sight distance and inadequate right of way. Staff has also requested the applicant to obtain approval from Cobb County regarding any road improvements.

Water and sewer service for the subject property will be provided by Cobb Water.

Overhead Electrical/Utilities

No overhead utility lines are located near the proposed buildings so there should not be any conflict.

History of Property

Because the property is not within the city limits currently, the City has no record of any variances, rezonings, or special land use permits. The property is currently going through the annexation process.

Other Issues

According to the Marietta Fire Department all buildings shall be protected throughout with an approved automatic fire sprinkler system as required by Marietta City Code 2-6-140.

PRD-SF is a site-specific zoning, which requires City Council approval of a detailed plan prior to beginning construction. Detailed plans, which include a site plan, tree plan, and building elevations, must be submitted to Council by way of the Judicial Legislative Committee. The plan approved with the rezoning shall become the General Plan.

ANALYSIS & CONCLUSION

The applicant, 20 Holdings, LLC, is requesting to annex and rezone 4.2 acres at 1501 & 1521 Sandtown Road from the existing Cobb County zoning of R-20 to PRD-SF in the City of Marietta to build thirty-three (33) attached single-family townhouses. The subject properties are located at the corner of Sandtown Road and Osborne Road. Surrounding properties are zoned RM-8 and R-20 in the County while property across Sandtown Road to the west is zoned OI in the City. PRD-SF is a site-specific zoning, which requires City Council approval of a detailed plan prior to beginning construction. Detailed plans, which include a site plan, tree plan, and building elevations, must be submitted to Council by way of the Judicial Legislative Committee. If the rezoning is approved, the proposed plan would become the General Plan.

The applicant is proposing to build a townhouse community of thirty-three (33) units on 4.2 acres, yielding a density of 8.61 units per acre. This section of Sandtown Road is a mixture of medium density residential with nearby commercial and industrial businesses. Other residential developments built in the area appear to be of comparable density to this proposal.

Sidewalks will be required on one side of the new private street within the development and along the frontage of Sandtown Road and Osborne Road – sidewalks are not currently shown. The City’s Transportation Division is also requesting a left turn lane from Sandtown Road and has expressed concern over potential sight distance and inadequate right of way. Staff has also requested the applicant to obtain approval from Cobb County regarding any road improvements.

The proposed plans indicate a hammerhead turnaround instead of the required cul-de-sac. However, according to the Marietta Fire Department, the design of the southern hammerhead does not meet radius and road width requirements for sufficient turnaround but could be easily modified. As such, the proposed design would require the following variance:

1. Variance to allow hammerhead configuration in lieu of the required cul-de-sac. [§730.01 (E)]

Cobb County has the FLU of the subject property classified as PI (Public Institutional). As part of the annexation request, the City is suggesting a Future Land Use (FLU) classification of MDR (Medium Density Residential) because of the type of development proposed. The City’s Comprehensive Plan describes MDR as areas that are suitable for medium density housing with densities from five (5) to eight (8) dwelling units per acre.

DATA APPENDIX

COBB COUNTY WATER & WASTEWATER

DRAINAGE AND ENVIRONMENTAL CONCERNS

Does flood plain exist on the property:	No
What percentage of the property is in the flood plain?	N/A
What is the drainage basin for the property?	Olley Creek
Is there potential for the presence of wetlands as determined by the U.S. Environmental Protection Agency?	No
If so, is the use compatible with the possible presence of wetlands?	No
Do stream bank buffers exist on the parcel?	No
Are there other topographical concerns on the parcel?	No
Are there storm water issues related to the application?	No
Potential presence of endangered species in the area?	No
<ul style="list-style-type: none"> • Full site development plans required (Cobb WSA & Cobb DOT approvals required) • Sidewalk required along entire frontage of Sandtown Road • Units 13-31 require sidewalk access • Private gate as shown may not provide adequate stacking distance or pavement for turnaround movement 	

TRANSPORTATION

What is the road affected by the proposed change?	Sandtown Road
What is the classification of the road?	Collector
What is the traffic count for the road?	12,976 (GDOT 2/2019)
Estimated # of trips generated by the proposed development?	Daily 297
Estimated # of pass-by cars entering proposed development?	AM 23
Do sidewalks exist in the area?	PM 31
Transportation improvements in the area?	0
If yes, what are they?	No

- Left turn lane and decel lane are needed.
• Acel/decel lane required per City Code. Transportation is willing to consider waiving the acel lane requirement if the developer agrees to construct a left turn lane into the development along Sandtown Road.
• Decel lane and left turn lane needed to store vehicles for the gated access.
• Sidewalks required along Sandtown Road and Osborne Road frontages.
• Many units are not showing service by sidewalks.
• Verify sufficient PV turning at gate.
• Require donation of right of way along Sandtown Road to 40' from centerline, as shown on submittal.
• Cobb County DOT approval required.

EMERGENCY SERVICES

Table with 2 columns: Question and Answer. Rows include: Nearest city or county fire station from the development? (228 Chestnut Hill (54)), Distance of the nearest station? (1.6 miles), Most likely station for 1st response? (54), Service burdens at the nearest city fire station (under, at, or above capacity)? (n/a)

Comments:

- Gates require a 50' set back from ROW, and minimum 30' width. If automatic KNOX key switch provided keyed to Marietta system.
• 35' turning radius for fire department access roads.
• Provide approved turn-around access for fire department apparatus. Hammerhead turn-around must be 120'.
• All buildings shall be protected throughout with an approved automatic fire sprinkler system as required by Marietta City Code 2-6-140.

MARIETTA POWER - ELECTRICAL

Does Marietta Power serve this site? Yes _____ No _____

If not, can this site be served? Yes _____ No _____

What special conditions would be involved in serving this site?

PRD-SF, site plan specific to the Zoning Site Plan prepared for Applicant by Croy Engineering, LLC, dated November 13, 2019, last revised January 20, 2020, and filed with the Application for Rezoning. A reduced copy of the Zoning Site Plan is attached to this stipulation letter as Exhibit "A" and incorporated herein by reference.

- (2) The Subject Property consists of 4.2 acres, more or less, and shall be developed for a residential community, in the townhome style, containing a maximum of thirty-three (33) residences.
- (3) The proposed townhomes shall be Traditional in style and architecture and shall have exterior facades consisting of brick, stone, stacked stone, cedar shake shingles, board and batten, cementitious siding, and combinations thereof, with complementary accents, in compliance with the City of Marietta's "four-sided architecture" requirement.
- (4) The units shall have two-car garages. No garage areas within the proposed townhome community shall be converted into heated living space for the units. All garages shall be used primarily for the parking of vehicles with only incidental storage that does not interfere with parking for vehicles.
- (5) The proposed townhomes shall have a minimum of 1,650 square feet of heated and cooled area.
- (6) All setbacks for the homes shall be as shown and reflected on the referenced Zoning Site Plan.
- (7) Applicant agrees to the creation of a mandatory homeowners association consistent with upscale communities in the area. The mandatory homeowners association shall be responsible for the upkeep and maintenance of all landscaping and landscaping maintenance of common areas, buffer areas, open space areas, and exterior yard areas around the residences; as well as entrance area; mail kiosk; private street, and the like contained within the proposed residential community.
- (8) Additionally, and in conjunction with the creation of the mandatory homeowners association, there shall be protective covenants for the proposed community. The protective covenants shall be recorded in the Deed Records of Cobb County, Georgia, and shall contain covenants, rules, and regulations applicable to the

MOORE INGRAM JOHNSON & STEELE

Zoning Manager
Department of Planning and Zoning
City of Marietta
Page 3 of 4
March 2, 2020

residential community. The mandatory association shall be responsible for the enforcement of the covenants.

- (9) The entrance signage for the proposed community shall be ground based, monument-style signage, and shall consist of brick, stone, stacked stone, or combinations thereof, with accents consistent with the architecture and style of the residences.
- (10) The proposed townhome community may have private streets, twenty-four (24) feet in width, from back-of-curb to back-of-curb. Construction of the private streets shall comply in all respects as to materials, base, and other requirements with the City of Marietta Code, and shall be maintained by the mandatory homeowners association.
- (11) Applicant shall be allowed to provide for a gated community, at its option, but consistent with City of Marietta requirements.
- (12) All setbacks, landscape, and buffer areas may be penetrated for purposes of fencing, access, utilities, and stormwater management; including, but not limited to, drainage and detention facilities, utilities, and any and all slopes or other required engineering features of the foregoing. Any disturbed area shall be restored with comparable plantings.
- (13) Applicant agrees to the installation of a deceleration lane, which shall be constructed pursuant to City of Marietta Standards and Ordinances.
- (14) All landscaping referenced herein shall be approved by the City Arborist and City Staff as part of the Plan Review and Permitting Process and incorporated into the overall landscape plan for the proposed community.
- (15) As part of its Application for Rezoning, Applicant requests the following contemporaneous variance be granted:
 - (a) Variance to allow hammerhead configuration in lieu of the required cul-de-sac.

We believe the requested zoning, together with the Zoning Site Plan and the stipulations set forth herein, is an appropriate use of the Subject Property while taking into consideration uses of properties in the surrounding area. The proposed residential community shall be a quality development, shall be compatible with surrounding neighborhoods, and shall be an enhancement to the Subject Property and the community as a whole. Thank you for your consideration in this request.

With kindest regards, I remain

Very truly yours,

DEPARTMENT OF THE AIR FORCE
AIR FORCE RESERVE COMMAND

02 March 2020

Rusty Roth
Development Services Director
City of Marietta
205 Lawrence ST
Marietta GA

Dear Mr. Roth

This letter is in reference to Marietta zoning application case **Z2020-10**. I am writing in opposition to the proposed rezoning at 1501-1521 Sandtown Road due to potential land use conflicts. However, if approved, noise-attenuating construction is recommended in order to mitigate residential use with impacts from aircraft noise.

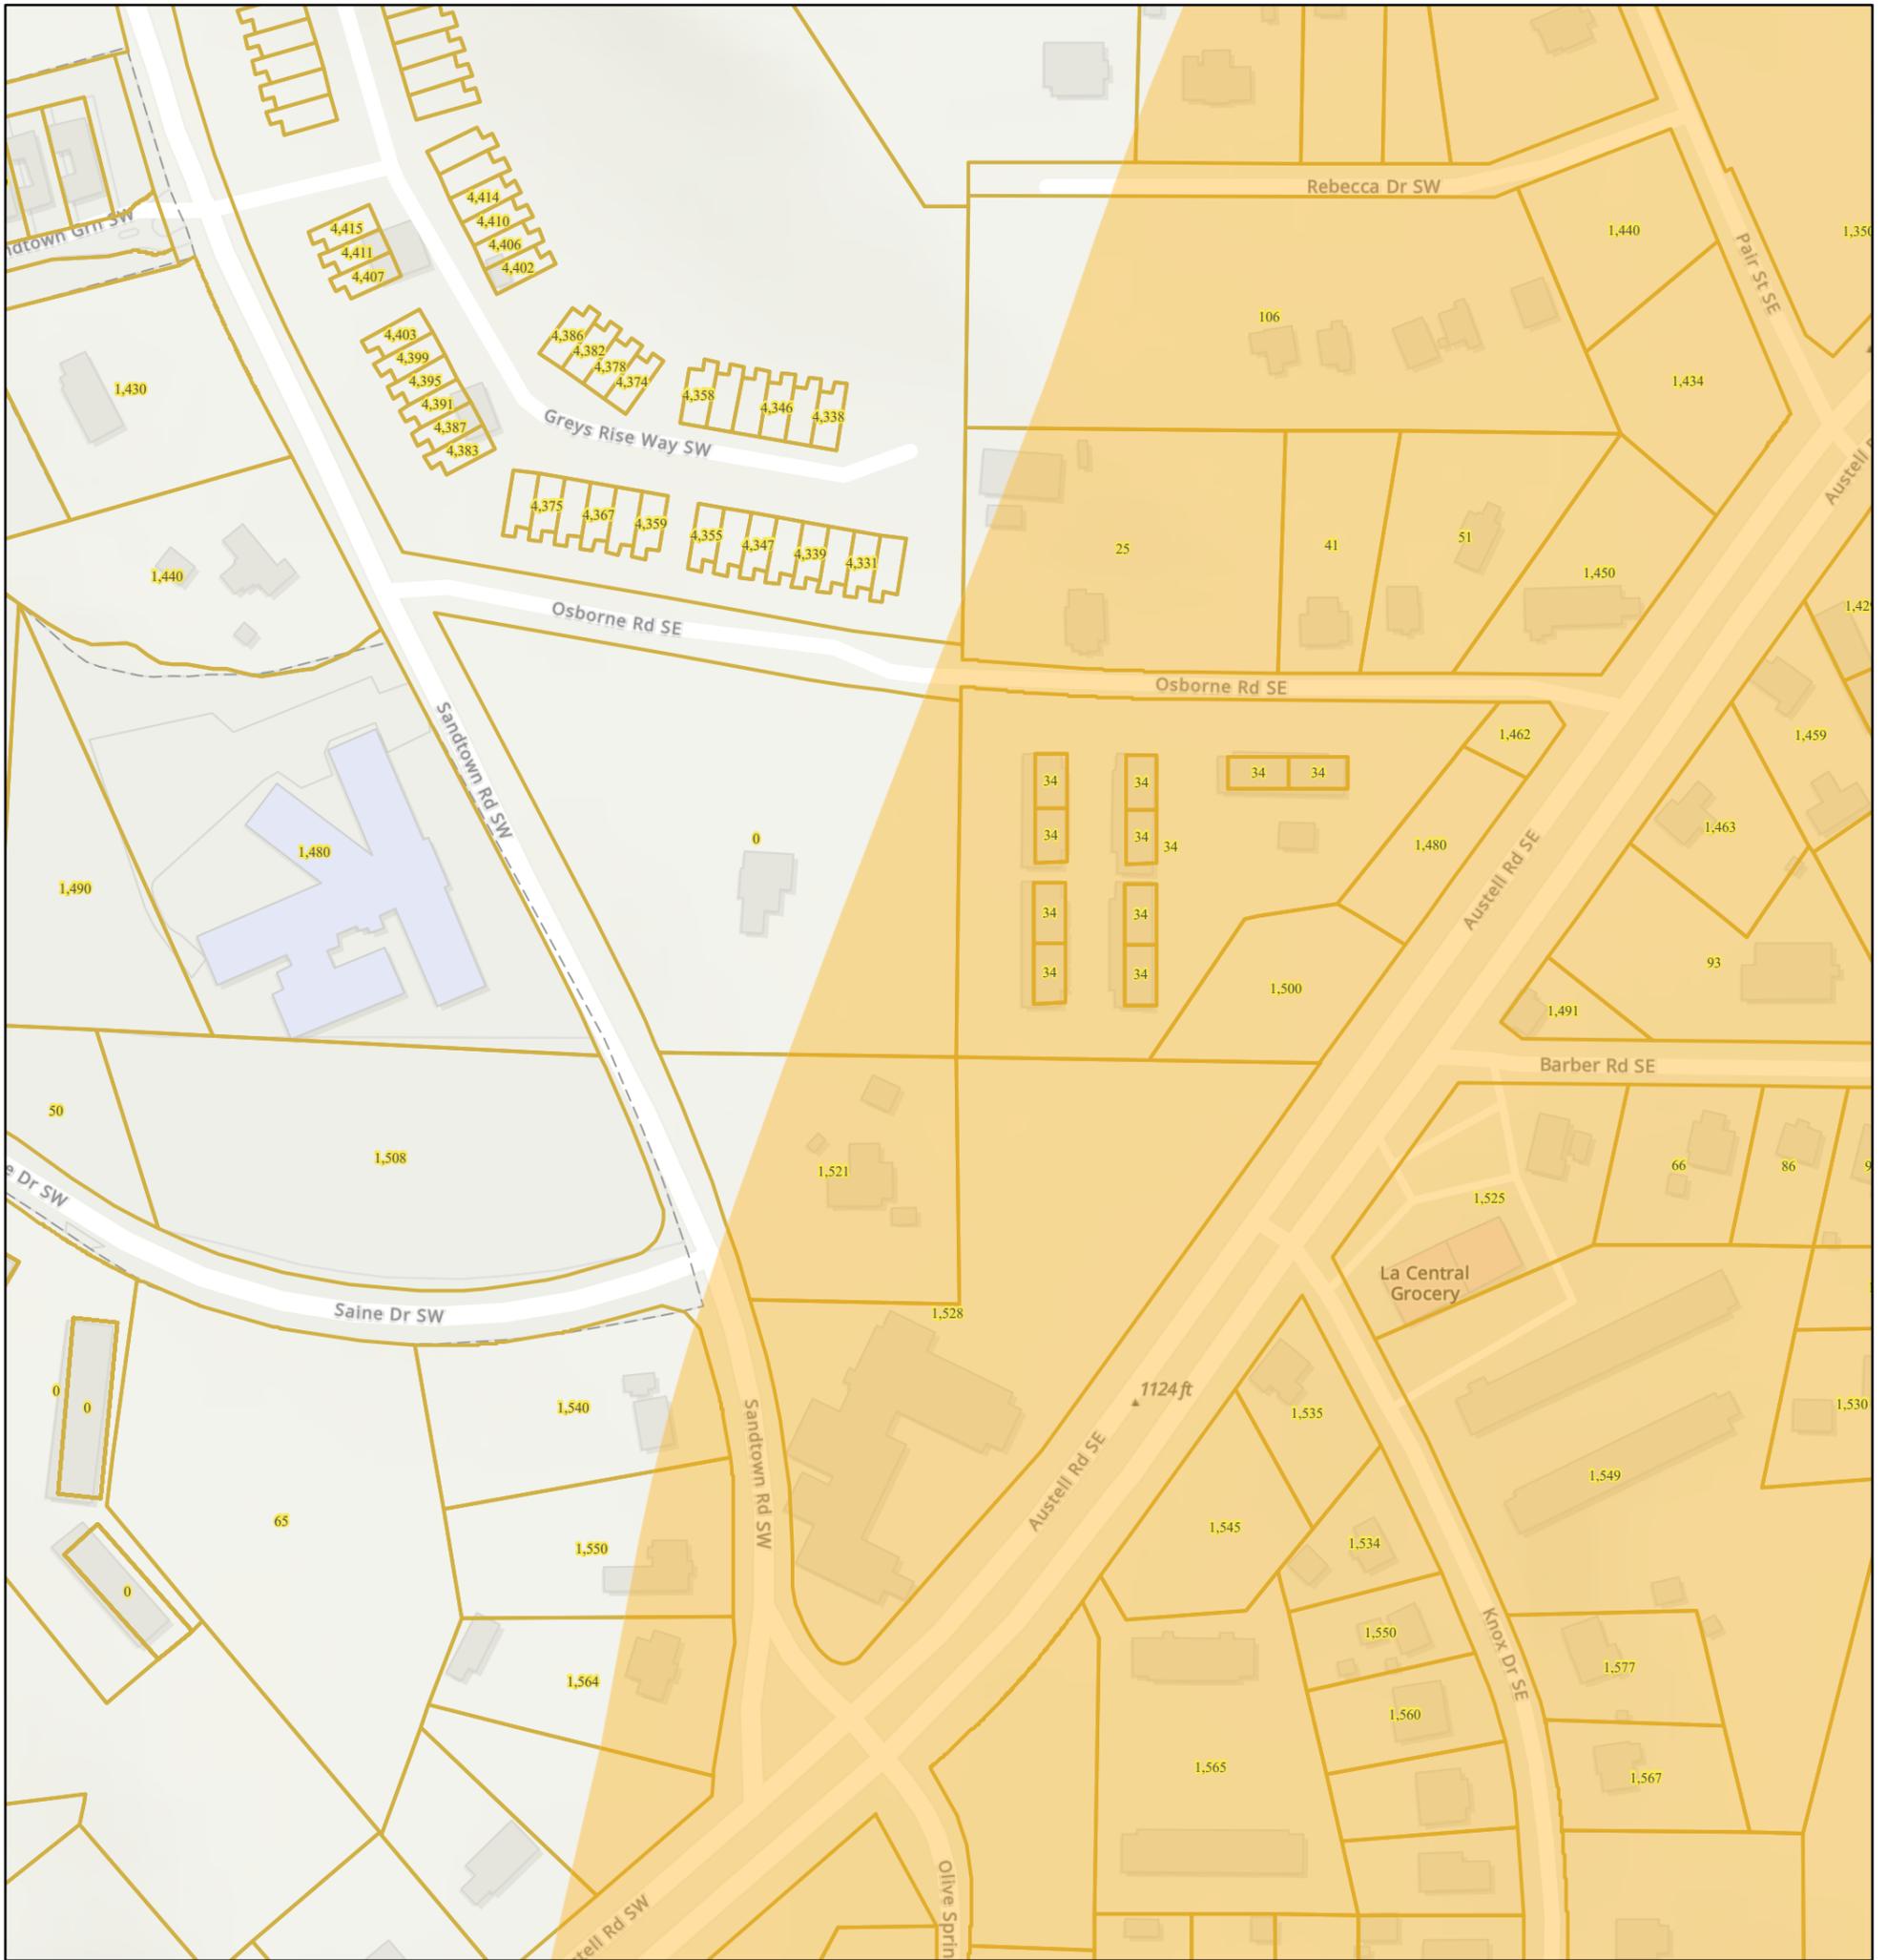

A portion of both the properties at 1501 and 1521 Sandtown Road are within the Cobb County Military Hazard Overlay District (Parcels 17020900810 and 17020800010). Both parcels are partially impacted by the 65-70 dB noise contour, which indicates likely impacts from military airport noise. Military Air Installation Compatible Use Zone (AICUZ) land use guidelines recommend noise attenuating construction to bring the average indoor noise level below 65 dB. The same military land use guidelines are adopted by reference within the City of Marietta zoning ordinance as the AICUZ Air Installation Compatible Use Zone Overlay District. https://library.municode.com/ga/marietta/codes/code_of_ordinances?nodeId=COOR_ZOOR_DI_V712SUUSRE_712.05AIAIINCOUSZOOVDI

Since the city's AICUZ overlay district requires noise abatement within airport "Noise Zones", I hope this will be included as a condition of rezoning to townhomes or multi-family. It may also be helpful to incorporate this criteria into the zoning analysis application and GIS data. I don't see any reference to these districts in the packet or online map viewer.

Sincerely

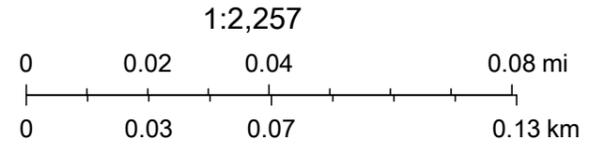

Kenneth W. Williams
Base Civil Engineer

Applicant must submit the following information by 4:00 p.m. on or before the application deadline. Failure to submit any item, or any additional information that might be requested, on or before the deadline will result in the application being held until the next scheduled meeting of the Planning Commission.

- 1. The original application must be submitted with ALL ORIGINAL SIGNATURES - Copies of the application or signature(s) will NOT be accepted. ALL rezoning submittals must include proposed plans, supplementary material, etc. in Adobe Acrobat on computer disk.
2. Legal Description. Legal description must be in a WORD DOCUMENT.
3. Application fee (\$500)
4. Copy of the deed that reflects the current owner(s) of the property.
5. Copy of current tax bill showing payment or a certification from the City of Marietta Tax Office stating that taxes have been paid.
6. Site plan, plat or survey prepared by an architect, engineer (P.E. or Civil Engineer), Landscape Architect or Land Surveyor whose state registration is current and valid, and whose seal shall be affixed to the site plan/plat/survey.
Copies Required: One (1) - (8 1/2" x 11") -or- (11" x 17") drawn to scale. Optional Additional Plat size: (24"x 36"). If providing (24"x 36") then 5 copies REQUIRED.

The following information must be included:

- Specific use or uses proposed for the site
• Acreage, bearing and distances, other dimensions, and location of the tract(s)
• Locations, sizes and setbacks of proposed structures, including the number of stories and total floor area
• Detention/retention areas, and utility easements
• Public or private street(s) - right of way and roadway widths, approximate grades
• Location and size of parking area with proposed ingress and egress
• Specific types and dimensions of protective measures, such as buffers
• Landscaping
• Wetlands, stream buffers, and 100 year floodplain

7. A detailed written description of the proposed development/project must be submitted with the application.

ATTACHMENT TO APPLICATION FOR REZONING

Application No.: _____
Legistar No.: _____
Hearing Dates: **March 3, 2020**
March 11, 2020

Applicant/Property Owner: 20 Holdings, LLC

DESCRIPTION OF PROPOSED DEVELOPMENT/PROJECT

The property which is the subject of the Application for Rezoning by Applicant and Property Owner, 20 Holdings, LLC (hereinafter collectively "Applicant") is an assemblage of two parcels totaling 4.2 acres, more or less, located in Land Lots 208 and 209, 17th District, 2nd Section, City of Marietta, Cobb County, Georgia, as more particularly identified and set forth in the Application for Rezoning (hereinafter collectively the "Property" or the "Subject Property"). The Rezoning Application seeks approval of a request to rezone the Subject Property from the existing R-20 (Cobb County) zoning classification to the PRD-SF zoning classification (City of Marietta). Applicant is seeking rezoning for a townhome community.

Applicant proposes the construction of a maximum of thirty-three (33) townhome units. The residences shall be traditional or Craftsman in style, architecture, and design, with the exteriors consisting of brick, stone, stacked stone, cedar shake, board and batten, and combinations thereof. All residences shall have two car garages. Access to the proposed development will be from Sandtown Road, as shown on the Zoning Plan submitted with the Application for Rezoning.

Applicant will supplement its Application for Rezoning with additional items; including, but not limited to the following, throughout the rezoning process:

- (1) Updated and revised Zoning Site Plan, if necessary;
- (2) Landscape Plan for buffer areas and proposed Open Space areas;
- (3) Elevations, floorplans, and finishes; and
- (4) Details for open space and amenity areas.

A detailed letter of agreeable zoning stipulations and conditions will be submitted on behalf of Applicant prior to the hearings before the Planning Commission and City Council.

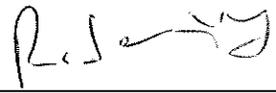

Applicant is very excited with the opportunity of this project within the City of Marietta. The project shall be a quality development and shall be an enhancement to the Subject Property and existing nearby neighborhoods and the community as a whole.

The Honorable Mayor
Members of the City Council
City of Marietta
205 Lawrence Street
Marietta, GA 30060

22020-10
CA 2020-02

Dear Mayor and Council:

This application/letter is a request that the City of Marietta annex into the city the property described below:

Property Owner's Name (please print): 20 Holdings, LLC

Address of property to be Annexed: 1501, 1521 Sandtown Road

Land Lot 02090 District: 17 Parcel: 0810 Number of Acres: 4.2±
02080 0010

Property owner's signature, date of signature and telephone number:

See Attached Exhibit "A" (770) 265-9392
(Property owner's signature) (Date) (Telephone Number)

Property owner's EMAIL: sanjayr@33holdings.com

Property owner's mailing address if different from property being annexed:

1360 Center Drive, Suite 210, Atlanta, GA 30338

Current land use of the property: Vacant/Former Residential
(i.e., commercial, residential, vacant, etc.)

If the current land use of the property is residential, how many people are living on the property:
0

THE FOLLOWING INFORMATION MUST BE SUBMITTED BY THE PROPERTY OWNER BEFORE THE APPLICATION DEADLINE:

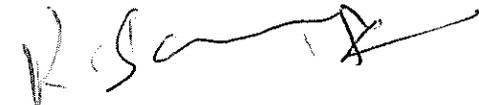

- 1. Legal Description.
2. One (1) copy of survey.
3. One (1) copies of county tax plat.
4. Copy of the Certificate of Occupancy (CO) from Cobb County Building Inspections Department (if applicable). If the property is vacant, no CO is necessary.

TO: Marietta Daily Journal

FROM: City of Marietta

RUN AD DATE: February 14, 2020

**CITY OF MARIETTA
PUBLIC NOTICE OF REZONINGS and CODE AMENDMENTS**

The City of Marietta hereby gives notice that a public hearing will be held on the following by the Planning Commission on **Tuesday, March 3rd, 2020, 6:00 P.M.**, City Hall, for a recommendation to the City Council at their meeting on **Wednesday, March 11th, 2020, 7:00 p.m.**, City Hall, for a final decision to be made.

Z2020-10 [REZONING] 20 HOLDINGS, LLC is requesting the rezoning of 4.2 acres located in Land Lots 208 & 209, District 17, Parcels 0010 & 0810 of the 2nd Section, Cobb County, Georgia, and being known as 1501 & 1521 Sandtown Road from R-20 (Single Family Residential – Cobb County) to PRD-SF (Planned Residential Development – Single Family) in the City. Ward 3A.

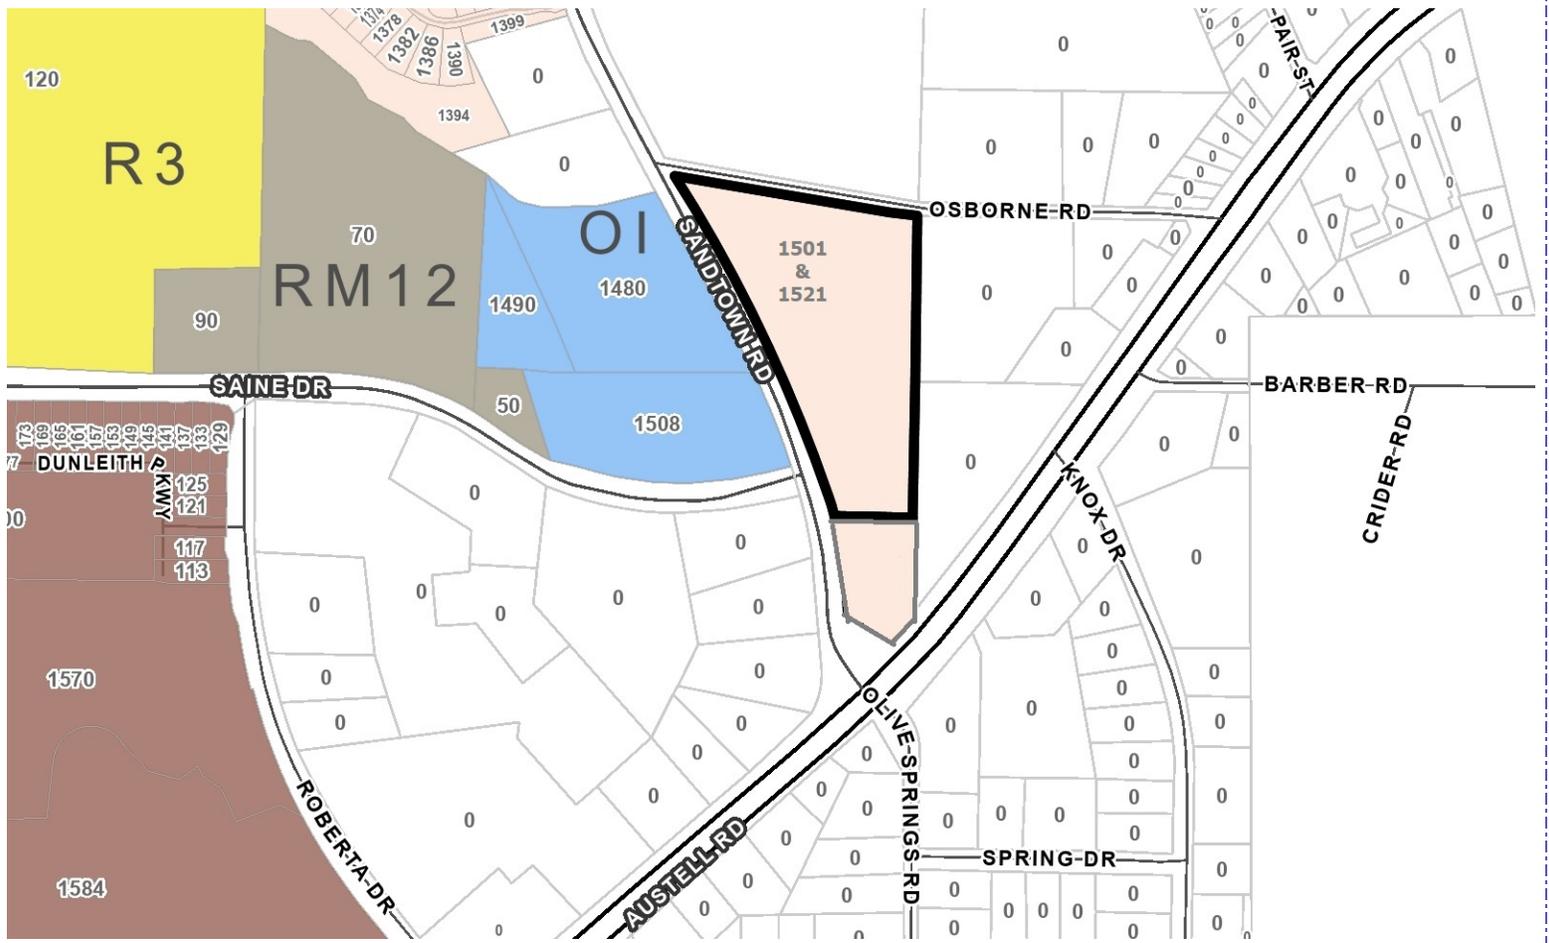

A description and plat of the property sought for the rezoning, special land use permit, and variances are on file in the Planning and Zoning Office, City Hall, and is available for inspection between 8:00 A.M. and 5:00 P.M., Monday through Friday. Anyone wishing to attend may do so and be heard relative thereto. You may also review the property file at www.mariettaga.gov and enter the case # in the search box.

For additional information please call the Planning and Zoning Office (770) 794-5669.

Accessibility to Meetings: If you believe you may need the City/BLW to provide special accommodations in order to attend/or participate in any of the above meetings, please call ADA Coordinator at 770-794-5558 no later than 48 hours before the date of the above meeting.

SURVEYOR'S NOTES

- THIS PROPERTY MAY BE SUBJECT TO EASEMENTS, CLAIMS, PRESCRIPTIONS, SUBSURFACE CONDITIONS, OR OTHER MATTERS OF RECORD WHICH ARE NOT VISIBLE, NOT RECORDED, OR NOT DISCLOSED.
- THE UTILITIES SHOWN ARE FOR THE CLIENT'S CONVENIENCE ONLY - THERE MAY BE OTHER UNDERGROUND UTILITIES NOT SHOWN HEREON. THE SURVEYOR ASSUMES NO RESPONSIBILITY FOR THE UNDERGROUND UTILITIES SHOWN OR NOT SHOWN. ALL DAMAGES MADE TO EXISTING UTILITIES BY THE OWNER OR THE OWNER'S AGENT, SHALL BE THE SOLE RESPONSIBILITY OF THE OWNER, OR THE OWNER'S AGENT; I.E. UNDERGROUND TANKS, GAS LINES, WATER LINES, SEWER LINES, ETC.
- THIS PLAT IS FOR THE EXCLUSIVE USE OF THE PARTIES STATED ON THE FACE OF THE SURVEY. ANY USE BY THIRD PARTIES IS AT THEIR OWN RISK.
- THE INITIAL CONTROL POINTS FOR THIS SURVEY WERE LOCATED UTILIZING GPS. THE EQUIPMENT USED WAS A DUEL FREQUENCY RECEIVER WITH A TRIMBLE TSC3 DATA COLLECTOR RUNNING TRIMBLE ACCESS SOFTWARE. NETWORK RTK CORRECTIONS WERE RECEIVED VIA CELLULAR MODEM. THE TYPE OF SURVEY WAS NETWORK RTK UTILIZING THE TRIMBLE VRS REAL TIME NETWORK OPERATED BY TRIMBLE VRS NOW. THE RELATIVE POSITIONAL ACCURACY, AS CALCULATED ACCORDING TO THE FEDERAL GEOGRAPHIC DATA COMMITTEE PART 3: NATIONAL STANDARD FOR SPATIAL DATA ACCURACY, IS .04 FT. HORIZONTAL AND .07 FT VERTICAL AT THE 95% CONFIDENCE LEVEL.
- FIELD WORK FOR THIS PROJECT WAS COMPLETED ON 07/30/2019. THIS PLAT IS PREPARED FROM A FIELD SURVEY USING A TRIMBLE S7 ROBOTIC TOTAL STATION, AND TRIMBLE TSC3 DATA COLLECTOR. LINEAR PRECISION OF TRAVERSE: 1/91,951; ANGULAR ERROR: 1.83" PER POINT. THE COMPASS RULE TRAVERSE ADJUSTMENT WAS APPLIED TO THIS PROJECT. LINEAR PRECISION OF THIS PLAT: 1/575,597. MATTERS OF TITLE EXCEPTED.
- THE BEARINGS SHOWN ON THIS PLAT WERE BASED ON A GRID NORTH GEORGIA STATE PLANE COORDINATE SYSTEM - WEST ZONE NAD83 AS ESTABLISHED BY CROY-ENGINEERING LLC. DISTANCES AND AREAS SHOWN REFLECT HORIZONTAL GROUND - SURFACE MEASUREMENTS.

SURVEYOR'S CERTIFICATION

(ii) This plat is a retracement of an existing parcel of parcels of land and does not subdivide or create a new parcel or make any changes to any real property boundaries. The recording information of the documents, maps, plats, or other instruments which created the parcel or parcels are stated herein. RECORDATION OF THIS PLAT DOES NOT IMPLY APPROVAL OF ANY LOCAL JURISDICTION, AVAILABILITY OF PERMITS, COMPLIANCE WITH LOCAL REGULATIONS OR REQUIREMENTS, OR SUITABILITY FOR ANY USE OR PURPOSE OF THE LAND. Furthermore, the undersigned land surveyor certifies that this plat complies with the minimum technical standards for property surveys in Georgia as set forth in the rules and regulations of the Georgia Board of Registration for Professional Engineers and Land Surveyors and as set forth in O.C.G.A. Section 15-6-67.

Variance Case #: V2020-09 **Legistar #:** 20200037

City Council Hearing: **Wednesday, March 11th, 2020 – 7:00 p.m.**

Property Owner: **Carlson Construction Services, LLC**
770 Pickens Industrial Drive
Marietta, GA 30062

Agent: **Kevin Moore, Esq.**
Moore, Ingram, Johnson & Steele, LLP
326 Roswell Street
Marietta, GA 30060

Address: **27 North Fairground Street & 546 Washington Avenue**

Land Lots: 1215 & 1234 **District:** 16 **Parcels:** 0600 & 0580

Council Ward: 5A **Existing Zoning:** CRC (Community Retail Commercial)

Special Exception / Special Use / Variance(s) Requested:

1. Variance to eliminate the 10’ planted border along Rock Street. [*§712.08 G.2.a*]
2. Variance to reduce the setback on Rock Street from 40’ to 1’. [*§708.16 H.*]
3. Variance to reduce the southern side setback for the new building from 15’ to 3’. [*§708.16 H*]
4. Variance to reduce the northern side setback for the new building from 15’ to 3’. [*§708.16 H*]
5. Variance to increase the impervious surface from 96% to 98%. [*§708.16 H*]

Statement of Fact

As per section 720.03 of the Comprehensive Development Code of Marietta, the Board of Zoning Appeals may alter or modify the application of any such provision in the Development Code because of unnecessary hardship if doing so shall be in accordance with the general purpose and intent of these regulations, or amendments thereto, and only in the event the board determines that by such alteration or modification unnecessary hardship may be avoided and the public health, safety, morals and general welfare is properly secured and protected. In granting any variance the board of zoning appeals shall designate such conditions in connection therewith as will, in its opinion, secure substantially the objectives of these regulations and may designate conditions to be performed or met by the user or property owner, out of regard for the public health, safety, comfort, convenience, and general welfare of the community, including safeguards for, with respect to light, air, areas of occupancy, density of population and conformity to any master plan guiding the future development of the city. The development costs of the applicant as they pertain to the strict compliance with a regulation may not be the primary reason for granting a variance.

Criteria:

1. Exceptional or extraordinary circumstances or conditions *are/are not* applicable to the development of the site that do not apply generally to sites in the same zoning district.
2. Granting the application *is/is not* necessary for the preservation and enjoyment of a substantial property right of the applicant, and to prevent unreasonable property loss or unnecessary hardship.
3. Granting the application *will/will not* be detrimental or injurious to property or improvements in the vicinity of the development site, or to the public health, safety, or general welfare.

Staff Review:

Carlson Construction Services is requesting variances for properties located at 27 North Fairground Street and 546 Washington Avenue, which were recently acquired from Bellsouth Telecommunications LLC. This location is near the intersection of North Fairground Street and Roswell Street and is located within the Commercial Corridor Design Overlay - Tier A. The subject property and all surrounding properties are zoned CRC (Community Retail Commercial). Adjacent uses include a retail paint store, a veterinary office, a shopping center, and a legally nonconforming residence. The subject property has road frontage along Rock Street, Washington Avenue, and North Fairground Street but only has vehicular access from North Fairground Street.

Bellsouth used this location for offices and parking utility contractor vehicles according to historical aerial images. Carlson Construction Services, an electrical contracting company, has been operating out of a facility at 770 Pickens Industrial Drive, zoned Light Industrial, and presumably wishes to use the property as Bellsouth did. The submitted application indicates the removal of a one-story building and canopy near the center of the 1.371 acre site. A 65'x102' building is proposed to be constructed at the rear of the property, one (1) foot from the Rock Street right of way.

The site plan, as submitted, would require multiple variances for building setbacks, as well as the elimination of the required 10' planted border along Rock Street. The building location appears to be shown without any regard to the existing features on the site, i.e. there is a retaining wall that is between 9' and 15' from the Rock Street right of way. It is unclear whether the applicant's intention is to demolish the wall and push the building as close to Rock Street as possible. In

addition, the demolition of the wall to locate the building very close to Rock Street would also increase the amount of impervious surface on a site that is almost completely paved.

Other issues may arise due to the lack of information provided by the applicant. If construction costs incurred within a one-year period exceed 50% of the existing building's replacement value (\$265,384 according to the Cobb County Tax Assessor), then the entire site must come into compliance with all zoning regulations. This may also trigger requirements from other departments, such as the Fire Department and Public Works Engineering.

As mentioned previously, this property is also located within the Commercial Corridor Design Overlay – Tier A. Exceeding this threshold would require the Overlay standards to be met, or additional variances granted. It should be noted that the applicant has already received a permit (BP19-4066), issued in January 2020, to do interior renovations to the building along North Fairground Street. The construction cost indicated on the building permit is \$125,000. Thus, the applicant is already at 47% of the allowable 50% threshold.

Building elevations have not been provided. However, metal is prohibited as an exterior material on sides of the building facing a roadway. If the site is evaluated under the Commercial Corridor Design Overlay – Tier A, many other architectural features will be required.

The following are additional comments from the reviewing divisions:

Planning & Zoning Comments

- 546 Washington Avenue is currently a separate tax parcel that does not meet the minimum lot size for CRC (20,000 sq. ft.) and will need to be combined with the larger parcel to be functional.

Transportation Comments

- Request donation of right of way 25' from CL on along Washington and 20' from CL on Rock St.
- ROW not shown correctly at SE corner of parcel at Fairground.

Fire Comments

- Proposed new building will need to be protected throughout with an approved automatic sprinkler system. NFPA 13 (2019 edition) with DDCV, remote PIV and FDC.

Public Works Engineering

- Rotating the building 90 degrees would fit inside the existing setbacks. Replacing the 1 story block building with the 6500SF building will require compliance with the storm water management ordinance.

EXHIBIT "B" - ATTACHMENT TO APPLICATION FOR VARIANCE

Application No.: _____
Legistar No.: _____
Hearing Date: **March 11, 2020**

Applicant/Property Owner: Carlson Construction Services, LLC

Listing of Requested Variance(s) and Statement of Hardship:

The property which is the subject of the Application for Variance is located at 27 N. Fairground Street and 546 Washington Avenue (hereinafter collectively "Property" or "Subject Property") and is currently zoned Community Retail Commercial ("CRC"). Applicant desires to remove an existing structure and accessory to the structure and construct a new building, as shown on the Site Plan filed with the Application for Variance. Due to the size, location, and current zoning of the Subject Property, variances are required to ensure Applicant's plans for construction of the proposed building can be accomplished. Therefore, Applicant seeks the following variances:

- (1) Waiver of required side setback (along northerly property line) from required 15 feet to 3.0 feet;
- (2) Waiver of required side setback (along southerly property line) from required 15 feet to 3.4 feet; and
- (3) Waiver of required rear setback (along easterly property line adjacent to Rock Street) from the required 35 feet to 1 foot.

If the Ordinances related to the above requested variances which govern the Subject Property are strictly adhered to, Applicant/Property Owner would be unable to reasonably or economically construct the proposed building on the Property, as zoned.

TO: Marietta Daily Journal

FROM: City of Marietta

RUN AD DATE: February 21st, 2020

**CITY OF MARIETTA
PUBLIC NOTICE OF VARIANCES**

The City of Marietta hereby gives notice that a public hearing will be held to give consideration to the following variance requests at the City Council meeting held on **Wednesday, March 11th, 2020, 7:00 p.m.**, City Hall, for a final decision to be made.

V2020-09 [VARIANCE] CARLSON CONSTRUCTION SERVICES, LLC is requesting variances for property located in Land Lots 1215 & 1234, District 16, Parcels 0600 & 0580, 2nd Section of Cobb County, Marietta, Georgia and being known as 27 North Fairground Street and 546 Washington Avenue. Variance to eliminate the 10' planted border along Rock Street; variance to reduce the front yard building setback on Rock Street from 40' to 1'; variance to reduce the southern side yard building setback for the new building from 15' to 3'; variance to reduce the northern side yard building setback for the new building from 15' to 3'; variance to increase the maximum impervious surface area from 96% to 98%. Ward 5A.

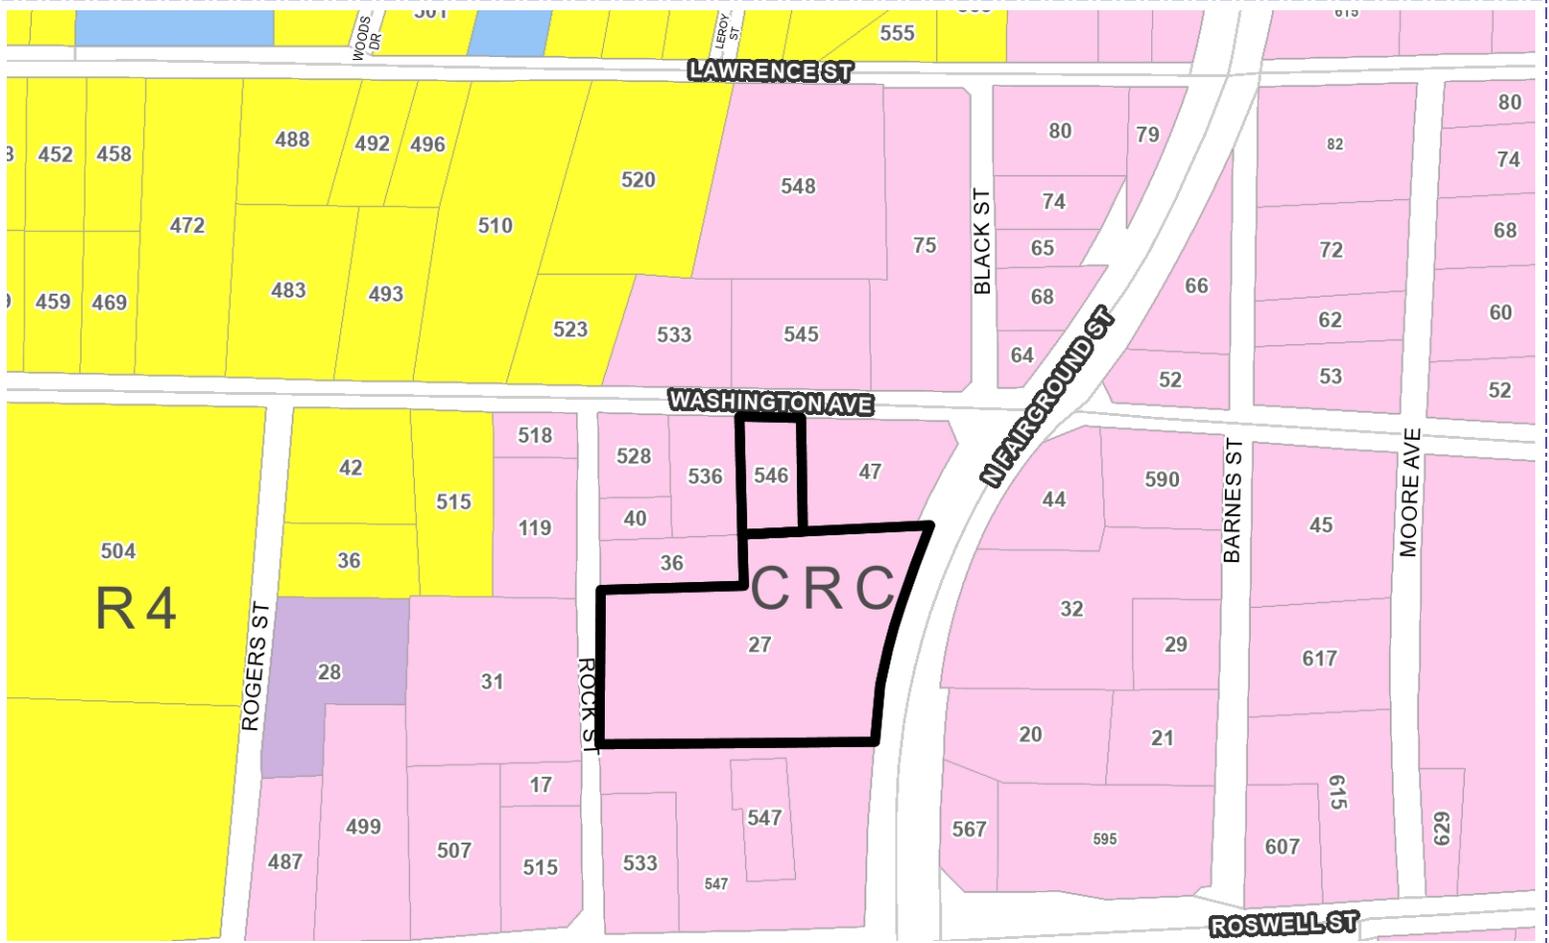

A description and plat of the property sought for the rezoning, special land use permit, and variances are on file in the Planning and Zoning Office, City Hall, and is available for inspection between 8:00 A.M. and 5:00 P.M., Monday through Friday. Anyone wishing to attend may do so and be heard relative thereto. You may also review the property file at www.marietta.gov and enter the case # in the search box.

For additional information please call the Planning and Zoning Office (770) 794-5669.

Accessibility to Meetings: If you believe you may need the City/BLW to provide special accommodations in order to attend/or participate in any of the above meetings, please call the ADA Coordinator at 770-794-5558 no later than 48 hours before the date of the above meeting.

Council Ward: 1A **Existing Zoning:** CRC (Community Retail Commercial)

Special Exception / Special Use / Variance(s) Requested:

1. Variance to waive the Commercial Corridor Overlay District Tier B’s site design mandatory element “75-foot maximum front setback from the building to the property line along any public street”. [§712.09 (G.2.b.i)]
2. Variance to increase the sign face area for a monument sign on a collector road (Sandtown Road) from 50 square feet to 100 square feet. [§714.04 (F.3) Table H]
3. Variance to increase the sign face area for a monument sign on an arterial road (Powder Springs Street) from 90 square feet to 100 square feet. [§714.04 (F.3) Table H]
4. Variance to increase the sign height for a monument sign on a collector road (Sandtown Road) from 10 feet to 15 feet. [§714.04 (F.3) Table H]
5. Variance to allow the digital sign area to exceed 50% of the total sign face. [§714.04 (F.4.c)]
6. Variance to allow digital signs within 200 feet of residential property. [§714.04 (F.4.a)]

Statement of Fact

As per section 720.03 of the Comprehensive Development Code of Marietta, the Board of Zoning Appeals may alter or modify the application of any such provision in the Development Code because of unnecessary hardship if doing so shall be in accordance with the general purpose and intent of these regulations, or amendments thereto, and only in the event the board determines that by such alteration or modification unnecessary hardship may be avoided and the public health, safety, morals and general welfare is properly secured and protected. In granting any variance the board of zoning appeals shall designate such conditions in connection therewith as will, in its opinion, secure substantially the objectives of these regulations and may designate conditions to be performed or met by the user or property owner, out of regard for the public health, safety, comfort, convenience, and general welfare of the community, including safeguards for, with respect to light, air, areas of occupancy, density of population and conformity to any master plan guiding the future development of the city. The development costs of the applicant as they pertain to the strict compliance with a regulation may not be the primary reason for granting a variance.

Criteria:

1. Exceptional or extraordinary circumstances or conditions *are/are not* applicable to the development of the site that do not apply generally to sites in the same zoning district.
2. Granting the application *is/is not* necessary for the preservation and enjoyment of a substantial property right of the applicant, and to prevent unreasonable property loss or unnecessary hardship.
3. Granting the application *will/will not* be detrimental or injurious to property or improvements in the vicinity of the development site, or to the public health, safety, or general welfare.

PICTURES

695 Powder Springs Street

701 Sandtown Road

3-sided curb facing Powder Springs Street, Sandtown Road, & Davis Circle

Frontage along Davis Circle

Staff Review:

The applicant, RaceTrac, represented by Adam J. Rozen, is requesting variances at 695 Powder Springs Street and 701 Sandtown Road. The properties combined total approximately 2.736 acres and are zoned CRC (Community Retail Commercial). The subject properties have frontage along three road frontages: Powder Springs Street, Sandtown Road, and Davis Lane. All other surrounding properties are also zoned CRC, except the properties to the east that are zoned R-20 within Cobb County. The applicant intends to build a RaceTrac gas station and convenience store facing Powder Springs Street.

Maximum Setback

The subject properties are within the Commercial Corridor Overlay District – Tier B, which requires new developments to meet all mandatory elements and a minimum of 50% of the total possible optional elements. Although the site is to be developed similar to other RaceTrac sites in the area and the QuikTrip across Powder Springs Street, the proposed project does not meet the maximum 75-foot building setback required by the Tier B regulations. The purpose of a maximum building setback, instead of a minimum building setback, is to locate the building closer to the road to enhance the visual character of the corridor. The subject property has frontage along three public roads and the building is shown to be more than 75-feet from Powder Springs Street and Sandtown Road. The building is approximately 150 feet from Powder Springs Street and over 200 feet from Sandtown Road. The project is expected to meet all other requirements of the Overlay

District. Therefore, the applicant is requesting to waive the following mandatory element of the overlay:

- *A 75-foot maximum front setback from the building to the property line along any public street. [§712.09 (G.2.b.i)]*

The following are projects that have received variances to waive (or increase) the maximum setback required by the Overlay District:

Case #	Project	Address	Variance
V2009-08	QuikTrip	600 South Marietta Parkway	75' to 131'
V2012-28	QuikTrip	720 Powder Springs Street	Waived
V2013-38	Zaxby's	591 South Marietta Parkway	Waived
V2013-40	QuikTrip	692 & 696 Powder Springs Street	Waived
V2018-38	McDonald's	778 Whitlock Avenue	75' to 83'
V2019-21	Lidl	670 Whitlock Avenue	75' to 125'

Signage

The applicant is proposing to build a new monument sign along the frontages of both Powder Springs Street and Sandtown Road. Although the applicant has not submitted any drawings of the signs, the site plan indicates both signs to be “100 sq. ft. LED, price logo sign, 15' to top of sign.” The allowable height and sign face area for monument signs are determined by the road classification. Sandtown Road, a collector road, allows signs to be a maximum of 10 feet tall with 50 square feet of sign face area. A sign on Powder Springs Street, an arterial road, is limited to 15 feet in height and 90 square feet of sign face area. Thus, the applicant is requesting variances to exceed the allowable height for the sign on Sandtown Road and to exceed the sign face area for both monument signs.

The proposed signs will also contain digital LED gas prices. Digital signs have more regulations than static signs in order to minimize distractions for drivers and protect nearby residents from bright or varying lights. Digital signs are required to be located at least 200 feet from any residentially zoned property. The properties on the east side of Davis Circle are zoned R-20 in Cobb County and appear to be actively used as residences. Based on the locations of the signs on the site plans, the sign on Sandtown Road will be approximately 225 feet from residential property on Davis Circle. The sign on Powder Springs Street will be closer, at approximately 195 feet away, but could potentially be shifted to eliminate the need for the variance.

There is also a size limit for digital signs in that they may not be more than 50% of the total sign face area. For instance, if the applicant is proposing a 100 square foot sign face, then the digital component may not exceed 50 square feet. At this time, RaceTrac has not provided specific details other than to state that the digital area of the signs may exceed 50% of the sign face.

The QuikTrip across the street has received numerous sign variances in addition to having the maximum setback waived. The main freestanding QT sign was granted a variance to increase the allowable height from 15' to 16'4" in April 2014 (V2014-15). Other variances were also granted under V2013-40 to allow the existing billboard and freestanding sign for the Attic Self Storage (now Prime Storage) remain in place after the redevelopment of the site.

In addition to the variances necessary for the new development, it should be noted the Public Works Department is requesting a deceleration lane at the Powder Springs Street entrance due to the traffic volumes along Powder Springs Street and proximity to the signalized intersection. Adding a deceleration lane may require additional right of way donation and the relocation of street frontage improvements. However, GDOT requirements for improvements at Powder Springs Street may supersede the City requirements.

Additional comments from other departments are listed below. However, many of these issues can be addressed during the site development plan review process:

Transportation Comments

- 2-foot grass strip is not shown between the proposed sidewalk and Sandtown Road and Davis Lane; 2-foot grass strip is required and will require some right of way donation to at least 2 feet behind the sidewalk.
- Proposed temporary slope easement at Powder Springs Street at previously acquired eastern parcel (T-Mobile site) to be donated to the City.
- Request donation of ROW and easements for Powder Springs Street project at the remaining parcel.
- Remove non-ADA compliant curb widening for truck trailer tracking at radii. Replace with ADA compliant sidewalk or add ADA compliant sidewalk behind all textured concrete areas if the curb widening is needed. This applies to the entirety of all radii, not just at the location of sidewalk crossing (this comment is due to past complaints and pedestrian usage at other locations). The area appears to be a non-compliant sidewalk, even though it is not technically constructed to be a sidewalk.
- Install 10' trail with 4' grass strip along Powder Springs Street; this will avoid substantial construction coordination issues and impact to the newly opened RT. It is all together likely that RT will be completed before the Powder Springs Street construction project begins.

Fire Comments:

- NFPA 13 (2019 edition) automatic fire sprinkler system required. Site review by State Fire Marshal's Office Haz-Mat review division for underground tanks, prior to submittal to city.

Public Works Engineering Comments

- Show curb closing un-used curb cut on Sandtown Road.
- Sidewalk required along all road frontages.
- Show stream buffers and/or encroachments, which may require buffer variance request

LETTER OF INTENT

VIA HAND-DELIVERY

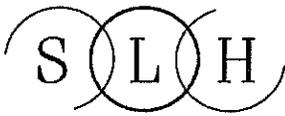

Ms. Shelby Little, AICP
City of Marietta
Department of Development Services
205 Lawrence Street
Marietta, GA 30060

Re: Variance Application of RaceTrac Petroleum regarding a 2.7± Acre Tract located in Land Lot 214, 17th District; parcels 71 & 22, City of Marietta, Cobb County, Georgia.

Dear Shelby:

This firm has been engaged by and represents RaceTrac Petroleum concerning the above-captioned Variance Application. The property at issue consists of two parcels located at the intersection of Powder Springs Road and Sandtown Road for a combined 2.736-acre tract of land. This portion of Powder Springs Street is a commercial area and is zoned for various commercial uses while the subject property is zoned CRC with the proposed use being a permitted use under the CRC zoning district. Near this RaceTrac store is a package store, various restaurants and other commercial and industrially zoned/used properties. This sub-area of the City is experiencing growth and improvement which has resulted in additional residential and retail uses in the immediate area for which this RaceTrac will serve.

Due to safety and customer experience reasons and the general practical need to locate the fuel service canopy between the road and the main building, RaceTrac requests that the maximum front setback be increased from 75 feet to 141 feet (City of Marietta Zoning Ordinance 712.09 "Commercial Corridor Designs Overlay District – Tier B"). With this request, RaceTrac nevertheless meets the spirit and intent of the ordinance in its architecture and site design which provides the function and aesthetics as desired by the Overlay. In doing so, the hardship which results from the inability to develop this uniquely shaped tract (narrowing towards the rear of the site) is avoided and allows the store to fit within the shape and contours and stream bank buffer of the site. These circumstances are not a self-imposed hardship but one which is, in fact, due and owing to the size, shape and topography of the subject property and thus constitutes a true hardship.

January 21, 2020
Page 2

As it relates to the sign request, RaceTrac has built dozens of new stores in the past year and they use a standard sign package for all of their stores. This store will be appropriately positioned at the intersection of Powder Springs and Sandtown Roads, providing a fuel and food outlet for this side of Powder Springs Road; and additionally, will reduce the need for left-turns and “u” turn movements, promoting safer traffic patterns. To most effectively achieve these goals, RaceTrac is also requesting a variance to increase the allowable sign-face from ninety (90) square feet (based on advertising area) to one hundred (100) square feet.

For all the reasons stated herein above and with all of the information and documentation which is before you, we respectfully request that the Variance Application be approved. Of course, during the pendency of the Application, I will be providing you and your staff with any necessary additional information, documentation and stipulations in order to facilitate the approval of this Application. In the interim, please do not hesitate to contact me should you have any questions whatsoever regarding these matters.

Sincerely,

SAMS, LARKIN & HUFF, LLP

TO: Marietta Daily Journal

FROM: City of Marietta

RUN AD DATE: February 21st, 2020

**CITY OF MARIETTA
PUBLIC NOTICE OF VARIANCES**

The City of Marietta hereby gives notice that a public hearing will be held to give consideration to the following variance requests at the City Council meeting held on **Wednesday, March 11th, 2020, 7:00 p.m.**, City Hall, for a final decision to be made.

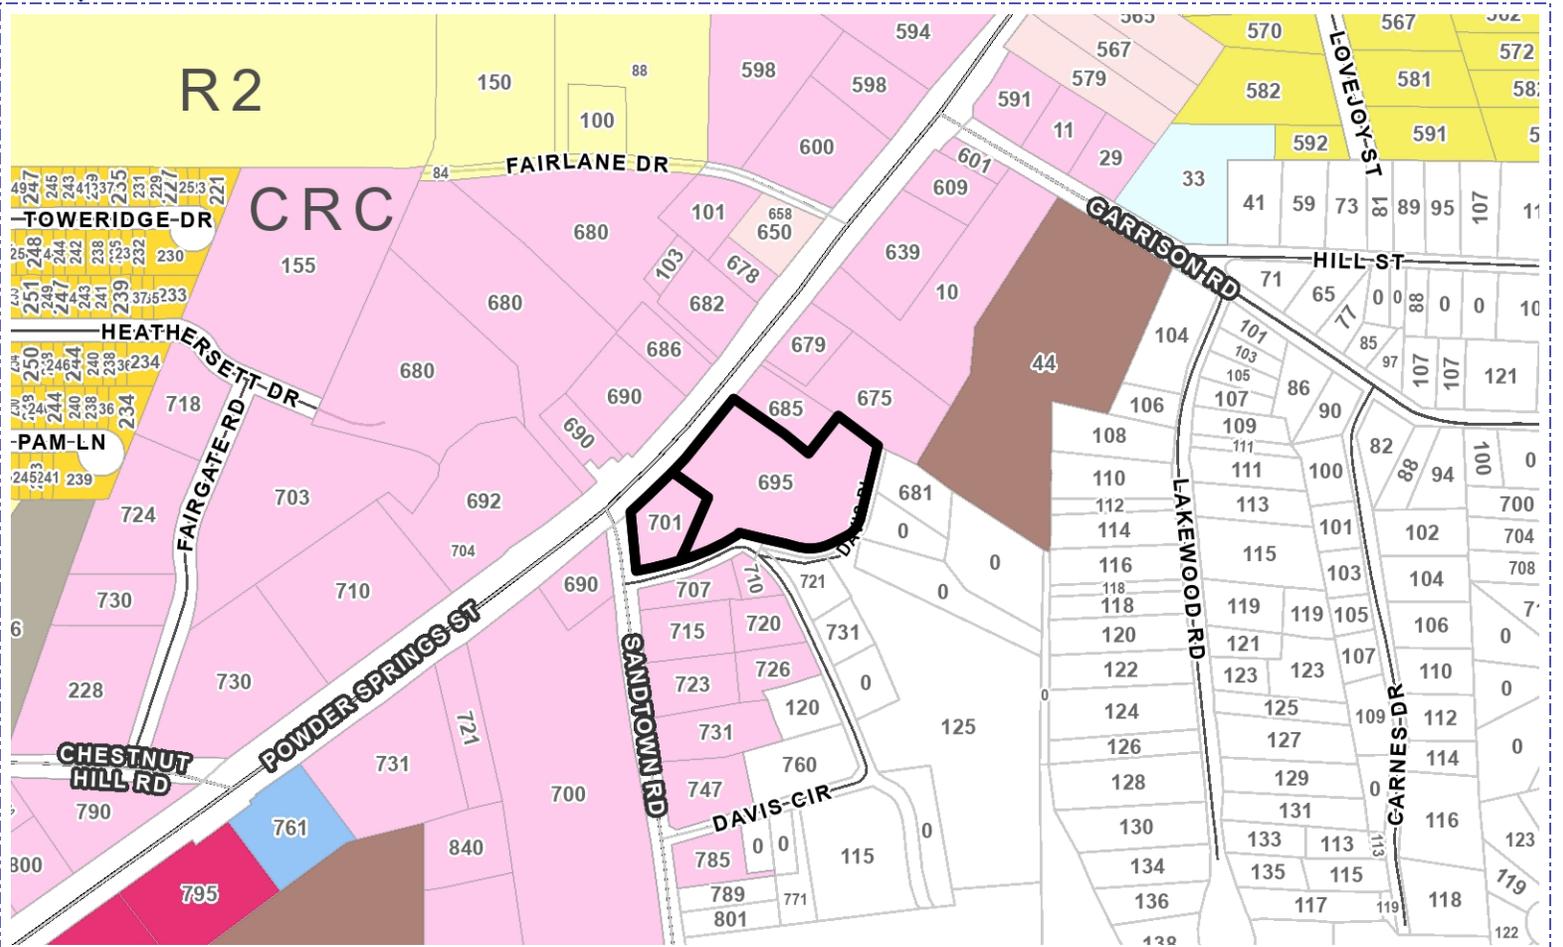

V2020-11 [VARIANCE] RACETRAC PETROLEUM, INC is requesting variances for property located in Land Lot 214, District 17, Parcels 0710 & 0220, 2nd Section of Cobb County, Marietta, Georgia and being known as 695 Powder Springs Street and 701 Sandtown Road. Variance to waive the 75-foot maximum front yard setback from any public street; variance to increase the sign face area for a monument sign on a collector road from 50 sq. ft. to 100 sq. ft.; variance to increase the sign face area for a monument sign on an arterial road from 90 sq. ft. to 100 sq. ft.; variance to increase the sign height for a monument sign on a collector road from 10 feet to 15 feet; variance to allow the digital sign area to exceed 50% of the total sign face; variance to allow digital signs within 200 feet of residential property. Ward 1A.

A description and plat of the property sought for the rezoning, special land use permit, and variances are on file in the Planning and Zoning Office, City Hall, and is available for inspection between 8:00 A.M. and 5:00 P.M., Monday through Friday. Anyone wishing to attend may do so and be heard relative thereto. You may also review the property file at www.marietta.gov and enter the case # in the search box.

For additional information please call the Planning and Zoning Office (770) 794-5669.

Accessibility to Meetings: If you believe you may need the City/BLW to provide special accommodations in order to attend/or participate in any of the above meetings, please call the ADA Coordinator at 770-794-5558 no later than 48 hours before the date of the above meeting.

AN ORDINANCE

REZONING property in the corporate limits of the City of Marietta, Georgia Land Lot 1160, District 16, Parcel 1280 of the 2nd Section, Cobb County, Georgia, and being known as **171 Cole Street**.

WHEREAS, application has been filed by **T.D. PROPERTY RENTALS LLC** for rezoning property in the corporate limits of the City of Marietta, Georgia; and,

WHEREAS, following proper notice, a public hearing was held before this body; and,

NOW, THEREFORE, BE IT HEREBY ORDAINED BY THE MAYOR AND COUNCIL OF THE CITY OF MARIETTA, GEORGIA, THAT:

Section 1: The following property to wit:

All that tract or parcel of land lying and being in Land Lot 1160 of the 16th District, 2nd Section, Cobb County, City of Marietta, Georgia further described as follows:

Beginning at a point on the west side of Cole Street 100 feet north of its intersection with the north side of Lemon Street; thence running west, parallel with the north side of Lemon Street, 142 feet to a point and corner; thence running north, parallel with the west side of Cole Street, 95 feet, more or less, to the center line of branch; running thence easterly and northeasterly, along the center line of branch, 165 feet, more or less to the west side of Cole Street; thence running south, along the west side of Cole Street, 114 feet, more or less, to the point of beginning.

Said tract or parcel of land contains 0.27± acres.

Section 2: The above-described property is hereby rezoned into the corporate limits in the City of Marietta, Georgia from NRC (Neighborhood Retail Commercial) to R-4 (Single Family Residential – 4 units/acre).

Section 3: The following variance is incorporated as a condition of zoning:

1. Variance to reduce the southern side yard setback from 10 feet to 7 feet. [§708.04 (H)]

Section 4: It is hereby declared to be the intention of this Ordinance that its sections, paragraphs, sentences, clauses and phrases are severable, and if any section, paragraph, sentence, clause or phrase of this Ordinance is declared to be unconstitutional or invalid, it shall not affect any of the remaining sections, paragraphs, sentences, clauses or phrases of this Ordinance.

Section 5: All Ordinances or parts of Ordinances in conflict with this Ordinance are hereby repealed.

Section 6: This Ordinance shall become effective upon the signature or without the signature of the Mayor, subject to Georgia laws 1983, page 4119.
