Held

20180879**Sewer Easement Encroachment - 390 Wellons Street**

Consideration of request for variance from Policy No. 5.11.

After the executive session, the following motion was made:

Motion to approve the request for variance from Policy No. 5.11, Sewer Easement Encroachment, at 390 Wellons Street, with the following conditions:

- 1. The owner shall enter into a Hold Harmless Agreement with the Board of Lights and Water as it relates to the sewer encroachment, and*
- 2. The owner shall agree to the donation of a future easement in replacement of the existing sewer line and easement, which would be a location as to not interfere with any existing or proposed structures*

Factors that are noted as part of the motion are as follows:

- 1. That the planned improvements by the owner do not result in a further or greater encroachment into the existing sewer line and easement, and*
- 2. That the existing sewer line is on the Marietta Power and Water list for upgrades, repair and/or replacement within the next two years.*

For the record, the owner agreed to the conditions as stated in the motion.
