Marietta Parks, Recreation & Facilities

OUR GOAL

The goal of the Marietta Parks, Recreation & Facilities Department is to provide safe, enjoyable recreation and leisure opportunities for our diverse population, to preserve and beautify our parks and green areas and promote environmental awareness. Recreation plays an important part in keeping our minds and bodies fit and active. We hope that you will visit one of our parks and participate in a special event, recycling, environmental or recreation program soon!

*When is a community vital?
When it is more than a collection
of people and buildings? A com-
munity is vital when it possesses
that life sustaining, ongoing beat
with people out in parks being*

*active, individuals growing
through leisure experiences, and
people engaging with others.
The healthy heart beat of people
being physically active and citi-
zens being involved and engaged
with one another equals a vital
community.*
