

What is BusinessSAFE?

- Visit by Fire Prevention personnel to help Business Owners prepare for possible emergencies.
- Preloaded, Waterproof 2gb USB drive that is yours to keep after the visit.
- Documents on the Drive include:
 - ◇ Business Emergency Plan
 - ◇ Computer Inventory list (Just in case you had to file an insurance claim.)
 - ◇ Business Continuity of Operations Plan
 - ◇ Impact Analysis (What impact would different scenarios have on your business?)
 - ◇ Important contacts list
 - ◇ Plenty of remaining room to store digital copies of important documents like Deeds, Business Licenses, etc.
- Crowd Manager Information (Required for some Businesses)
- Fire Extinguisher Training (OSHA Requirement) Most departments and private businesses charge for this!
- Emergency Action Plan Assistance
