Conditions and Requirements

- The equipment/appliance must be installed in a permanent single family residence receiving Marietta Power electric service.
- Equipment must be Energy STAR Certified. The appliance must have an ENERGY STAR label. Please include the Energy Guide tag that was attached to your appliance. The Energy Guide should include the ENERGY STAR logo as shown here.

- HVAC Equipment must installed by a qualified contractor in the State of Georgia.
- HVAC Equipment must be sized correctly. (approximately 1 ton per 700 square feet)
- Must be purchased in the State of Georgia. (online purchases not eligible)
- Only 1 item in each category will qualify for rebate. (i.e. If you purchase 2 refrigerators, you only receive a rebate for one; if you purchase 1 refrigerator and 1 dishwasher, you will receive a rebate for both)
- Original receipt and energy guide tag along with this completed application must be submitted within 60 days.
- Customer is responsible for securing contractor(s) for HVAC improvements.
- A representative of Marietta Power and Water will verify installation.
- Energy Star rebates cannot be combined with other Marietta Power and Water rebates.

I hereby certify that the equipment/appliances/improvements listed above haven been installed at the address listed and I will allow a representative of Marietta Power and Water to physically inspect. I certify by my signature below that I will comply with all of the requirements of the rebate program, and further acknowledge that providing any false information may subject me to criminal penalties under O.C.G.A. § 16-10-20 up to and including a fine of \$1000.00 and imprisonment for five years.
