

Backyard Streams and Trees

A WORKSHOP FOR COBB COUNTY HOMEOWNERS

When

Saturday, March 3, 2012
10:00 a.m.

Where

Gritters Library (Cobb County)
880 Shaw Park Road
Marietta, GA 30066

Residents of Cobb County are invited to come and learn about backyard streams and what they can do to help make healthier streamside areas with trees and plantings. Join us and . . .

- See the Cobb Soil and Water Conservation District restoration demo project outside the library at Shaw Park
- Hear from the Forestry Commission and other restoration professionals
- Enjoy fun activities for the kids
- Learn how to plant a tree

Participants will receive a free tree seedling to plant in their own backyard!

Presented by the Cobb County Soil & Water Conservation District • www.cobbswcd.org
