☐ New Construction/Infill
☐ Additions
☐ Material Change in Appearance
☒ Fences, retaining walls, or landscaping

Description of Proposed Project (attach additional sheets if necessary):

One of options - Parking Pad size 10' x 15'

As shown in pictures there is a parking pad (grandfathereed in) that needs some better street appeal.

Instead of mud + crush + run cement the pad + then stamp it to look like old cobblestone as shown in attached pictures.

We would like to pave a concrete driveway on the sidewalk as well

I hereby affirm that the information supplied on this application is correct and if found to be incorrect that any permit issued pursuant to this application may be void.
