Type of Project Proposed:

Demolition

New Construction/Infill

Additions

Material Change in Appearance

Description of Proposed Project (attach additional sheets if necessary):

We are going to replace existing windows with new paintable cellular PVC Sash kits to upgrade the performance but maintain the look of a wood window. We would also like to change from a colonial grid pattern to a craftsman pattern. We would also like to widen the existing kitchen window on the right side of house and change to either a picture window or a double hung. We would like to upgrade metal siding to a woodgrain textured Hardie

I hereby affirm that the information supplied on this application is correct and if found to be incorrect that any permit issued pursuant to this application may be void.
