PRESENTED TO

**City of Marietta
Georgia**

For the Fiscal Year Beginning

July 01, 2023

Christopher P. Morill

Executive Director

The Government Finance Officers Association of the United States and Canada (GFOA) presented a Distinguished Budget Presentation Award to the **City of Marietta, Georgia**, for its annual budget for the fiscal year beginning **July 1, 2023**.

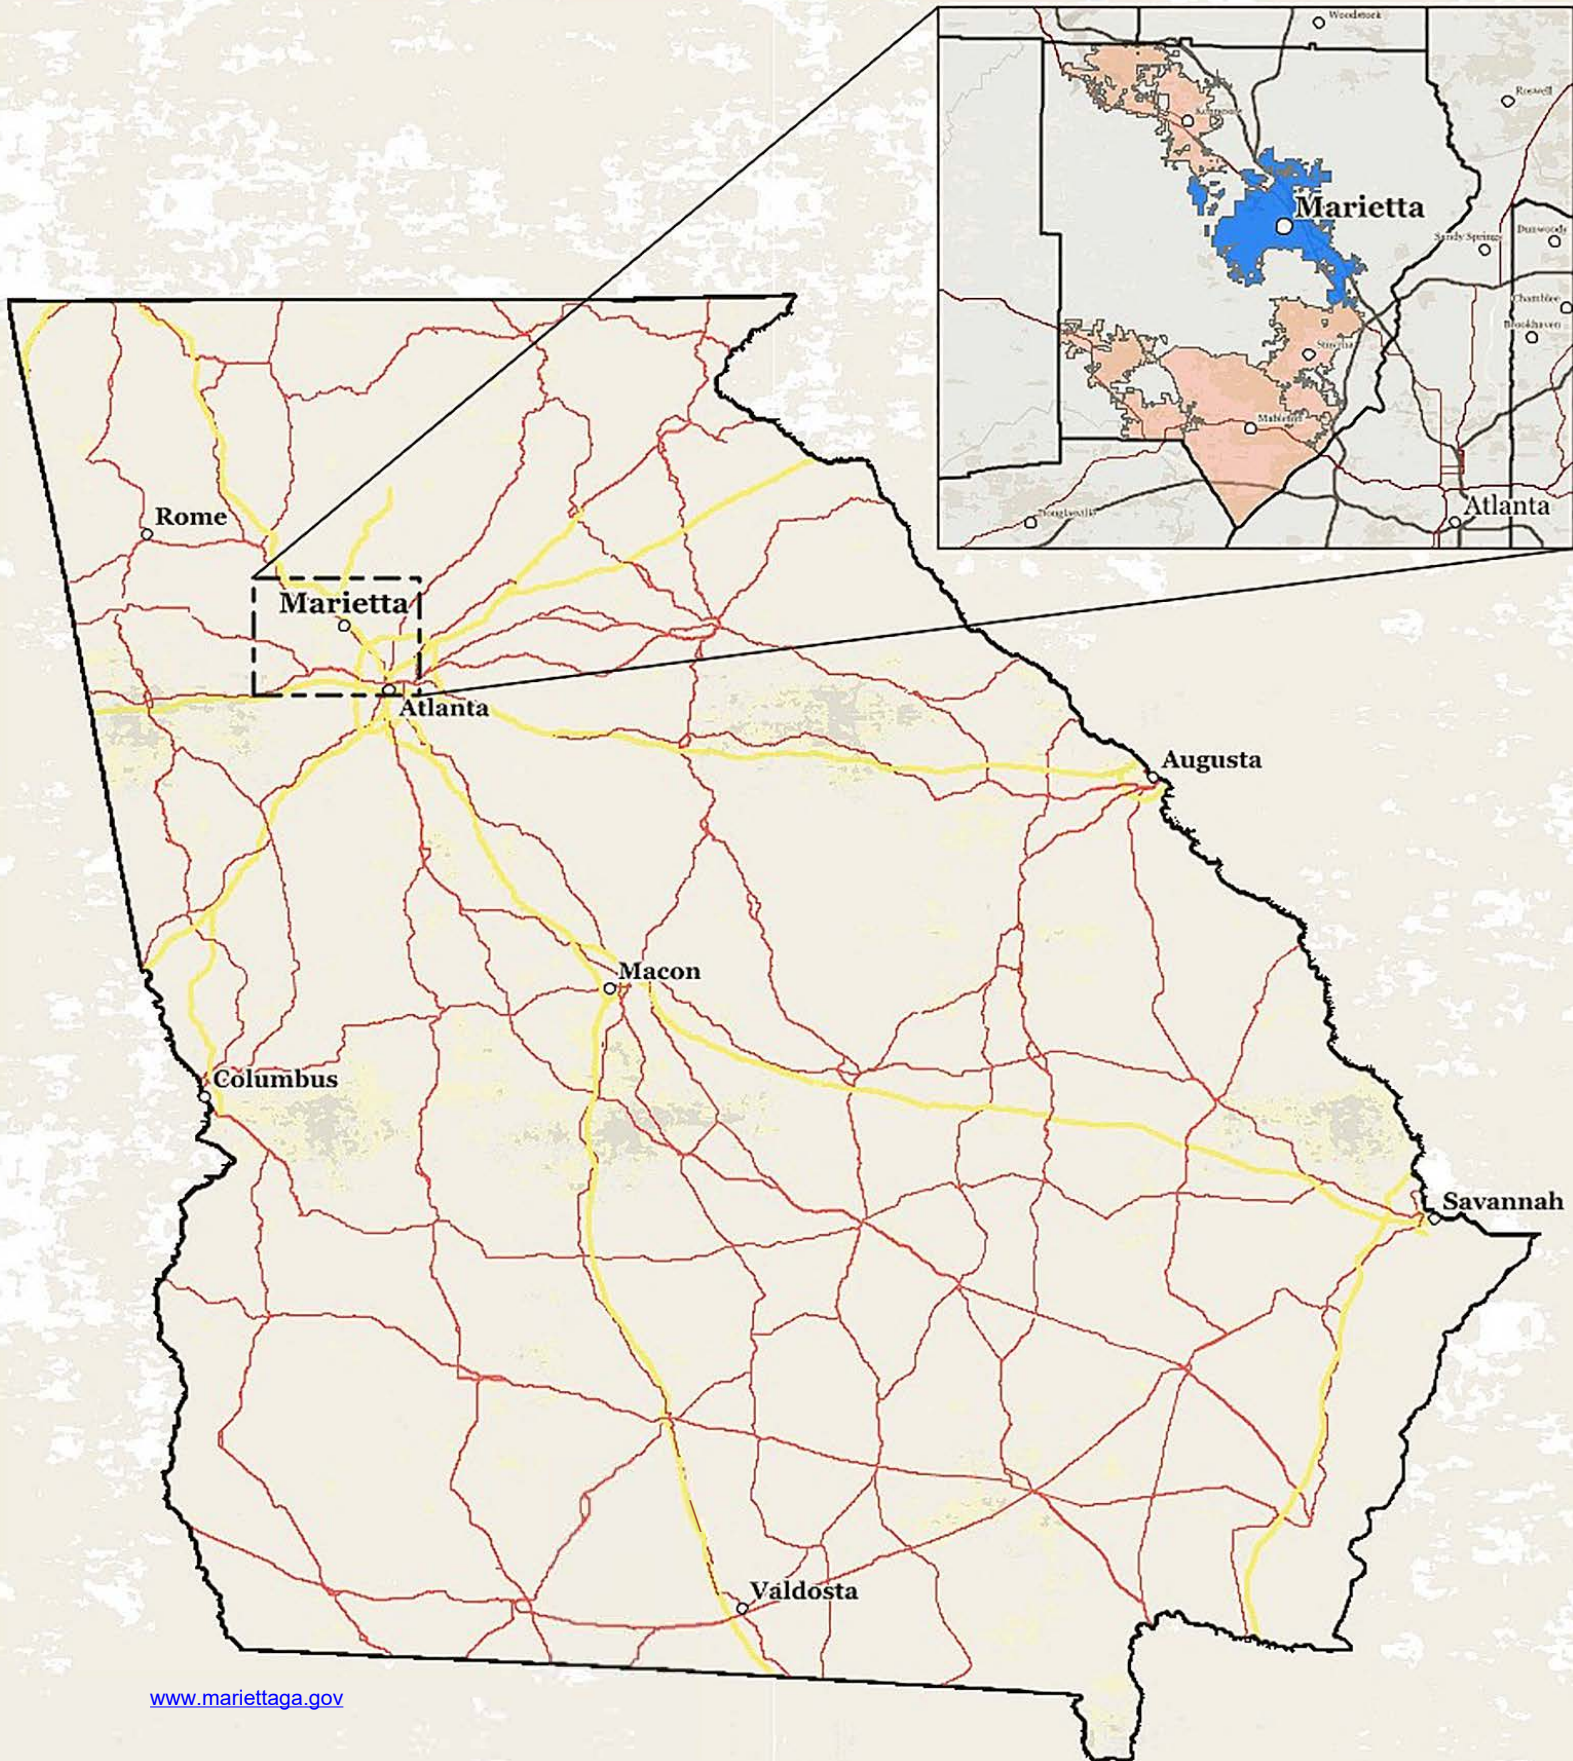

In order to receive this award, a governmental unit must publish a budget document that meets program criteria as a policy document, as a financial plan, as an operations guide, and as a communications device. The award is valid for a period of one year only.

We believe our current budget continues to conform to program requirements, and we are submitting this book to GFOA to determine its eligibility for another award.

HISTORIC DEVELOPMENT

Modern day Marietta and the Cobb County area were part of Cherokee Indian Territory. In the early 1830s, settlers began to migrate from other Georgian cities, taking advantage of a lottery designed to allocate Indian land. Cherokee land was divided into 40-acre gold tracts and 160-acre farm tracts. While seeking to make a fortune as gold prospectors, the earliest settlers established homesteads as the Indian population moved west.

physicians and attorneys. On January 22, 1852, Marietta was incorporated as a city, electing John Heyward Glover as its first Mayor. The first town Marshal Law Enforcement Officer was subsequently appointed, and in 1854 the Marietta Fire Company was established.

In April 1862, the War Between the States came to Marietta in the form of a group of Union undercover agents. After an overnight stay at the Kennesaw House a hotel still standing on Depot Street near the Marietta Square, the agents boarded the W & A Railroad northbound train at the Marietta station. At Big Shanty, now known as the City of Kennesaw, the Union agents took control of the train, leading to The Great Locomotive Chase with the pursuing train "Texas" overtaking the "General" near Ringgold, Georgia. Following the Battles of Kennesaw Mountain, General Sherman arrived in Marietta on July 3, 1864. Marietta remained occupied by Federals until November 1864 when Sherman ordered the evacuation of Marietta, destruction of the railroads, and had the Union Army set fire to the buildings around Marietta Square.

After the devastating ruin endured during the War Between the States, Marietta began to prosper as new businesses were established. These included a barrel factory, knitting mills, paper mills, and marble works. In the 1870s a new jail and courthouse were built, and in 1894 the Marietta Police Department was established to bring law and order to the growing town. The year 1889 saw the advent of streetlights illuminating the town, and by 1898 a local telephone company was serving residents. While private schools held classes in the late 1870s, Marietta's first public school building was completed in 1894.

Marietta Square 1920s

In 1905, an electric railway began operating between Marietta and Atlanta. The Marietta Board of Lights and Water was created in 1906 by the City Council to administer water and electric utilities in Marietta. By 1940, there were 8,600 residents in Marietta.

CITY OF MARIETTA

World War II brought additional changes to Marietta. In 1941 Rickenbacker Field, now Dobbins Air Reserve Base, was built south of town adjoined by the Bell Aircraft plant. During the WWII period, the city more than doubled its residents in three years to almost 18,000. B-29s were produced at the plant, and employment peaked at 28,000. This was a major driver of workforce housing construction in the 1940s. The plant closed in 1945 but reopened in 1951 as Lockheed-Georgia Company and continues to be one of many public employers in the area.

The 1960s and 1970s saw numerous advancements in the City with the emergence of more public, private and post-secondary schools, and businesses. Within this same timeframe, Interstate 75 was completed and it ran through the City of Marietta. In 1980, the population rose to about 31,000 residents. In 1984, Marietta undertook a major renovation of Glover Park in conjunction with a significant financial contribution from developer John Williams. This park is the center of historic Marietta Square, which has become an award-winning destination of choice for enjoyment of festivals, concerts, special events, cultural arts, shopping, dining, and feature film production in an authentic historic setting.

Marietta Square 1950s

During the 1990s, new establishments opened in the City of Marietta including Cobb County's new Central Library; the City Club Marietta, an 18-hole golf course; the Marietta History Center; the Marietta Conference Center and Resort, now known as the Hilton Atlanta/Marietta Hotel and Conference Center; the county's fifth courthouse; and the city's new Public Safety complex for Police and Fire. The 2000s expansions included the new Marietta High School campus; the grand re-opening of the restored Strand Theater; the Brumby Hall & Gardens/Gone With the Wind Museum; several historical attractions and parks; and a sixth Cobb County courthouse.

The City of Marietta is home to 63,086 residents and was rated the 35th best place to live in America in December 2023; and one of the top suburban places to live and raise a family by Businessweek, the Atlanta Journal-Constitution, and Forbes. In 2006, the National Civic League credited Marietta as an All-America City, for being one of the ten best communities in the nation, and in 2020 the league honored Marietta with the All-America Hall of Fame Award for our community engagement efforts. Marietta has even been distinguished as a Visionary City for incorporating the City's rich history into Elizabeth Porter Park. Livability.com identified Marietta as one of the top 50 Smart Cities; and in 2022, GoFundMe recognized Marietta as one of the most generous cities in the United States.

Ongoing investments have been made to improve the quality of life for citizens and visitors by attracting new businesses, redeveloping distressed areas, adding, and upgrading parks and recreation centers, improving traffic, city streets, sidewalks, and bridges, upgrading water, sewer, and electric utilities, supporting businesses and residents alike, and promoting tourism. Special events draw many thousands to the downtown area throughout the year. Marietta continues to be a progressive modern suburban city, while maintaining the southern charm of a friendly historic town. Although Marietta's foundation lies in its historic beginnings, its growth and economic vitality results from its forward thinking, extensive planning, and the dedication of citizens and government. Development in and around Marietta has caused this area to be one of the fastest growing suburbs in the metro Atlanta region. Today, public policies and redevelopment investments are helping to renew older neighborhoods and commercial corridors, ensuring sustained growth through the 21st century.

INTRODUCTION

2025 CITY MANAGER'S MESSAGE

**Honorable Mayor, City Council and Residents
City of Marietta, Georgia**

It is with a deep sense of responsibility and optimism that I present the Fiscal Year 2025 budget for the City of Marietta. This budget is representative of not only our commitment to supporting the lofty standards of service and quality that our residents deserve, but also our dedication to fostering sustainable growth and innovation. The City's conservative approach had enabled us to advance operations with 2003 level tax rates without sacrificing superior services to our citizens, compromising a healthy reserve budget, or lowering our excellent bond ratings.

The approved \$420.9 million budget reflects a prudent and balanced approach to managing our long-term goals. The budget is structured to ensure fiscal stability, invest in critical infrastructure, and enhance the quality of life for all residents. It is imperative that we not only identify and address critical needs but strategically develop future plans to drive our City's progress.

The safety of our community is paramount. To this end, three million dollars of American Rescue Plan Act (ARPA) reserve funds were allocated to the continuation of the construction of our Public Safety Training Facility. The Fire Department completed phase 1 with the unveiling of the Fire Training Tower in FY2024. We will quickly progress to phase 2 as the Police Department prepares to move forward with their training facility at the same location. We also continue to see great success with hiring and retention within both departments because of operational, hiring and salary changes. Currently, Fire and Police are the only two fully staffed departments in our area.

This budget implements creative initiatives and supports established programs that invest in our employees and the City of Marietta community. Inflation and supply chain disruptions continue to provide financial challenges. Conservative methods and future capital investment planning serves to provide funding during tough economic times. Community projects like streetscaping enhancements, a multi-use trail network, and city-wide beautification projects continue to be a central focus as we strive to improve the quality of life for Marietta residents.

The Fiscal Year 2025 budget is not just a financial plan but a reflection of our values and aspirations for the City of Marietta. It represents a commitment to building a stronger, more vibrant community for current and future generations. I am confident that with the support of our Mayor, City Council, dedicated staff, and engaged residents, we will successfully implement these plans and continue to forge ahead with purpose and determination.

Respectfully Submitted,
William F. Bruton Jr.
City Manager

BUDGET IN SUMMARY

BUDGET FORMAT

Government budget documents should provide sufficient, meaningful, and useful information for elected officials and the public. To that end, we have developed a budget document that serves as a:

1. Policy
2. Financial Plan
3. Operations Guide
4. Communications Device

Combined, these elements define what the City of Marietta has done, what it plans to do, and how it will accomplish these objectives. The FY2025 Budget is a plan that links developed organizational goals and objectives with the financial resources necessary to fund them. Monetary allocation and personnel are increasingly important as more demands are placed upon limited resources.

BUDGET GOALS

The FY2025 budget is derived from the following goals incorporated into an overall strategy for maximizing cost efficiency of local government while providing exceptional service. We will:

1. Provide a superior level of financial support and service to the community.
2. Control expenditures so that they do not outpace revenues.
3. Maintain fund balance reserves in accordance with our reserve policy.
4. Invest in our future and partner with the community to encourage economic growth.
5. Offer competitive wages and positive work environments that will attract and retain quality employees.
6. Utilize innovative technology to improve performance and hamper cost increases.

BUDGET IN SUMMARY

FY2025 MAJOR INITIATIVES

Marietta will continue its makeover efforts by focusing on parks, streets and traffic projects, economic development, redevelopment, and creating a friendly, safe, and aesthetically pleasing environment for citizens and visitors. A major portion of the City Council's Mission Statement and Comprehensive Plan revolves around these objectives. With these goals in mind, the following major initiatives are planned in the coming year:

1. Transportation projects will continue with the use of voter-approved 1% Special Purpose Local Option Sales Tax (SPLOST) funds. These projects include intersection and sidewalk improvements, annual road resurfacing, multi-use trail and bridge improvements, and streetscape enhancements. The 2022 SPLOST resulted in higher than anticipated receivables its first year. All SPLOST funding will continue to be carefully appropriated based on approved capital project allocations.
2. Maintaining, expanding, and upgrading the water, sewer, and electric utilities will ensure reliable and high-quality services to our customers and citizens. Several large-scale and multi-year projects like the water tower will continue in FY2025.

REVENUE

The revenue funding level was increased again for the 2025 fiscal year. Grants and year-end surplus will be used to purchase necessary items. No tax increases or fee increases are recommended or approved with this budget. The following section is a brief explanation of the assumptions used and the effect on projected revenue categories.

Property Taxes

*The City millage rate did not change,
while new construction and resold homes continue to increase*

Home values increased an average of 7.5% in 2024 in comparison to the 2023 levy. The Floating Homestead Exemption; implemented in 2001, froze residential property values to the value at the time of purchase. In this scenario, if the property owner maintains continual homestead ownership, the city's value for tax purposes on this property remains the same even though the property value has increased. Once the property is sold; however, the base year is reset, and the current value becomes the benchmark.

As properties resell, more tax revenue is generated based on the new assessed value. These resales are just part of the revenue growth story. New developments have been built in the last

BUDGET IN SUMMARY

few years and more are underway. Marietta is at the beginning of a substantial period of infill and redevelopment, which is in part a result of long-term planning and infrastructure upgrades.

There were no millage rate increases for taxpayers. The millage rate for the maintenance and operation of the City, also known as the General Fund, remains steady at 2.788 mills as it has since 2003.

Licenses and Permits

A mid-year fee increase will take effect this fiscal year as reflected in the forecasted budget uptick. An influx of new business applications along with a focus on compliance is ongoing. We continue to work with economic development efforts to provide growth in this area. General building permit revenue is stagnating as inventories begin to draw level with demand and interest rates have cooled the buying market.

Charges for Services

This category is experiencing a steady incline in the areas of recreational services and park fees. Contractual services and additional service offerings has reinvigorated this area of revenue. Major sources of revenue increases in this area are due to higher than anticipated visitation count at Elizabeth Porter Sprayground, The Franklin Gateway Soccer Field rentals, and contracted activities. These changes are expected to have long-term effects on revenue.

The BLW is committed to providing reliable and high-quality service at the lowest possible ratepayer cost. The approved rate changes of two and a half percent for electric and three percent for water were applied in FY2024 midyear are factored into the current FY2025 budget. No future utility rate increases are forecasted in the budget. Rate changes are evaluated mid- fiscal year based on revenue and assessed annual supplier wholesale cost increases.

Fines and Forfeitures

General traffic fines are expected to climb due to heightened compliance efforts and growth of business reactivities throughout the City. The photo red-light violation program has been instrumental in providing greater safety for motorists, pedestrians, and police officers, which has been the goal of this valuable program. A second red-light camera was put in service over the past two years, and accounts for a portion of the revenue increase in this area. A school bus passing camera program, which identifies drivers who pass a school bus when red lights are flashing, was instituted in 2014. These revenues have risen resulting from the installation of additional safety cameras.

This presentation includes interfund transfers but excludes planned reserve increases.

Personal Services

As we see changes in the marketplace or in-service delivery needs, Marietta carefully plans and adapts its personnel position allocations to address such issues. Some vacant positions have been deleted in favor of new positions that are needed for efficiency of operations. Marietta took a conservative approach when looking at staffing levels for the coming year. The City is committed to preserving jobs. To express appreciation to all employees, Council approved a mid-year increase up to 4% that is incorporated in this fiscal year budget.

The General Fund has a budgeted salary savings of \$2.8 million, which must be made up through current and future vacancies for the next 12 months. Unfilled positions will be reviewed on a case-by-case basis for backfilling; however, priority approvals are given in the Marietta Police Department and

BUDGET IN SUMMARY

Marietta Fire Department where adequate levels must be maintained to provide the highest quality of public safety.

The Board of Lights and Water (BLW) Fund addressed positions to keep up with changing technology and business practices. In this fund, unfilled positions are also reviewed prior to filling. In the current fiscal year, \$3.94 million of salary savings have been identified and earmarked to assist in maximizing funds.

Capital

The General Fund approaches its capital budget conservatively to balance the budget and ensure that our financial outlook remains stable. While there are always capital needs throughout the City, such as the routine replacement of vehicles, the City puts those expenses on hold and addresses them at the end of the fiscal year. This strategy has been in place for many years and is an effective method of allocating funds where they are most needed. Marietta pursues other strategies to stretch capital dollars, such as grant funds, SPLOST funding for public safety vehicles and buildings, and police asset forfeiture funds. At the end of recent fiscal years, the capital contingency budget remained unspent, and we used those funds as well as operating departmental savings to purchase vehicles, capital equipment, and address facility improvement projects.

The BLW capital budget is funded at approximately \$13.12 million. The Electrical department's capital budget totals \$6.54 million, which includes service to new customers and system improvement projects. Water and Sewer system projects make up about \$6 million of the BLW's capital budget. \$2.5 million will be set aside for sewer pipe rehabilitation.

FINANCIAL POLICIES & PROCEDURES

THE BUDGET PROCESS

The Mayor and City Council outline the mission and statement of goals for the coming year. Simultaneously, Economic Development develops the City's long-range Comprehensive Plan and Policies. The Comprehensive Plan undergoes a five-year cyclical review, adjustments were adopted during the 2023 fiscal year and implemented in FY2024. Together, these plans are the foundation and working document for the budget process.

Each January, a budget kickoff meeting is hosted by the City Manager and the Budget Department with City Directors. This meeting outlines the expectations and goals of the City Council and City Manager for the upcoming budget year. Financial forecasts are also presented which help lay the foundation for the coming year. Department Directors receive instructional packets containing the budget calendar and detailed instructions on how to develop departmental budgets.

Armed with this information, Directors are instructed to update their 5-year strategic plans and goals in accordance with City Council's mission and statement of goals. Strategic plans should also consider past and current year accomplishments. The Budget Department and the City Manager review all strategic plans to better assess budget requests for the coming year.

Each department Director is responsible for compiling and submitting budget requests for operating and capital expenditures. The personnel budget involves collaboration between Human Resources and the Budget Department. Service proposals are submitted by the department Director and include requests for new positions, reclassifications, and service initiatives. Once the

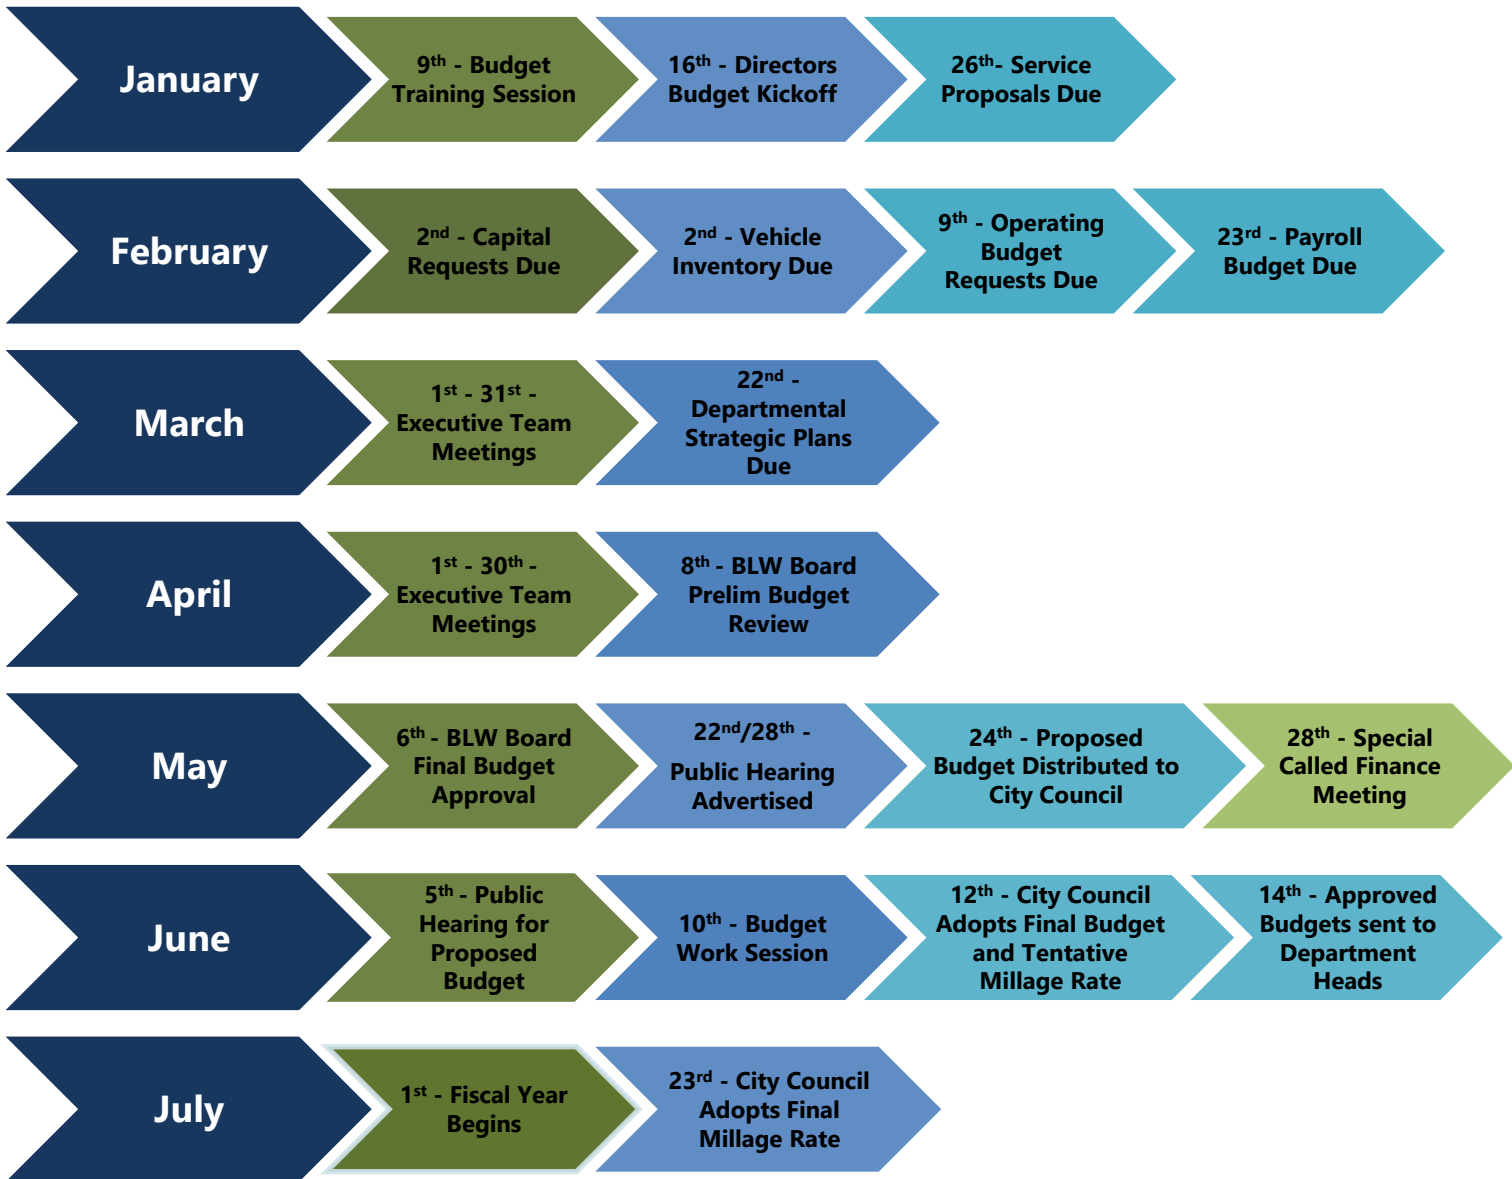

department Directors submit their budget requests, the Budget Department analyzes the operating, capital, and personal service requests to ensure all budgetary elements are balanced to the revenue forecast. Based on this analysis, a draft recommendation is formulated for the City Manager to review.

During the month of May, the Budget Department and the City Manager conduct budget presentations and host work sessions for the City Council and BLW Board. When the City Manager's final recommendation is ready, a Recommended Budget Book is prepared and distributed to the City Council, Administration, and copies are also made available to the public. Budget hosts a public hearing to receive comments and answer questions surrounding the budget. The recommended budget is presented to the Finance Committee at the end of May for final review and recommendation to the City Council as a whole. Concurrently, the final list of personnel changes is presented to the Personnel Committee for their review and recommendation. The budget is then adopted at a City Council meeting in June along with the tentative millage rate.

The final tax digest is received from the county on or near the last day of June. The Budget Department analyzes the digest to ensure sufficient revenue will be generated. A public notice detailing the tax levy for the past five years and a proposed levy for the coming year is published in the local paper. Three public hearings are held during the month to allow for public comments and questions. The final millage rate is then adopted in mid-July.

BASIS OF BUDGETING

The annual budget adopted by the City of Marietta is structured to be consistent with generally accepted accounting principles (GAAP). Budgets for the General Fund, Special Revenue Funds, Debt Service Fund, Capital Projects Funds, and Trust Funds are prepared based on the modified accrual basis of accounting. This means that revenues are recognized when they become both measurable and available; expenditures are generally recognized when incurred and measurable.

The Board of Lights and Water (BLW) Fund, Golf Course Fund, Conference Center Fund, Fleet Maintenance, and Self-Insurance Funds budgets are prepared consistent with the accrual basis of accounting. This means that revenues are recognized when earned and measurable; expenses are recognized when incurred and measurable.

However, differences do appear between budgeting and the basis of accounting used in the Annual Comprehensive Financial Report (ACFR). For instance, in budgeting, issuance of debt is recorded as an "other revenue source" and the payment of debt is budgeted as an expenditure. In the ACFR, the issuance of debt service is recorded as a liability and the payment of debt is recorded as a reduction in the liability. In enterprise funds, capital outlays are budgeted while the ACFR reports depreciation. In the ACFR, fund balance is reserved to cover encumbrances at fiscal year-end. For budgetary purposes, these outstanding encumbrances are treated as budgeted expenditures in the next fiscal year. In budgeting the excess of revenues over expenditures uses the budgetary account "planned reserve increase" to balance the budget and is categorized as an expenditure. A deficit of revenues over expenditures uses the budgetary account "use of reserve" to balance the budget and is categorized as a revenue. In the ACFR, the net change in fund balance is simply shown. Lastly, the budget book details each of the funds as found in the City's chart of accounts. In the ACFR, some special revenue funds are grouped into the General Fund, such as some Grants, Parks and Recreation Fund, Asset Forfeiture Fund and Aurora Fire Museum Fund. Unencumbered appropriations lapse at year-end. For all fund types, the legal level of control for each fund is at the department level.

AMENDING THE BUDGET

After the adoption of the budget, there are times when amending the budget becomes necessary. Examples of these occurrences would be to receive and spend grant funds or a donation; an unplanned expenditure such as a vehicle that is rendered unusable due to an accident; to move funds into the personal services category to cover the cost of a temporary employee while a regular employee is out on medical leave; or to decrease the overall spending level due to a shortfall in revenue.

The request to amend the budget occurs at the department Director level and is communicated with the City Manager. A memo outlining the issue, background and recommendation is put on the agenda for consideration at the monthly Finance Committee meeting. This memo also states the source of revenue (i.e. grant, donation, another department's budget, or excess current year revenue) and the nature of the expenditure. If the Finance Committee approves the item, it is placed on the agenda for the next regularly scheduled Council meeting. A budget amendment ordinance is placed on the agenda as well, which outlines a justification, the revenue and expenditure account numbers to be amended, and the dollar amount. Once the City Council votes to approve the budget amendment, the ordinance is signed and delivered to the Budget Department to process.

The legal level of control is at the departmental level; therefore, all transfers between departments must follow the Budget Amendment process as do transfers involving salary and benefit increases. A transfer into a personal services account from an operating account or from an appropriation of fund reserves, for example, is permitted if it follows this process.

In the case of an overall spending decrease, a memo is considered at the Finance Committee meeting as detailed in the procedure above. Also provided is a list of revenue accounts and expenditure accounts requiring a budget decrease. This list is generated by the Budget Department in conjunction with the department directors and City Manager.

FINANCIAL POLICIES & PROCEDURES

BASIS OF PRESENTATION

Governmental accounting provides for local governments to create smaller, separate entities known as funds. A fund is a fiscal and accounting entity with a self-balancing set of accounts that reflects all assets, liabilities, equity, revenue, and expenditures and is segregated for the purpose of differentiating activities or attaining certain objectives. All the funds used by the City of Marietta are classified into one of three fund types. Governmental-type activities are known as Governmental Funds, business-like activities are known as Proprietary Funds, and fiduciary matters and activities are known as Fiduciary Funds. Below is a breakdown of Marietta's Fund structure.

Governmental Funds

General Fund: This is the principal fund of the City and is used to account for all activities of the City not included in other specified funds. The General Fund accounts for the normal recurring activities of the City (i.e. police, fire, recreation, public works, general government, etc.). The activities are funded by property taxes on individuals and businesses, municipal court fines, user fees, and other sources.

Special Revenue Funds: These funds are used to account for the proceeds of specific revenue sources that are legally restricted to expenditures of a specialized nature. They include Lease Income; Tax Allocation Districts; Cemetery; CDBG; Grants; Asset Forfeiture; American Rescue Plan Act (ARPA); Aurora Fire Museum; Brumby Hall & Gardens/GWTW; Marietta History Center; Hotel/Motel Tax; Auto Rental Excise Tax; and Parks and Tree Funds.

Capital Projects Funds: Capital project funds provide funding for land acquisition, the development of new parks, and streetscape and infrastructure modifications. The City of Marietta has three SPLOSTS, which were enacted in 2011 for five years and 2016/2022 for six years. The 2011, 2016, and 2022 SPLOSTS are funded by 1% County sales tax proceeds, and the SPLOST Grant Fund is supported by funding from governmental sources.

Debt Service Fund: The Debt Service Fund is used to account for the accumulation of resources and the payment of general long-term debt principal, interest, and related costs.

Proprietary Funds

Enterprise Funds: Enterprise funds are used to account for the acquisition, operation, and maintenance of government facilities and services which are predominantly or entirely self-supporting by user charges. The operations of enterprise funds are accounted for in such a manner as to show a profit or loss like comparable private enterprises. The Board of Lights and Water (BLW) is the largest enterprise fund of the City. The BLW Fund accounts for the operations of electric and water distribution, and wastewater collection systems. The Golf Course Fund accounts for the receipts and disbursements of funds from the operation of the City golf course, City Club Marietta. The Conference Center Fund accounts for the operation of the Hilton Atlanta/Marietta Hotel and Conference Center.

Internal Service Funds: These funds are used to account for services performed by a central service department for other departments or agencies of the governmental unit. The Fleet Maintenance Fund provides fuel and repair and maintenance services for vehicles owned by the various City departments and bills the user department for the services rendered. The City covers insurance claims within the Self-insurance fund.

Fiduciary Funds

General Pension Trust Fund: The General Pension Trust Fund accounts for the assets held by the City in a trustee capacity. It accounts for City contributions to the general contributory defined pension plan and benefit payments to eligible participants.

Other Post-Employment Employment Benefits (OPEB): The Board of Lights and Water provides benefits other than pensions that its employees receive as part of his or her package. The trust fund represents the contributions made by the City for future benefits such as retire health care.

FINANCIAL POLICIES & PROCEDURES

FINANCIAL & BUDGETARY POLICIES

The City of Marietta financial policies compiled below, set forth the basic framework for the overall fiscal management of the City. These policies assist Council and City Management in decision-making and provide a guideline for evaluating current and future proposals. The policies reflect the long-standing principles, traditions, and practices of the City of Marietta.

Balanced Budget: The City shall adopt a balanced budget for each of its funds in which operating expenses may not exceed anticipated revenues plus available unreserved fund balance after meeting the fund reserve requirements.

Borrowing for Operating Expenditures: The City shall not use debt or bond financing to fund current expenditures, nor shall it borrow from the short-term lending market to fund operating expenditures.

Budget Amendments:

- ♦ Any amendment that increases the personal services budget shall require approval of City Council through an ordinance.
- ♦ Transfers of appropriations among departments/funds shall require an amendment to the budget through an ordinance.
- ♦ Budget amendments shall recognize additional revenue to fund special projects, balance expenditure needs, or counter revenue shortfalls when the expenditure levels are reduced.

Budget Transfers:

- ♦ Transfers for operating services between divisions of a department shall require a budget transfer request approved by the Department Director, Budget Manager, and City Manager.
- ♦ Overspending in an operating services account line item is permissible only if it does not exceed the total operating services budget allocation for the department/division.

CAPITAL BUDGET POLICIES

Capital Improvement Program: The City shall prepare a five-year capital improvement program for both the City and the BLW, which shall detail each project, its estimated cost, and funding source.

Operating Budget Impacts: The five-year CIP program shall include all the necessary operating expenditures related to the capital outlay.

Maintenance and Replacement: The City shall undertake sufficient maintenance-related capital outlays to safeguard its property and investments.

REVENUE POLICIES

Revenue Structure: The City shall maintain a diverse and stable revenue system to protect against short-term fluctuations in any one source. The City shall seek new revenue sources with an objective of avoiding increases in taxes or utility rates so as not to unnecessarily burden the taxpayer or utility customer.

Revenue Collection: All cash receipts shall be deposited by the following business day.

FIXED ASSET POLICIES

Classification: An item is classified as a fixed asset if it has a value over \$1,000 and a minimum useful life of two or more years.

FINANCIAL POLICIES & PROCEDURES

RESERVE POLICIES

General Fund Reserves: The General Fund Reserves shall be maintained at one-twelfth of the General Fund's current year operating budget plus one-fourth of the property tax collections estimated for the General Fund, Debt Service Fund, and Cemetery Fund.

Utility Reserves: Cash reserves will be determined based on a three-tier approach designed to meet the fiscal demands posed by a range of contingency conditions. Each tier also encompasses the preceding tier(s). Tier 1 or the Reserve Floor is the sum of one month's operating expenses excluding depreciation plus funds needed to pay for current encumbrances. Tier 2 or the Weather Reserve includes a weather contingency factor equal to 3% of the estimated annual electric sales revenue. Tier 3 or the Target Reserve consists of additional funds for emergency capital projects to maintain the integrity of electric, water or sewer infrastructure and shall be set at \$4 million. Additionally, \$525 thousand dollars was set aside as COVID relief fund to assist rate payers experiencing hardships due to the economic effect of the pandemic.

Health Insurance: The City shall reserve 5% of expected claims and review this policy each year to adequately meet situations where expected claims are more than anticipated revenues.

Sinking Fund: Sufficient transfers shall be made during the fiscal year into the Sinking Fund to cover principal and interest payments, such transfers shall be made in advance of when the payments are due.

DEBT POLICIES

Debt Ceiling: The total general obligation debt will not exceed ten percent of the assessed valuation of taxable property.

Debt Issuance: Long-term borrowing will be confined to capital improvements that cannot be financed from current revenues and will not be used to fund current operations.

Bond Term: The City shall issue bonds with terms no longer than the economic useful life of the project.

INVESTMENT POLICIES

Safety of Principal: Each transaction shall avoid capital losses, whether from security defaults or erosion of market value.

Liquidity: The portfolio must be structured to provide sufficient liquidity to pay maturing obligations, without loss of principal.

Return on Investment: The goal of the overall portfolio shall be to exceed the average return on three-month US Treasury Bills by 25 basis points.

Types of Investments: The City shall invest only in instruments approved by its ordinance 93-1003, Section 5.

CITY OF MARIETTA

MISSION AND STATEMENT OF GOALS

MISSION STATEMENT:

The City of Marietta envisions full maturation of its role as a key player in Metropolitan Atlanta. The City's desirable residential settings, its role as a center of local government and cultural activities, and its strong employment base have come together as it stands poised on the brink of new opportunity. With a community-oriented government approach, the City will use the tools of downtown redevelopment, neighborhood reinvestment, innovative service delivery, and strategic planning to create a quality of life that is the envy of our region.

STATEMENT OF GOALS:

- I. **We are a livable city in a great metropolitan area. We are a city of mixed-uses (live, learn, work, play) and diverse urban design that will become known as "the Marietta Look." We have a well-defined, vibrant downtown, and neighborhoods that mix residences, parks and greenspaces, and businesses.**
 1. Design and build "the Marietta Look" that establishes and promotes a city brand.
 2. Provide guidance to help developers understand the look we are trying to achieve.
 3. Continue collaborative relationships with local centers of higher learning, particularly Chattahoochee Technical College, Kennesaw State University – Marietta Campus and Life University.
 4. Have vibrant centers that support retail, offices, entertainment, and residences.
 5. Pursue appropriate signage throughout the city.
 6. Establish aesthetically pleasing roads and gateways.
 7. Continue to develop visuals that display what we want the future appearance of the city to be.
 8. Continue quality zoning and development that will benefit generations to come.
 9. Maintain high quality parks, both active and passive, while continuously adapting to the future needs and wants of the community.
 10. Establish good and continuous tree coverage and canopy.
 11. Ensure the zoning ordinance is updated to reflect best practices in zoning that promote positive economic development and quality growth.
 12. Strive for code compliance in improving the appearance of the city.

CITY OF MARIETTA

MISSION AND STATEMENT OF GOALS

II. We are a dynamic business center that has retail, offices, and environmentally friendly industry in appropriate places. We honor our past, preserve our history, and welcome the future by embracing technology.

1. Encourage a diverse and vibrant local economy that provides meaningful employment for our citizens.
2. Encourage the redevelopment of vacant or underutilized property, while strengthening and complementing viable neighborhoods and commercial areas and allowing a mixture of uses where appropriate.
3. Work with property owners and developers to make sure new development is well-planned and harmonious with existing structures in appearance, including landscapes.
4. Encourage quality architecture and construction in development and redevelopment projects.
5. Work to continue the preservation of historically significant resources.
6. Partner with existing business and industry to encourage the retention and expansion of jobs.
7. Support community partners in developing the city's workforce in a way that meets the needs of existing and potential industry.
8. Attract business and industry that are compatible with and add value to the character and resources of the area.
9. Support road network connectivity in a way that encourages revitalization of areas in need.
10. Embrace new technology and cutting-edge practices to extend the highest level of service to residents and businesses.
11. Develop a business environment that attracts and cultivates a highly-skilled workforce and technology-based industries.
12. Coordinate with Dobbins Air Reserve Base to help support missions and aerospace related jobs, services, and industries.

III. We are a city that cherishes culture and arts, and we are a tourist destination and a sports and entertainment center for the region.

1. Become a significant destination for arts, sports, and entertainment.
2. Gain more public and private support for our local cultural and arts organizations.
3. Make public art part of the community streetscape.
4. Promote tourism.
5. Promote the downtown as a dining and entertainment destination.
6. Encourage programs for local artists.
7. Embrace the arts by incorporating public art in infrastructure, streetscapes, parks, sidewalks, bridges, parking areas and open areas where possible.
8. Promote regional tournaments and youth events at the city's various sports complexes and facilities.
9. Market and leverage local entertainment venues as city attractions.

IV. We offer housing for people of all ages, incomes, and ethnic backgrounds so that generations of families can live within our city. We recognize the importance of home ownership, and our vision is that a majority of our residences will be owner-occupied.

1. Strive for a majority of the city's homes to be owner-occupied.
2. Continue to encourage diverse housing options in the downtown area and encourage quality housing throughout the city.
3. Work with public and private partners to encourage the development of quality, multi-tiered housing at various price points for all members of our community.
4. Continue to educate residents and home buyers to strengthen their ability to buy, retain and maintain their homes.
5. Continue to work with the Marietta Housing Authority and other agencies to redevelop and revitalize the Franklin Gateway, Roswell Street, Allgood Road, Powder Springs Road and Roswell Road/Cobb Parkway corridors as well as other areas of our city.
6. Ensure safe housing for all residents.
7. Continue to encourage the rehabilitation or removal of substandard rental properties throughout the city.

CITY OF MARIETTA

MISSION AND STATEMENT OF GOALS

V. We are a hub of activity where traffic, transit, and pedestrians move about easily and safely. In designing our transportation system, we place a high premium on the quality of life of our citizens.

1. Enhance pedestrian crossings across major intersections.
2. Reconstruct all existing roads greater than two lanes using Complete Street standards. Where not practical, reconstruct all existing roads greater than two lanes as tree-lined streets.
3. Design all new roads greater than two lanes using Complete Street standards where possible.
4. Support the creation of a trolley bus system to operate in and around the city.
5. Support new downtown parking strategies to alleviate parking challenges, the design of which will be integrated with commercial development.
6. Continue to expand and connect the city's trail system in a way that fosters recreation opportunities and transportation alternatives, including linkages to neighboring trails and other points of interest.
7. Implement walkability, bicycle use, sidewalks, electric vehicles and carts, and safe crossings in its street designs, both private and public roads. Said implementation shall be included in public works projects, zoning, commercial usage, and residential usage, both owner-occupied neighborhoods and multifamily neighborhoods.

VI. We are a place where citizens are positively involved in decision-making, through boards, community organizations, and community meetings. We will actively seek partnerships with other governments, businesses, philanthropic institutions, non-profit organizations, and educational institutions in building a high quality of life.

1. Hold community-wide meetings in which citizen input is actively received and considered.
2. Have active citizens' participation in planning processes.
3. Foster and utilize innovative forms of media and technology in order to provide efficiency, safety and transparency to all residents, visitors, businesses and employees.
4. Engage partners and stakeholder groups in efforts to collaborate and achieve common efforts.

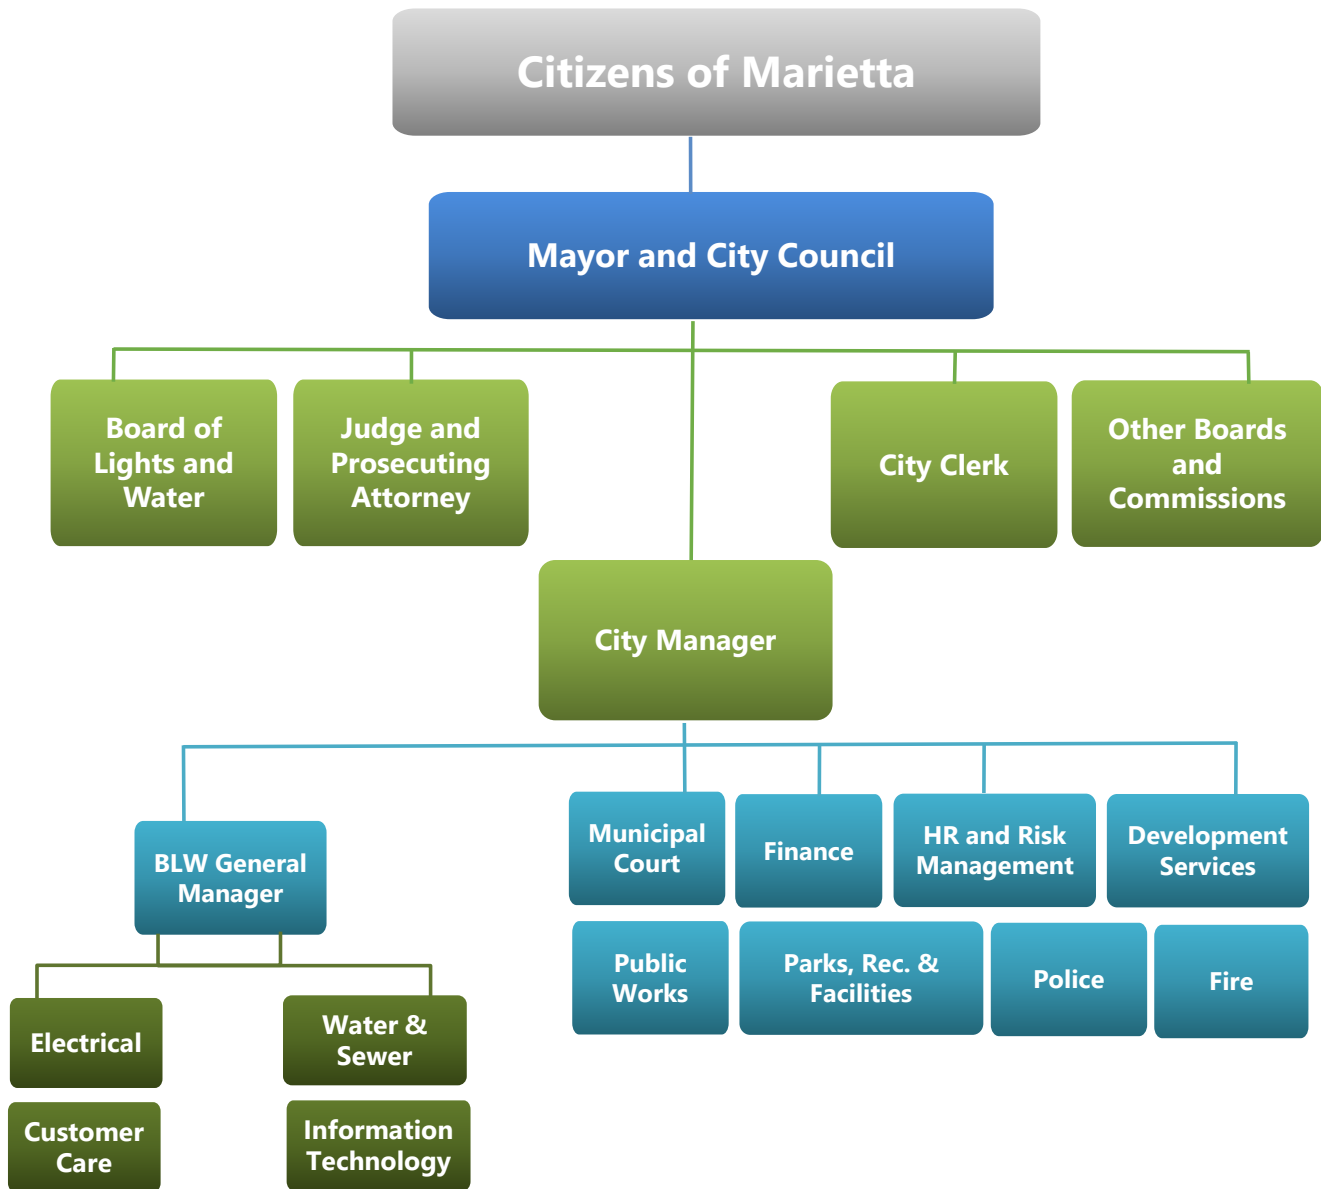

VII. We are a city committed to ethical behavior.

1. Ensure that the Council maintains an effective code of ethical behavior.
2. Maintain a culture and reputation of ethical behavior throughout city departments, boards, commissions and authorities.

VIII. We are a city that provides a high-quality, healthy, and safe environment for our citizens and businesses.

1. Build relationships with all facets of the community to promote safety and sustainable and healthy living.
2. Support the establishment of facilities and programs that enable healthy lifestyles.
3. Continue to provide the highest quality of services to residents, businesses, and visitors.

REVENUE SUMMARY

Marietta's Revenue is derived from eight basic categories, Charges for Services, Taxes, Licenses and Permits, Fines and Forfeits, Intergovernmental Revenue, Other Financing Sources, Bond Proceeds, and Investment Income. These categories span the 36 funds of Marietta city government.

CHARGES FOR SERVICES

This revenue source includes revenue generated for services such as sanitation, electric, water and sewer utilities, golf, museum and recreation fees, fleet maintenance charges to user departments, and city and employee contributions to self-insurance and pension funds.

REVENUE SUMMARY

Property tax collections provide revenue for the General Fund and Cemetery Fund for maintenance and operations, and the Debt Service Fund for the payment of bonds for the public safety complex, parks and redevelopment areas. The City Council adopted the same millage rates for the General and Cemetery levies as last year with the addition of the new millage for the parks, and the redevelopment bond that the voters approved in 2013.

The graph to the right shows the tax dollar distribution for the four levies. The General Fund portion is 2.788 mills, which is expected to generate about \$13.38 million in real estate and personal property taxes. The debt service levies include voter approved bonds for parks, which has a millage rate of 0.525 mills, and redevelopment, which is set at 1.300 mills. These two debt service levies are estimated to bring in about \$8.54 million. The cemetery portion is 0.079 mills which should produce about \$393,177 for cemetery maintenance. This brings the total millage rate to 4.692 mills. All in all, a typical tax bill for property assessed at \$383,056 would be approximately \$718.92. This is exclusive of the School Board's levy. Homeowners may apply for a homestead exemption, which would reduce this amount, if eligible, to \$700.15.

The graph below shows a history of Marietta's millage rate.

Notes:

- 1) The voters approved a Redevelopment Bond in November 2013, which raised the Debt Service millage rate in 2014.
- 2) In January 2016, the Public Safety Bond was paid off, which lowered the Debt Service millage rate.
- 3) Council voted to reduce the millage rate by 0.25 mill in FY2019, FY2020, and FY2021.
- 4) Council voted to reduce the millage rate by 0.125 in FY2022, and 0.175 mill in FY2023.
- 5) Council voted to reduce millage rate by 0.125 in FY2024.

REVENUE SUMMARY

GENERAL FUND

The General Fund differs from the other funds because it has a variety of revenue sources. The graph below shows the sources of revenue along with the percent each contributes to the total amount budgeted of \$76.9 million. There are no tax increases approved for the FY2025 budget. The General Fund revenue budget is expected to increase by 4.3% from last year's adopted budget.

The General Property Taxes category has a distinctive feature. Marietta has a tax law that froze residential real estate property values in 2001 for tax relief purposes. The law states that if any residential properties are assessed higher after the base year of 2001, the amount of the reassessment increase will be granted in the form of an exemption. This exemption is granted to all homeowners receiving the state homestead exemption until the property is sold. Property assessment increases and new developments are expected to produce a 7.5% increase year over year.

Other Taxes:	
Franchise Fees	\$5,928,094
State Insurance Premium	\$5,812,584
Alcoholic Beverage Excise Tax	\$751,550
Miscellaneous	\$507,816

On the personal property tax side, a new law in the Georgia states that vehicles purchased on or after March 1, 2013, and titled in Georgia will be exempt from sales and use tax and the annual ad valorem tax and will not be included in the tax digest. Instead, these vehicles will be subject to a new, one-time title ad valorem tax at the time of purchase that is based on the value of the vehicle. Effective July 2020, the Ad Valorem Tax Law was reformed and thus increased the distribution percentage for municipalities.

Charges for Services consists mostly of fees collected for Sanitation services, and Parks and Recreation programs and services. Miscellaneous fees round out this category. For FY25 recreation programs will see an influx in revenue from contract programs, facility and field rentals, and sprayground visitors. Parks and Sanitation should experience an increase from new residential properties.

The automated red-light enforcement program is working to reduce accidents in targeted intersections in general. As violations and associated revenue decrease, the intersection becomes safer. However, revenues are expected to increase as a result of the installation of a new intersection camera.

Indirect cost recovery from the BLW Fund and other funds of the city, which totals about \$2.78 million of the \$8.45 million in the Other Financing Source category. Tourism taxes from hotel and motel occupancies and auto rentals are considered special revenue funds and transferred to the General Fund for disbursement to other agencies and tourism groups in the downtown area. This source is expected to bring in approximately \$5.1 million.

Intergovernmental and equity revenue is budgeted through use of reserves for FY2025 as the City and Cobb County continue renegotiations of the current service delivery strategy. Contracts are reconsidered every ten years to ensure that services such as public safety and public works, are delivered in the most cost efficient manner, while also minimizing duplication of services and taxpayer cost.

REVENUE SUMMARY

BOARD OF LIGHTS AND WATER FUND

The operation of the electric, water and sewer utilities is projected to produce 95.3% of the revenue for the Board of Lights and Water (BLW) Fund. The remaining 4.7% of its income is derived from investment earnings, miscellaneous sources, reserves, and indirect cost recovery of \$3.42 million from the General Fund and other funds.

Charges for Services is the largest category of revenue, which is budgeted at about \$156.8 million for FY2025. Electric, water and sewer sales are projected to contribute 72%, 14%, and 14%, respectively, to this category of revenue. Utility revenue distribution remains rather constant from year to year. There is a 2.6% increase in the overall budget for utility revenue compared to last year.

In the coming year, the BLW's utility sales will be partially determined by the prevailing weather conditions. Summertime heat, rain, or drought conditions are two of the biggest factors that impact the utility enterprise fund annually.

No anticipated rate increases are factored into the current budget; however, Council and the Board of Lights & Water will review the matter and make a determination mid-year.

OTHER FUNDS

Tourism funds from Hotel/Motel Tax and Auto Rental Excise Tax are received and accounted for in special revenue funds instead of the General Fund. Hotel/Motel collections are transferred to the General Fund monthly and distributed to required agencies, such as the Welcome Center for the promotion of local tourism, Cobb Galleria Convention Center, and the Marietta Conference Center. Auto Rental Excise Taxes are also transferred to the General Fund monthly, where they are granted to local non-profits, museums, theatres, and historic societies to assist in bringing tourism to the historic downtown Marietta area. Total tourism funds are estimated to generate approximately \$5.12 million in FY2025, and \$1.34 million was approved and awarded to support tourism.

The 2011 and 2016 Special Purpose Local Option Sales Tax (SPLOST) collected 1% sales tax for road projects and capital projects. The SPLOST collections expired at the end of 2015 and 2021, respectively. All 2016 SPLOST reserves have been utilized and the fund subsequently closed. The remainder of the 2011 SPLOST funds will be utilized and the fund is scheduled to be retired in 2025. The 2022 SPLOST was approved by voters and began in January 2022. \$17.64 million is budgeted for transportation, building, and capital projects for FY2025.

Recently relocated to the historic 1851 Brumby Hall, the Brumby Hall & Gardens/GWTW continues to be a popular tourist attraction. This fund accounts for admission revenue, gift shop sales, funds generated by special events, and it is partially supported by grants that flow through the Welcome Center with funds derived from tourism revenue.

The Marietta History Center is expanding operations highlighting Marietta's history and culture. The museum receives operating revenue primarily from grants, events, and admissions.

The Conference Center Fund receives its revenue from rental income received from the hotel's management company as well as Hotel/Motel taxes collected by the city for the operation of a conference center.

REVENUE SUMMARY

DEBT SERVICE FUND

The Debt Service Fund receives its revenue from two basic sources: a property tax levy for two city general obligation bonds (Parks Bond and Redevelopment Bond) and a reimbursement from the School Board for the School Bond payment. The School Board collects a 1% SPLOST as approved by the voters in order to cover the debt service for the school bond. The Redevelopment Bond maintains a millage of 1.300 mills for FY25.

GOLF COURSE FUND

The Golf Course Fund receives its revenue mainly through user fees from rounds, the driving range, and food & beverage services. Revenue percentages from the main categories is consistent from year to year.

Weather is a factor in golf course operations, and we have seen where this can make a considerable difference when comparing the number of rounds sold from year to year. The course is well maintained and attracts golfers and tournaments throughout the year. Golf course renovations has also assisted with drawing new users.

INTERNAL SERVICE FUNDS

The Internal Service Fund receives its financing from the General Fund, BLW, Cemetery, and CDBG Funds. The revenue for these funds is based on the amount needed to cover their projected expenses.

The Fleet Maintenance Fund recovers the cost of contracted commercial repairs, internal repairs and maintenance, labor, parts, supplies, and fuel from user departments, with a total fund budget of \$4.96 million.

Marietta is largely a self-insured entity. Health insurance plan and benefit changes are made each year in order to slow the growing trend of higher claims costs. \$1 million of reserve funds are budgeted this fiscal year to offset the cost of employee contributions. Workers' compensation, property, casualty, and general liability insurance are also captured in this Fund.

TRUST FUNDS

The revenue in the Pension Fund is derived from charges to all funds for all eligible employees at a rate of 14% of salaries. The employees contribute 4% of salaries to the pension fund as well. Investment earnings play a substantial role in the fund's overall health. An analysis by an outside firm is performed each year to evaluate the rate of contribution into the fund in order to ensure strength now and in the future. The Other Post-Employment Benefits (OPEB) Trust Fund was established in FY2008. The Board of Lights and Water (BLW) Trust Fund was established in FY2011, in which, the BLW makes contributions to set aside funds for future years.

In conclusion and as highlighted herein, the overall revenue picture for FY2025 is sound. No tax increases nor fee increases are implemented with the passage of this budget. Despite concerns for the national and local economies in the past, Marietta remains stable. Marietta is deliberate in maximizing its financial and personnel resources and has a fiscally conservative philosophy that has sustained the city during hard economic times.

EXPENDITURE SUMMARY

Marietta's Expenditure Budget is thoughtful, conservative and provides services that meet or exceed last year's levels. The total budget for FY2025 is \$359.9 million for all City funds, excluding planned reserve increases and interfund transfers. As in recent years, the FY2025 budget addresses economic development services across several funds, which is an area of focus for Marietta's future. Other highlights for each fund are detailed as follows:

GENERAL FUND

The \$76.9 million General Fund Budget is 4.3% higher than last year's adopted budget. The Personal Services category of expenditures is budgeted at \$51.48 million and accounts for 67% of the General Fund budget. Total salaries and benefits continue to be budgeted below the 100% mark, as we rely on natural attrition in personnel to make up salary savings throughout the year. In FY2025 the salary savings is budgeted at \$1.5 million. This allows us to plan our spending more efficiently and put some otherwise unused dollars toward programs and services.

The Operating budget is about \$23.92 million, which is 31.1% of the budget. This includes the funding needed for departments to provide services and programs. A concerted effort by the administration to limit spending plays a big part in controlling the budget.

To balance the budget without any increases in taxes or fees, we continue to use the contingency capital budget strategy. The General Fund capital contingency budget for FY2025 has a \$289,115 year over year decrease budgeted. This capital contingency allocation allows us to provide the normal replacement rotation of cars, trucks, mowers, and equipment. Capital purchases are made at the end of the year rather than in the beginning of the year, eliminating potential overspend by assigning excess revenue over expenditures.

OTHER FUNDS

The Golf Course Fund is budgeted at \$2.8 million, a 16.5% increase compared to last year. The City contracts with a management company to run the golf course with oversight coming mainly from the Parks, Recreation and Facilities Department. The expenses in this fund typically include golf course maintenance and operation, golf cart rental, club house maintenance, food and beverages, and management fees. Golf capital expenses are budgeted at \$447,000 for FY2025.

EXPENDITURE SUMMARY

In the Capital Projects funds, approximately \$0.95 million are budgeted for Redevelopment projects, and \$17.6 million is dedicated to the 2022 SPLOST. The 2022 SPLOST is largely for road and transportation projects, for which \$5.6 million is budgeted. \$1.5 million is scheduled for joint projects with Cobb County, which include the Kennesaw Avenue Streetscape, Bellemeade Bridge project, and the development of a skate park. Another \$209 thousand of the 2022 SPLOST is reserved for public safety vehicles and building construction. All other portions of the 2022 SPLOST are for expenditures related to personnel, operating, other capital outlays.

The Debt Service Fund provides for the principal and interest payments on the city's existing general obligation bonds, which can be found in the Aggregate Debt Service schedule on the following pages.

BOARD OF LIGHTS AND WATER FUND

The expense budget of the Board of Lights and Water (BLW) is \$164.5 million. This is 2.6% increase over last year's approved budget. The largest category of expenditures, Cost of Goods Sold, increased by 7% over last year's adopted budget. This is due to the reduction in demand for energy from local energy providers initiated by market pricing and the onboarding of Vogtle 3 and Vogtle 4 in 2024.

The salary and benefits budget include the normal day-to-day positions to support the operations of a large utility company. Cost-saving measures are implemented in this area with some minor adjustments to positions and re-structuring.

Cost of Goods Sold:

Electric	\$72.77 million
Water	\$10.57 million
Sewer	\$13.33 million

The Cost of Goods Sold in Electrical, Water, and Sewer are by far the largest expense for the utility. Purchased power costs accounts for 44.2% and purchased water and sewer services are 14.5% of the Board of Lights and Water budget. Electricity for resale is budgeted at \$72.77 million. Meanwhile, water and sewer services for resale are budgeted at \$23.9 million.

The FY2025 capital budget of \$13.12 million includes routine capital projects, such as sewer rehabilitation, water main replacements, underground cable replacements,

substation maintenance, system protection and improvements, and electrical service to new customers, which remain the backbone of the capital budget. These projects are necessary for the BLW to remain a leader in the utility business.

TRUST FUNDS

The Pension Fund budget provides for retirement benefits to a pool of retirees and is budgeted at \$29.2 million. In conclusion, the budget for FY2025 is continually monitored for possible cost cutting measures and reviewed against best benchmarking investment practices to enhance stability for current and future retirees.

FUND BALANCE SUMMARY

A fund is an independent fiscal and accounting entity with a self-balancing set of accounts. Funds are separated based on activity or attaining certain objectives. The Fund Balance in each fund is the difference between assets and liabilities. Fund Balance is increased when revenues exceed expenses in a fiscal year; conversely fund balance is decreased when expenses exceed revenue in a fiscal year. We also refer to Fund Balance as the dollar amount of resources remaining from prior years which are available to be budgeted for expenditure.

Projected Change in Fund Balance

Use of Reserve Funds:

- ♦ General Fund: Reserves in the amount of \$1,940,180 are appropriated for a one-time revenue offset for ongoing renegotiations of service delivery strategies, which are reviewed every ten years.
- ♦ Capital Projects Fund: \$8.2 million appropriated from Special Purpose Local Option Sales Tax (SPLOST) is budgeted for council-approved projects in FY25. \$7.9 million is appropriated in the 2022 SPLOST for road, traffic, and capital projects. \$950 thousand allocated to the Redevelopment Bond for the sale and purchase of city property.
- ♦ Debt Service Fund: Addition of \$1,975,238 to fund balance from increased tax revenue.
- ♦ Lease Income Fund: Principal bond payment of \$2,595,000 due July 1st requires \$515,074 of reserves to off-set costs.
- ♦ Tree Planting Preservation Fund: \$26,500 will be utilized for land enhancements in accordance with the Tree Planting Program.
- ♦ Brumby Hall & Gardens Fund: \$5,934 of reserves utilized to supplement revenue loss from facility closures due to renovations.
- ♦ Marietta History Center Fund: Improvement projects funded through \$39,983 in reserve funds.
- ♦ Self Insurance Fund: \$1 million use of reserves to offset employee healthcare contributions due to rising insurance costs.

AGGREGATE DEBT SERVICE

The City of Marietta currently has bonds outstanding, including general obligation bonds and revenue bonds. Below is a description of the bonds that are included in the table on the following pages. This is an all-inclusive list. The city's utility enterprise fund, Board of Lights and Water (BLW), has no debt.

DEBT SERVICE FUND:

City Parks General Obligation Bond:

This \$25 million bond was approved by the voters in 2009 for the acquisition of land, construction of new parks and facilities, and for the renovation of existing parks & facilities. This bond was partially refunded in 2015.

Redevelopment General Obligation Bond:

This \$68 million bond was approved by the voters in 2013 for the acquisition and demolition of properties approved for redevelopment, right-of-way acquisitions and road infrastructure modifications to improve connectivity within the Franklin-Gateway redevelopment area. Streetscape improvements and construction in the Whitlock Avenue corridor are also included. Additionally in 2020, the taxable portion of the 2013 bond issue was refunded to lower interest rates.

SPECIAL REVENUE FUNDS:

Citywide Projects Revenue Bond:

The Citywide Projects Fund was established in 2009 when the City issued revenue bonds to support the construction of major projects or the purchase of major equipment or vehicles. This bond was partially refunded in 2016. The debt service for the revenue bonds is paid through the Lease Income Fund.

CITY GENERAL ADMINISTRATION

The Mayor is the chief executive officer of the City and has general supervision over all its affairs. Elected at-large for a four-year term that runs concurrently with the terms of Council members, the Mayor presides over City Council meetings and only votes to break ties.

The City Council is comprised of seven members who are elected from each of the seven districts in the City and serve for a four-year term, which run concurrently. The City Council enacts ordinances and resolutions, adopts an annual budget, establishes the tax levy, and otherwise takes such actions as are "necessary for the security, welfare, convenience and interest of the City."

The position of City Manager is appointed by the City Council. The City Manager regularly meets with the City Council to inform, recommend, and receive direction on affairs of the City. The office of City Manager is responsible for ensuring that operations for the City and its Board of Lights and Water are conducted in an efficient and effective manner and for ensuring continual improvement and responsiveness of the City government. The City Manager also oversees the Economic Development Division, whose goal is to foster economic growth and encourage redevelopment, by assisting businesses and facilitating connections with state, local, and workforce agencies committed to business retention and recruiting. Economic Development also considers housing and mixed-use development to promote the City as a premier location for business and residential living.

The City Clerk is the historian for the City and the keeper of City records. The City Clerk is held responsible for the proper recording and filing of all ordinances, resolutions, petitions, deeds, contracts, agreements, and other legal documents. As Clerk of the Council, Board of Lights and Water and the Civil Service Board, the Clerk is responsible for recording the proceedings of regular, special and committee meetings; attesting to all documents executed by the Mayor and City Manager; and certifying official records. In addition, the City Clerk serves as the Election Superintendent for the City and registers citizens to vote.

The City Council relies on other boards and commissions to review various requests and make recommendations to them for formal action. The Construction Board of Adjustments & Appeals consists of seven members who meet on call to consider requests for variances. The Planning Commission is a seven-person body that meets monthly to consider various planning and zoning matters. The Board of Zoning Appeals is a seven-member body that hears appeal requests from the City for zoning ordinances. The Civil Service Board consists of a five-member board that meets on call to address matters relating to the Civil Service System including Fire and Police matters. The Marietta Historic Preservation Commission works to protect and enhance the historical and aesthetic attraction of Marietta.

CITY GENERAL ADMINISTRATION

MISSION STATEMENT

To manage the City in accordance with state law, local ordinance, and policies adopted by the City Council. To champion a citizen-oriented open government, while delivering professional counsel and support to policy makers and those who provide and receive services. To accurately record, maintain, and retrieve all legislative records. This includes minutes of all official acts, ordinances, resolutions, and proceedings of the City.

GOALS AND ACTIONS

I. Encourage a diverse and vibrant local economy

- ♦ Promote a more effective historic preservation ordinance.
- ♦ Encourage quality architecture and construction in development and redevelopment projects.
- ♦ Educate residents on mixed-use and higher density housing.
- ♦ Support mixed-use redevelopment while strengthening viable neighborhoods and commercial areas.
- ♦ Coordinate efforts with property owners and developers to ensure new development that is harmonious in appearance with existing structures and landscapes.

II. Foster mixed-use concept and diverse urban design to be known as “the Marietta Look”

- ♦ Establish collaborative relationships with local centers of higher learning.
- ♦ Promote centers that support retail, office space, residences, and environmentally friendly industry.
- ♦ Enforce code compliance relating to the appearance of the City including that which pertains to landscaped boulevards and gateways, aesthetically appealing roads and passageways, greenspace requirements and disposal of inappropriate signage.

III. Increase owner occupancy

- ♦ Build affordable first-time homebuyer units.
- ♦ Allocate a portion of newly built or renovated housing units for low to moderate income families.
- ♦ Rehabilitate or replace 10% of existing rental housing.
- ♦ Encourage diverse housing in the downtown area and single-family detached housing throughout the City.

IV. Continue to meet the demands of growth, provide a safe community for residents, and enhance the quality of life that attracts businesses and residents to the City

- ♦ Seek and encourage public and private support for local cultural and arts organizations.
- ♦ Promote the downtown area as a dining and entertainment destination.
- ♦ Increase downtown parking and integrate design with commercial development.
- ♦ Address traffic issues from west Marietta to central Marietta.
- ♦ Encourage revitalization of current parks through implementation of parks improvement projects.
- ♦ Implement goals outlined in long-range planning studies, while also working to revise the City’s Comprehensive Plan.

MUNICIPAL COURT

The City of Marietta Municipal Court is one of more than 400 municipal courts in the Georgia court system. Jurisdiction is limited to misdemeanor traffic offenses, theft by shoplifting, and possession of one ounce or less of marijuana occurring within city limits. This court also handles violation of local ordinances including zoning code enforcement and parking, as well as photo-enforced red-light and school bus passing violations. This court has the right and power to conduct non-jury trials, receive guilty pleas, and impose sentencing in the manner required by law. The Municipal Court system is comprised of three sections:

The Clerk of Court Office is the official repository and custodian of court records. This office maintains all original citations of defendants and acts as a case manager by scheduling court appearances, preparing case files, obtaining reports and test results, preparing production orders to be signed by the Judge, and assessing fines for each offense filed in this court. In accordance with state open records statutes, requests for copies of records are processed in this office. The Clerk of Court Office accounts for funds received from fines and other charges which are then transferred to the City's account. The disposition of all offenses is electronically reported to the state for inclusion in the offender's driver and/or criminal history file. The Clerk of Court Office coordinates the scheduling of court appointed attorneys and interpreters for court sessions. Requests for a court appointed attorney require submittal of an application and a determination of indigency must be performed by the Clerk of Court Office prior to a defendant receiving representation by an appointed attorney.

The Prosecuting Attorney's Office prosecutes cases that are filed in Municipal Court on behalf of the city and state. This office investigates charges, conducts background reviews of the accused, preforms research on test results, interviews witnesses, and recommends sentencing and fine amounts for consideration by the judge. Defendants who request a non-jury trial are issued a court date where their case will be heard before a judge. Should the defendant request a trial by jury, the case is bound over to the State Court of Cobb County for prosecution and disposition. The Prosecuting Attorney's Office also oversees the Pretrial Diversion Program, which is designed as an alternative to the traditional processing of offenders within the criminal justice system. Participants accepted into the Pretrial Diversion Program are first time offenders charged with crimes of a non-violent or non-aggressive nature who are supervised by the court's Probation Office in lieu of traditional court processing. Each offender is provided with an individualized controlled supervision program.

The Probation Office supervises defendants who are sentenced to a term of probation by Marietta Municipal Court. Probation officers monitor the completion of the terms and conditions of the court order. Defendants placed on probation may be required to complete alcohol or drug evaluations and treatment, risk reduction programs, theft and shoplifting offender programs, community service work, participate in victim impact panels; and pay fines, statutory surcharges, and probation supervision fees. Defendants may also be required to submit to random screening for alcohol or drugs at their own expense. Probation officers are responsible for acting should a defendant demonstrate non-compliance with probationary terms. The Probation Office also supervises defendants in the Pretrial Diversion Program, placement in this program is requested through the Prosecuting Attorney's Office.

MUNICIPAL COURT

MISSION STATEMENT

To create and maintain quality services that promote public confidence, accessibility, and generates support from individuals and organizations both inside and outside the judiciary. To provide a neutral courteous forum, due process, fair treatment, individual justice, and to provide timely resolution of matters brought before the court.

GOALS AND ACTIONS

I. Continue providing opportunities for citizens to become informed of Court operations and conduct transactions electronically

- ♦ Offer online portal for citizens to conduct public records searches, print public documents, and make payments online.
- ♦ Develop print materials that explain procedures and what to expect when attending court, making this information available on the Municipal Court web page.

II. Migrate towards semi-paperless operations and upgrade Court software

- ♦ Work with IT and SAGES to create a web page where attorneys can upload documents to file with the Court.
- ♦ Provide attorneys with electronic filing capabilities for court pleadings.
- ♦ Develop policies and procedures to facilitate bond company email notifications for upcoming hearings.
- ♦ Consolidate documents into the case management system and implement Clerk policies to guide the process.

III. Provide additional resources to defendants and improve court functions

- ♦ Design and implement online resolution software to allow defendants to communicate with the court.
- ♦ Develop and execute online case resolution software that will allow defendants to communicate with the Prosecutor without the need for an in-person appearance.
- ♦ Develop and implement a community court initiative which will refer defendants to local agencies that can assist with employment, education, job readiness, and medical/behavioral services.
- ♦ Locate partner agencies to provide social services to individuals based on a needs assessment tool.

FINANCE

The Finance Department is responsible for providing long-term financial health and fiscal leadership to the City and Board of Lights and Water.

The centralized financial accounting center of the City lies with the Accounting/Payroll Division. Its functions include maintaining fund accounting systems according to generally accepted accounting principles (GAAP); administering cash management/investment programs; reviewing, evaluating and prescribing internal controls for safeguarding City assets; and administering financial accounting of grants and contracts and assuring financial compliance. Payroll ensures timely and accurate payroll and pension check processing and reporting; enters all payroll deduction information; manages direct deposit; and administers payroll-related documents.

The Budget division formulates, forecasts, monitors, and analyzes the City's operating budgets across all funds. This includes analyzing budget requests; balancing projected revenues with proposed expenditures; producing the annual formal budget document; and managing revenues and expenditures throughout the year. The Budget Division has been expanded to include Utility Analysis. The primary responsibility of Utility Analysis is to provide quality information and recommendations to assist the Board of Lights and Water (BLW) in their policy-making process. The recommendations are a result of analytical methodologies designed to assist in areas such as rate setting, financial analysis, forecasting, supply planning, load research, budgeting and cost evaluation for the utility.

The Tax Division ensures effective management of all taxes levied by the City, which include real estate, personal property, Downtown Marietta Development Authority (DMDA), and public utilities. Assessed values are established by the Cobb County Tax Assessor's Office and are currently calculated at 40 percent of the fair market value. The public utility assessments are supplied to the County by the State Revenue Department. Taxes on these categories are levied in the fall of each year based on the assessed valuation of property of the preceding January 1st and are due sixty days from the date of billing. Ad Valorem taxes on motor vehicles and mobile homes are collected by the Cobb County Tax Commissioner and remitted to the City.

The Business License Division is responsible for issuing annual business licenses for all classes of business allowed under the City Code. In addition to the enforcement of business license regulations, other areas of revenue include the collection and administration of franchise fees for natural gas, telephone service, electric power, cable television, and the receipt and processing of all hotel/motel tax revenue and various excise taxes.

The Purchasing Division is responsible for service and labor contracts, awarding purchase orders, and issuing and evaluating requests for bid proposals for all City requirements. Additional Purchasing functions include evaluation of vendor performance, quality assurance, price/cost analysis, value analysis, reorder point analysis, and performing ongoing contract administration. Purchasing is also responsible for the disposal of scrap and surplus materials.

FINANCE

MISSION STATEMENT

To provide the services necessary to conduct the City's fiscal affairs effectively and efficiently. To provide direction, coordination, and implementation of major financial and administrative policy decisions in accordance with applicable state law and local code. To collect, project, acquire, and control the City's financial resources in a way that promotes financial stability and integrity.

GOALS AND ACTIONS

I. Connect departmental goals with the City's Mission and Statement Goals

- ♦ Keep current with the Mission & Statement of Goals as it expands or as goals are achieved.
- ♦ Continue dissemination of City and departmental funding information through the annual Budget Book.
- ♦ Provide ongoing support to City departments to ensure fulfillment of goals set forth in the City Council Mission & Statement of Goals.

II. Continue to exhibit a tireless commitment to ethical and sound financial reporting

- ♦ Perform comparative analyses of operating programs for previous fiscal years and proposed projects; analyzing costs in relation to services performed.
- ♦ Assist departments in developing cost efficient programs and asset evaluation procedures.
- ♦ Enhance and work to update asset management reporting.
- ♦ Use key performance indicators (KPI) to track liquidity, cash flow, and address operational risks.

III. Work to streamline departmental procedures to optimize use of time, resources, and efforts

- ♦ Encourage professional training and maintenance of certification standards through continuing education seminars.
- ♦ Expand knowledge of application interfaces to improve current procedures and practices.
- ♦ Review and implement procedural manuals for all divisions to ensure they are current and transferrable.
- ♦ Implement travel and training online filing system.
- ♦ Restructure the credit card utilization process.

IV. Identify opportunities to improve the customer service experience for City patrons

- ♦ Coordinate efforts with the Web Services Manager to provide on-line business license tax forms.
- ♦ Work with the IT Department and outside vendors to streamline procedures for billing and receiving.
- ♦ Allow partial property tax payments to reduce the overall financial impact of the customer.
- ♦ Implement credit card processing for Business License Division.

HUMAN RESOURCES AND RISK MANAGEMENT

The Human Resources Department strives to provide innovative, effective services for the City's employees and the public. Divisions within this department include Administration, Employment Services, Benefits Management, and Risk Management. Programs and policies are developed in an ethical and cost-effective manner with the goal of excellence in public service.

The Administration Division performs the following functions while maintaining compliance with federal, state and local regulations: policy development, implementation and interpretation, employee grievance and appeals resolution, employee relations, organizational/human resources development, Title VI coordination, department website maintenance, and Pension Board recordkeeping.

The Employment Services Division develops employment and retention policies, manages recruitment (tracking, advertisement, assessment, and selection), conducts employee orientation, manages employee service recognition, conducts post-employment surveys, provides EEO reporting, and manages employment authorization and FLSA compliance.

The Benefits Management Division administers the following: Employee/retiree health, dental and vision insurance, traditional life, AD&D, accident and disability insurance plans, employee pension plans, deferred compensation plans, employee assistance and wellness programs, HIPAA, FMLA and USERRA compliance, and employee orientation and post-employment benefits counseling programs.

The Risk Management Division manages a proactive workers' compensation and loss control program; administers self-funded and insured claims administration, administers property and casualty insurance programs, establishes insurance requirements and criteria transferring risk of loss, implements and monitors the drug-free workplace program, provides safety training, and serves as the ADA coordinator.

HUMAN RESOURCES AND RISK MANAGEMENT

MISSION STATEMENT

Actively strive to provide outstanding Human Resource services to our employees and retirees, while taking an active role in contributing to their overall wellness. Consistently administer employment services, benefits, and risk management functions with equity, integrity, and excellence.

GOALS AND ACTIONS

I. Conduct department activities with utmost adherence to professional and ethical standards

- ♦ Analyze department activities according to legality, morality, ethics, and potential impact on the City of Marietta.
- ♦ Obtain legal guidance on any issues that may present an appearance of ethical ambiguity.
- ♦ Advise the City Manager of any issues that require intervention to avoid crossing any ethical lines.

II. Attract and retain qualified and trained staff to provide superior service to citizens and customers of the City

- ♦ Continue to design and implement creative employment strategies and methods for presenting career opportunities to the public via the City website, internet services, social media, career fairs, print media, and other viable resources.
- ♦ Develop and implement follow-up methodologies to keep viable applicants engaged in the employment process and to better provide services to hiring managers and job applicants.
- ♦ Conduct market analysis and surveys to determine if the City is compensating its employees comparable with the current market, trends, and practices.
- ♦ Implement a new applicant tracking and onboarding system that is web-based to improve the efficiency of the recruitment and onboarding process.

III. Provide competitive benefits programs, competent benefits administration, and improved recordkeeping, while maintaining fiscal responsibility and solvency

- ♦ Provide updated benefits information for employees and retirees via the City's public and internal websites.
- ♦ Utilize an external platform for recordkeeping and reporting, train departments on its usage and capabilities, while maintaining internal systems.
- ♦ Work collectively with the Pension Board to improve pension plans in a fiscally responsible manner.
- ♦ Encourage continuing education for Pension Board members.
- ♦ Continue to monitor health insurance costs and review plan designs annually to ensure that the City can maintain coverage, while determining if changes need to be made for fiscal or legal reasons.

IV. Provide proactive risk management services to City employees

- ♦ Provide proactive employee safety programs with the goal of reducing workers' compensation claims and improving productivity.
- ♦ Monitor the property/casualty insurance plan and annually reassess limits of coverage to ensure adequacy.
- ♦ Instill a renewed focus on driver training to reduce preventable accidents and develop a safety conscious workforce to reduce on-the-job accidents and injuries.
- ♦ Provide department heads with quarterly statistical reports on employee injuries and cost of on-the-job injuries.
- ♦ Utilize and moderate the city-wide Accident Review Committee to review accidents, determine the ability to prevent, recommend remedial action, and minimize future accidents and injuries.

DEVELOPMENT SERVICES

The Planning and Zoning Division is responsible for the improvement of the physical condition and economic value of property in Marietta and the enhancement of the environment through redevelopment and maintenance of residential and commercial properties. This division administers the Comprehensive Development Code through the processing and review of all rezoning applications, variance applications, site plans and subdivision plats. It responds to all zoning related questions and answers code violation complaints from the public. Additional activities include maintenance of the City's Comprehensive Plan, long range planning studies, corridor development studies, analysis of all zoning changes with recommendations for the Planning Commission, review of the Marietta Historic Preservation Commission activities, and certification of zoning on specific properties.

The Community Development Division is comprised of the CDBG program which is detailed in the Special Revenue section.

DEVELOPMENT SERVICES

MISSION STATEMENT

To promote future growth, vitality, and quality of life in the City of Marietta by providing professional expertise in the areas of planning, zoning, land use, economic development, and strategic planning by utilizing information analysis, experience, regulation compliance, and active citizen and stakeholder involvement in decision making and policy development.

GOALS AND ACTIONS

I. Encourage a harmonious mix of land uses that preserve Marietta's character as a City of vibrant residential neighborhoods and a historic commercial downtown area

- ♦ Preserve and enhance residential neighborhoods by discouraging inappropriate rezoning requests and enforcing current regulations.
- ♦ Encourage the redevelopment of primary commercial corridors.
- ♦ Preserve and enhance the historic Marietta Square by encouraging new compatible uses and enforcing current regulations.

II. Implement projects identified in long range planning studies, such as the Comprehensive Plan, MU2 LCI Study, and Envision Marietta LCI Study-Major Update 2019

- ♦ Complete the Roswell Streetscape Project and Franklin Gateway streetscape improvements.
- ♦ Implement goals outlined in the revised Envision Marietta LCI Study-Major Update 2019.

III. Adopt and revise ordinances to reflect increased environmental, aesthetic, and neighborhood viability concerns

- ♦ Review and amend the commercial corridor design overlay district to enhance existing regulations, protect neighboring residential areas, and reduce development pressures on historic districts.
- ♦ Review and amend regulations to eliminate nuisances and enhance the quality of housing.
- ♦ Analyze and amend residential infill development regulations to encourage development of affordable housing.

PUBLIC WORKS

The Public Works Department is comprised of seven (7) main divisions: Administration, Engineering & Inspections, Sanitation, Streets, Traffic, Transportation, and Fleet which is an internal service fund discussed in the proprietary section of the budget book.

The Administration Division provides administrative support to the other divisions. It is responsible for the department budget, personnel actions, and overall oversight of the department.

The Engineering & Inspections Division provides engineering and inspection support to the other divisions. It is responsible for reviewing and approving site development plans, conducting site inspections, enforcement of the City construction codes, or laws related to construction in the City, reviewing construction plans and issuing permits, performing field inspections for all building, electrical, grading, plumbing, mechanical work performed in the City, and issues certificates of occupancy for all approved and completed projects.

The Sanitation Division is responsible for providing solid waste collection services to approximately 13,000 households within the City. Services provided include twice-weekly garbage collection and curbside yard waste collection once per week. The City contracts with an outside vendor to collect solid waste in the Central Business District six days a week.

The Streets Division is responsible for the maintenance of streets, sidewalks, curbs and gutters, rights-of-way, and storm water collection systems throughout the City. This includes the street sweeping operation in which streets are swept every 6 to 8 weeks, pavement patching, replacement of sidewalks and driveways, and transportation improvement projects.

The Traffic Division is responsible for the installation and maintenance of traffic control signs, pavement markings, traffic signals, and school flashing zones located within the City. It manages a Traffic Control Center (TCC) where traffic signal operations can be monitored and modified remotely. In addition, this division installs and monitors traffic cameras throughout the City to monitor traffic and modify signal operations when necessary.

The Transportation Department is responsible for roadway construction projects within the City of Marietta Right of Way. Projects managed include intersection improvements, streetscapes, sidewalks and trails, new traffic signals, bridges and culverts, resurfacing, and other transportation improvements. Projects are funded through the Cobb County SPLOST, State and Federal aid, and through the City of Marietta General Fund.

PUBLIC WORKS

MISSION STATEMENT

To efficiently and effectively provide public service, high quality infrastructure, and courteous customer service; while improving the quality of life for City residents, patrons, and customers.

GOALS AND ACTIONS

I. Provide safe, efficient, and attractive streets and sidewalks with a strong focus on pedestrian mobility

- ♦ Complete streetscape improvement projects for Powder Springs Road and Fairground Street; to include a landscaped median, 6-to-8-foot sidewalks, streetlights, street trees, and other streetscape elements

II. Utilize technology to increase solid waste and recycling collection efficiency to meet current and future demands

- ♦ Complete the transition to once weekly solid waste collection using roll carts.
- ♦ Begin recycling collection efficiency by converting to roll carts and using automated vehicles.

III. Develop a business environment to attract and cultivate a highly skilled workforce

- ♦ Develop a succession plan and acquire more training and certifications for Building Inspections and Engineering staff.
- ♦ Maintain the ASE Blue Seal Certification to show our user departments Fleet's commitment to excellence.

IV. Provide education and outreach to City personnel, contractors, developers, and business owners

- ♦ Conduct public information forums on illicit discharge with business owners.
- ♦ Provide code training workshops with contractors and developers.

PARKS, RECREATION AND FACILITIES

The Parks, Recreation and Facilities Department administers recreation services and provides for the operation and maintenance of City parks, recreation centers, buildings and grounds, and Keep Marietta Beautiful services.

The Special Events Division is responsible for scheduling, planning, organizing, and staffing special events and a variety of other programs such as concerts on Marietta Square, the Fourth of July parade and festivities, arts and crafts festivals and holiday-oriented activities.

The Custer Park, Lawrence Street Recreation Center, Elizabeth Porter Park, and Franklin Gateway Soccer facilities provide daily recreational activities. Seasonal special events, tournaments, league play and instruction, and soccer ground rentals are also offered. Summer Programs provide a diverse selection of activities during the summer months geared toward school age children. These activities include playground programs, day camps, safety education and swimming. The Athletics Division provides organized and supervised athletic programs for youths and adults. Youth athletics provide instruction and varying levels of competition. Adult athletics promote group involvement and allow teams to compete on local, district, and state levels.

The Buildings Maintenance Division handles responsibilities that include general maintenance of all City buildings and facilities. It is also responsible for contractual maintenance services such as janitorial services, elevator repair and inspections, and other services necessary to keep City buildings clean and in safe working order.

The Parks & Grounds Maintenance Division is responsible for the City-wide Landscaping Program which includes Glover Park, and City owned parks and lots. This division maintains the grounds surrounding City buildings and the City cemetery, and it also supervises the community service program.

The Keep Marietta Beautiful Division focuses on business and multi-family housing recycling. It also promotes its in-school efforts through speeches and education on the three curbside programs and beautification efforts within the City.

PARKS, RECREATION AND FACILITIES

MISSION STATEMENT

To provide diverse recreation and leisure experiences that are enjoyable, builds the community, generates tourism, and promotes safety and environmental awareness through the operation, beautification, and maintenance of City parks and facilities.

GOALS AND ACTIONS

I. Expand user base at Custer Park Sports & Fitness Center and maximize field usage at Franklin Gateway

- ♦ Continue to offer diverse options for fitness and wellness classes at Custer Park Sports and Fitness Center.
- ♦ Maintain collaboration with the Cobb Sports Alliance to augment existing user base to bring high quality tournaments and events to Franklin Gateway Sports Complex.

II. Generate environmental pride within the City and enhance existing beautification efforts

- ♦ Maintain existing parks and public right of ways, and further implement City gateway improvement projects.
- ♦ Assist Marietta Treekeepers to maintain an abundant tree canopy in the City limits by planting and educational programs.
- ♦ Increase impact of Keep Marietta Beautiful through volunteer recruitment, environmental projects, and enhanced administrative policies and procedures.

III. Support increased tourism through partnerships with local organizations and athletic groups

- ♦ Continue to foster relationships with local organizations such as the Marietta Visitors Bureau, Downtown Marietta Development Authority, Branding Project, and Marietta Arts Council.
- ♦ Improve marketing association with lessees of City facilities to provide great visitor experiences for tournament attendees.
- ♦ Take proactive measures to protect assets through capital planning and preventative maintenance schedules.
- ♦ Utilize the maintenance management system to improve inventory management of parks, grounds and buildings supplies, equipment, and other infrastructure.

IV. Enhance and expand electronic media communications

- ♦ Maintain website promotion to customers as a primary means of communication, information, and program registrations; while utilizing the marketing features of Facebook, Instagram, YouTube, and other social media sites.
- ♦ Work with other departments like IT to ensure that security and web-based mechanical systems are updated.
- ♦ Continue creating program and event web links and keep REC1 software updated to make online registration and navigation seamless.

POLICE

The Support Services Division of the Police Department includes the Chief of Police, Deputy Chiefs, Evidence and Property Unit, Records, Crime Analysis Unit, Internal Investigations, Accreditation, and the Training and Police Academy. Expenses related to the custody of prisoners are also part of this division.

The Uniform Patrol Services Division is charged with the responsibility of taking appropriate action to protect life and property; preserve the peace, prevent crime, enforce driving under the influence protocol and traffic laws, identify and arrest violators of the law, and enforce all federal, state, and local laws and ordinances falling within the Department's jurisdiction. Included in the Uniform Patrol Services Division are a Selective Traffic Enforcement Program (STEP) Unit, a Community Response Unit, and a Parking Officer.

The Investigative Services Division is comprised of the Detective Unit, Marietta-Cobb-Smyrna (MCS) Narcotics Task Force, Forensic Services Unit, and Drug Enforcement Administration (DEA) Task Force. These units are responsible for investigating criminal cases from either a proactive or reactive standpoint, conducting building searches, drug searches, and tracking.

POLICE

MISSION STATEMENT

To ensure the highest level of crime control and overall public safety through modern policing, community problem-solving, actively partnering with public sector agencies, extensive teamwork with the community, and sharing information with the public.

GOALS AND ACTIONS

I. Increase opportunities for citizen involvement

- ♦ Identify locations within each of the four police zones to host town halls and two educational meetings.
- ♦ Advertise information for scheduled meetings via social media and the City website.

II. Provide public safety services by preventing and reducing crime

- ♦ Develop recommendations for crime reduction in multi-occupancy structures.
- ♦ Adopt crime prevention measures for City parks and trails.
- ♦ Enhance crime prevention within large family entertainment venues.
- ♦ Perform monthly review of statistics and accountability program (MSTAR) by zone majors and specialized units for their area of primary focus.
- ♦ Continue to evaluate the Personal Patrol Vehicle Program (PPVP) based on the ongoing needs of the department and the ability to provide public safety.

III. Utilize improved technology to increase efficiency, effectiveness, and officer safety

- ♦ Research the feasibility of enhancing security services technology and current software programs.
- ♦ Maintain review of current technology to foster operational readiness.
- ♦ Enhance criminal investigation and intelligence functions, aiming to identify crime trends and stay abreast with investigative and intelligence techniques.

FIRE

The Fire Department serves to effectively prepare, provide, and promote services that minimize the loss of life and property resulting from fires, medical emergencies, and other disasters.

The Administration Division is charged with the management of all Fire resources to assist with performance of the departmental mission. Policies and procedures are developed to provide guidelines for departmental operations.

The Suppression Division provides resources necessary to provide a timely response to requests for emergency services. The priority for fulfilling these requests is initially for events threatening life and health; secondly, for events responsible for unacceptable levels of property damage; and thirdly, for events pertaining to unacceptable levels of environmental abuse.

Some of the operations that Suppression mitigates are fires (commercial, residential, and transportation); medical (basic life safety and advanced life safety); hazardous materials (spills and leaks); and search and rescue (forcible entry, vertical rescue, confined space, and water rescue).

Fire Prevention focuses on citizen safety by providing public education, inspections, code enforcement, and investigations. This division also oversees the records and database to ensure that the department meets all of its documentation responsibilities.

The Training Division ensures that personnel meet all departmental, state, and federal training goals and objectives, and purchases and oversees all personal protective equipment.

FIRE

MISSION STATEMENT

To effectively prepare, provide, and promote services that minimize the loss of life and property resulting from fires, medical emergencies, and other disasters.

GOALS AND ACTIONS

I. Maintain and improve the infrastructure of existing Fire Stations for longevity and response capabilities

- ♦ Initiate discussions about the useful life of current fire stations, potential replacements, and SPLOST support.
- ♦ Identify fire station remodeling needs to improve fire personnel performance, recovery, and protection of the community.
- ♦ Continue scheduled replacement of fire apparatus, ensuring availability of dependable emergency equipment.

II. Continuity and improvement of exceptional service to the community

- ♦ Increase the amount of trained and certified Firefighter Paramedics, to improve medical emergency response.
- ♦ Utilize newly completed five story training tower, and continue to encourage hands-on training and simulations.
- ♦ Maintain community engagement and collaboration with organizations to promote fire education and safety.

III. Encourage and expand efforts to promote firefighter health and wellness

- ♦ Research ways to improve mental health support for all fire personnel, and work to decrease exposure to cancer risks.
- ♦ Promote fitness, nutrition, and health awareness for all members of the fire and emergency services.
- ♦ Finalize installation of Ward No Smoke system on all fire apparatus.
- ♦ Outfit all firefighters with two sets of bunker gear, allowing for decontamination of all gear after use in every fire.

NON-DEPARTMENTAL

City Non-Departmental includes funds for expenditures that benefit more than one department. The budget for the items listed herein is not readily allocated to the recipient department. Actual expenditures, along with the budgeted amount at year-end, are reclassified for preparation of the year-end financial statements.

Each year there is a lump sum budget for personal services which will be allocated out to the departments during the course of the fiscal year. These items include funding for the sick leave sell back program and a salary savings amount that will be realized throughout the year based on vacant positions and hiring delays.

The City limits and collects a hotel/motel excise tax from business establishments on a monthly basis. The revenue from this tax is used for the promotion of tourism and is authorized to be distributed to, but not limited to, an exhibit hall, a conference center and a performing arts center. This promotes and supports tourism by providing a forum for conventions and trade shows as well as athletic, musical, theatrical, cultural, civic and performing arts events. The City distributes 62.5% of hotel/motel tax revenue that it receives as follows: Marietta Welcome Center receives 12.5%, the Hilton Atlanta/Marietta Hotel and Conference Center receives 30.25%, and the Cobb Convention Center receives 19.75%.

The City also collects an auto rental excise tax in the amount of 3% on all rental cars within the city limits. The City distributes these collections via the Welcome Center to local museums, theaters, and other non-profit organizations for the promotion of tourism in the downtown area. Tourism grants for FY2025 include the following: \$68,000 for Brumby Hall & Gardens/GWTW; \$75,000 for the Marietta-Cobb Museum of Art; \$160,000 for the Marietta History Center; \$75,000 for the Earl Smith Strand Theatre; \$21,000 for the Georgia Symphony Orchestra; \$6,000 for the Marietta Square Branding Project; \$19,000 for Georgia Metropolitan Dance Theatre; \$213,725 for City Services; \$14,000 for the Georgia Ballet; \$445,260 for the Marietta Welcome Center & Visitors Bureau; \$30,000 for Cobb Landmarks; \$12,000 for the Marietta Arts Council; \$21,000 for Old Zion Heritage Museum; \$19,000 for the Marietta Fire Museum; \$7,000 for Marietta Educational Garden; \$21,000 Marietta Theatre Company; \$29,000 for Lemon Street Classic, Inc. \$22,000 for TheatreSquare Art Alliance, \$19,500 for Cobb NAACP Juneteenth Event, \$15,000 Alley Stage Foundation, Inc and \$50,000 for Cobb Veterans Memorial Foundation Inc.

In addition to the appropriation of current year tourism revenue, the commitment of prior year proceeds from Hotel/Motel Tax and 3% Auto Rental Excise Tax is also included.

Other general expenditures found in this departmental accounting entity include transfers to other funds of the City such as the BLW, Pension, and Self-Insurance Funds.

Due to hiring delays, the Personal Services budget has been decreased in a lump sum to account for the savings that will be generated by not filling General Fund positions. At year end, this budget amount will be allocated to the departments that had vacancies.

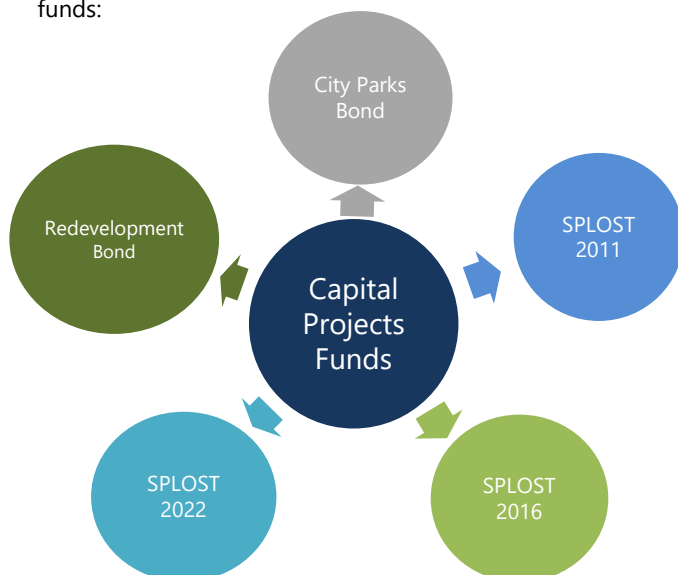

SPECIAL REVENUE FUNDS

Special Revenue Funds are used to account for the proceeds of specific revenue sources that are legally restricted to expenditures for specified purposes. This section details the following funds:

CAPITAL PROJECTS FUNDS

Capital Projects Funds are used to account for the financial resources used for the acquisition and construction of major capital items and facilities. This section details the following funds:

DEBT SERVICE FUND

The Debt Service Fund is used to account for the accumulation of resources and the payment of general long-term debt principal and interest. This section details the following funds:

LEASE INCOME FUND

The Lease Income Fund was created in FY2010 to account for the rental income received by the Hilton Atlanta/Marietta Hotel and Conference Center. Because the City/BLW paid off the former Conference Center bonds, which were previously funded with this rental income, the City now uses these funds to pay the debt service on the Citywide Projects revenue bonds.

TAX ALLOCATION DISTRICT (TAD) FUND

A Tax Allocation District (TAD), is a tool used to pay for infrastructure and other improvements in underdeveloped or blighted areas so that the property becomes productive and enhances the surrounding neighborhoods. As property within the TAD is redeveloped and improved, the City receives new property tax revenues as a result of the increased property values. This new revenue was used to make improvements in the TAD without raising taxes or utilizing the City's current tax revenues. The City's investment in the TAD was repaid through improved properties that become permanent sources of increased property tax revenues.

CEMETERY FUND

The Cemetery Fund was set up in FY1989 as a result of HB 1658, Act 949. The Act amended a previous act reincorporating the City of Marietta, passed March 23, 1977 (Ga. Law 1977, p. 3541). Act 949 provides the City with the power to levy and collect an additional tax of not more than one mill to repair and maintain City owned cemeteries, and includes procedures for the condemnation of property so that the City can do work on headstones as well as all the rest of the grounds. The current millage rate to support the maintenance and operations of the cemetery is .079 mills. The Parks, Recreation and Facilities Department assigns two employees to maintain the grounds of the City's cemetery.

AMERICAN RESCUE PLAN FUND

The American Rescue Fund was established in FY2022, as a result of \$11.1 million dollar funding received through the American Rescue Plan Act (ARPA). ARPA guidelines require that funds be utilized in an equitable way to bring relief to entities impacted by COVID-19. The City of Marietta under the direction of the City Council, devised a Comprehensive Plan to appropriate funds. Outlined below are expenditures associated with the City's use of ARPA funds for services, equipment, and projects that support the citizens of Marietta.

CDBG FUND

The Community Development Block Grant (CDBG) Program is a federally-funded program designed to assist the City of Marietta in addressing the needs of its low-income residents. CDBG funds must be spent for this sole purpose. The City has committed CDBG funds to an ambitious Neighborhood Revitalization Program, aimed at a comprehensive response to the deterioration of low and moderate-income neighborhoods. The City is promoting home ownership for first-time buyers, housing rehabilitation, and various services to stem the decline.

ASSET FORFEITURE FUND

The Police Asset Forfeiture Fund accounts for the expenditures of special public safety projects and purchases. These funds are obtained through local and federal seizures and confiscations, and cannot be used to supplant funding normally appropriated during the budget process. Each year a contingency budget is established in an operating account for this fund. In order for authorized purchases to be made throughout the year, a budget transfer is transacted to move the budget to the correct operating or capital expenditure account.

MARIETTA HISTORY CENTER

The Museum of History was added to the City of Marietta in January of 2018. Originally known as the Kennesaw House, the museum building was built in 1845 as a cotton warehouse and is one of Marietta's oldest standing buildings. In FY2022, the museum was renamed the Marietta History Center (MHC). The MHC features a number of galleries, exhibits, and virtual events highlighting the history of Marietta, local Native American culture, influential local businesses, and the gold mining industry of Georgia.

BLW GENERAL ADMINISTRATION

The BLW Board is the policy-making body for the Board of Lights and Water utilities. The chairperson of this Board is the Mayor of the City of Marietta. In addition to the Mayor, one member of City Council sits on the Board. The other five members are appointed by the City Council for various terms.

The General Manager's Office is responsible for the efficient and effective administration of all departments and divisions of the Marietta Board of Lights and Water. This includes the Electrical Department, Water and Sewer Department, Customer Care Department, and Information Technology Department. The General Manager's Office also interfaces with outside organizations such as the Cobb County-Marietta Water Authority, Cobb County Water System, Georgia Public Web, and the Municipal Electric Authority of Georgia.

The BLW has an annual budget of \$164 million and currently employs approximately 198 people. It is the largest municipal utility in the State, serving 47,557 customers in electrical, 18,173 in sewer, and 19,420 in water.

GENERAL ADMINISTRATION

MISSION STATEMENT

To provide high quality, reliable and competitive utility services to our customers, and a fair return to the citizens of Marietta.

GOALS AND ACTIONS

I. Improve financial performance of the Board of Lights & Water (BLW) by increasing revenues and managing costs

- ♦ Increase revenues and sales margins through new marketing programs, economic development initiatives, new customers, and redevelopment.
- ♦ Have financial performance reported to the Board monthly to show ongoing financial health of the BLW, and benchmark rates against state and local utilities.
- ♦ Maintain 10-Year Capital Improvement Plan (CIP) for investing in the utility infrastructure to maximize performance while recognizing capital constraints.

II. Enhance operations of the BLW through process improvement, benchmarking, and best practices

- ♦ Review existing business practices to identify options for maximizing efficiency, productivity, and revenue.
- ♦ Utilize new technology to enhance planning, service delivery, operations, and customer service.
- ♦ Implement BLW strategy and goals for Fault Detection Isolation and Restoration (FDIR) and metering.

III. Develop a human resource plan to meet future business needs

- ♦ Identify key management positions, required skill sets, and necessary experience in those positions.
- ♦ Implement career development programs for all management and supervisory personnel.
- ♦ Provide training and educational opportunities through on-the-job training and work-study programs for all employees.

IV. Improve customer service and satisfaction

- ♦ Identify and implement technology improvements to aid customers in their BLW business transactions.
- ♦ Assess satisfaction across all customer classes, identifying issues and measuring results with customer satisfaction surveys.
- ♦ Evaluate social media as a method to communicate with customers.

GOALS ACCOMPLISHED

- ♦ Successfully completed \$14.1 million in capital projects for electric, water, and sewer infrastructure.
- ♦ Information Technology implemented SCADA improvements, significantly increased network and internet speed, improved security, enhanced operations for walk-in customers, upgraded servers to Windows 2016, updated Trimble, replaced analog cameras with IP and expanded network for additional cameras, and installed new VPN as secure network for Tantalus.
- ♦ Customer Care maintained consistent collection practices to ensure continued reduction of bad debt ratio, and reduced manual meter readings through the installation of four meter-reading collection devices. Improvements were also made to the administration building, this included landscaping and aesthetics, and providing upgraded security for customers and staff.
- ♦ Marketing had one Customer Choice win, completed 2,098 residential customer online energy audits, provided \$4,685 in energy efficiency rebates, performed billing reviews for all key account customers, maintained consistent community involvement with various schools, clubs, and organizations to strengthen and expand business relationships.
- ♦ Marietta Power recertified as a Reliable Public Power Provider (RP3) for another consecutive year; maintained Diamond level, the highest degree of safe and reliable service; and the Jeff Cook Award was also received for safety excellence from the Electric Cities of Georgia. Power also observed the Georgia lineman and national lineman appreciation days, Marietta safe digging month, and Public Power week. Mutual aid and storm restoration was provided to three Georgia cities and one Kentucky city during the months of January, March, August, and September.
- ♦ Water & Sewer consecutively received the Distribution System of Excellence Award at the Gold/Platinum level from the Georgia Association of Water Professionals (GAWP), the Platinum status was awarded for more than five years in a row. Water and Sewer maintained compliance with State and Federal regulations to ensure safe drinking water, improve system reliability, and stream water quality; and also observed Clean Water week.
- ♦ Focused on work force development by attaining annual professional, technical, and safety standards certifications according to Federal and State requirements, which ensures quality and exceptional customer service.

ELECTRICAL

The function of the Administration Division is to oversee the operations of all Electrical Department programs and processes. Included in this division are Safety & Training and Administrative Support and Coordination.

The Engineering Division is responsible for the engineering and design of changes to the distribution system and the planning and design of other facilities such as substations to ensure adequate capacity for future growth. It maintains records for various programs, reliability indices, permit records, easements, customer load records, and coordinates all repair, maintenance, emergency, or trouble calls. Engineering is also responsible for the daily operation of the SCADA Control Center and improvements to the SCADA system.

The responsibility of the Marketing Division is to increase profitable electrical sales to new and existing customers and to locate new enterprises in the service area while ensuring a high level of customer satisfaction, value, and loyalty. It is responsible for the promotion of energy efficiency, water conservation, and education in all market segments. Based on market research, the division develops new programs, services, and advertising to capture competitive loads, increase revenues and customer satisfaction, and promotes energy efficiency and water conservation efforts. The Marketing Division coordinates efforts with the Economic Development Division to ensure that all programs and services are focused on the specific needs of the customer.

The Warehouse is responsible for ordering, unloading, receiving, issuing material, and maintaining inventory controls that are required to keep electrical and water operations functioning. It manages the status of items being returned to the Warehouse and determines if they are to be discarded or reused. This division receives all package deliveries and is responsible for initiating notification of deliveries to each respective department.

The Distribution Division installs, constructs, and maintains the overhead and underground electrical distribution system. This includes primary conductors, secondary conductors, transformers, switches, reclosers, capacitors, and other devices necessary to provide electrical service to BLW customers. Distribution is responsible for all emergency repairs resulting from power outages.

The Operations and Maintenance Division (O&M) maintains, repairs, tests, installs, and calibrates all electrical watt-hour meters and metering transformers. It is responsible for installing, removing, and maintaining substation equipment and facilities. This division maintains a periodic meter change-out schedule to ensure accurate billing and tests, repairs, and installs all load management equipment. O&M is responsible for general services, maintenance of street and area lighting, and maintains an evening crew to provide additional services such as disconnects and re-connects. In addition, O&M assists in major outages and other emergency situations.

ELECTRICAL

MISSION STATEMENT

Deliver reliable and cost competitive electric energy to our customers through continued implementation of best practices of design, construction, and operation and maintenance of the electrical distribution system. To increase profitable sales to new, existing, and Customer Choice customers; while ensuring a high level of customer satisfaction, value, and loyalty.

GOALS AND ACTIONS

I. Continue to improve reliability of electric service to all customers

- ♦ Install devices, communications, and software to further implement an FDIR (Fault Detection, Isolation, and Restoration) system to reduce outage severities.
- ♦ Perform preventative analysis and maintenance of the system infrastructure through the implementation of overhead infrared scanning, tree trimming, and pole inspections.
- ♦ Perform system studies to ensure optimal system balancing and contingencies, along with researching new locations for protection devices and evaluating all existing equipment.

II. Provide training and emergency preparedness to ensure a safe environment for employees and customers

- ♦ Train personnel in best practice work safety standards, while responding to and reporting all incidents.
- ♦ Investigate incidents and implement standards designed to minimize personal injury and property damage.
- ♦ Ensure emergency plans and mutual aid agreements are updated.
- ♦ Communicate outage, safety, and other emergency information to the public through the BLW website.

III. Achieve a high standard of customer satisfaction and quality of service to the public

- ♦ Replace street and security lights with LEDs.
- ♦ Provide cost effective and reliable designs for customer choice and corridor opportunities.
- ♦ Collaborate with City departments, government agencies, and customers on beautification projects and plan reviews.

IV. Proactively seek to minimize cost by maximizing responsiveness and efficiency

- ♦ Respond to maintenance concerns identified during overhead system inspections.
- ♦ Replace and install automated line devices for the electrical distribution system and aged underground primary cables.
- ♦ Investigate and implement new emerging technologies to provide reliable energies for customers.

V. Increase customer satisfaction through outreach and community engagement initiatives

- ♦ Evaluate and implement methods to contact customers during emergencies.
- ♦ Continue outreach efforts to large commercial customers.
- ♦ Deliver monthly digital newsletters to residential, commercial, and industrial customers.
- ♦ Provide excellent customer service to Key Accounts by providing around the clock access to Key Account Managers.
- ♦ Continue to expand the Partners in Education program and provide support to other educational institutes.
- ♦ Expand involvement with the Cobb County Chamber of Commerce and other local civic organizations.

WATER AND SEWER

The function of the Administration Division is to oversee the operations of the Water and Sewer Department.

The Engineering Division is responsible for the planning and construction of all capital improvements to the distribution and collection systems. Responsibilities include short-term and long-term planning, maintaining compliance with all Federal and State drinking and clean water regulations, and maintaining the Geographic Information System.

The Pump Station Maintenance Division operates and maintains one sewage pump station, three water pump stations, and two elevated water storage tanks.

The Meter Maintenance Division is responsible for the large meter testing program, water meter replacement program, water meter repairs, water main flushing program, and water valve exercise and maintenance program.

The Water Distribution Division is responsible for the operation and maintenance of the BLW's water distribution system. This includes the maintenance of fire hydrants, variable sized water mains, control valves, and water connections.

The Waste Water Collection Division is responsible for the operation and maintenance of the waste water collection system. This division maintains sanitary sewer mains, manholes, and service lines.

WATER AND SEWER

MISSION STATEMENT

To provide our customers with high quality water distribution, wastewater collection and water resource management services, while maintaining fiscal responsibility.

GOALS AND ACTIONS

I. Minimize sanitary sewer overflows

- ♦ Clean 35% of the collection system each year, which includes priority cleaning of 550,000 feet.
- ♦ Apply chemical treatment for root control to 4% of the collection system, approximately 60,000 feet per year.
- ♦ Inspect all businesses and complete reporting to ensure program compliance with grease control device requirements.
- ♦ Replace priority sewer lines as recommended by condition assessment, a replacement rate of 16,000 feet per year.

II. Maintain drinking water quality standards as they relate to water distribution systems

- ♦ Administer water sampling standards as required by the Environmental Protection Division (EPD).
- ♦ Prepare and distribute the annual Water Quality Report.
- ♦ Perform unidirectional flushing of 5% of the distribution system for five routes.
- ♦ Replace priority water lines as recommended by condition assessments, a replacement rate of 18,300 feet per year.
- ♦ Complete upgrades and rehabilitation to water pump stations on rotational basis or as needed each year.

III. Maximize water revenue by reducing real and apparent water loss

- ♦ Test and calibrate 196 large meters annually.
- ♦ Replace 20% or 188 chambers in medium sized meters each year.
- ♦ Replace 7.5% of small meters, which amounts to 1,240 meters per year.

IV. Uphold Federal and State regulations by providing training for all employees

- ♦ Complete 400 hours of employee training for system operators each year.
- ♦ Provide 300 hours of safety training each year.
- ♦ Provide 100 hours of professional development training each year.

CUSTOMER CARE

Customer Care Administration oversees and directs the operations of Customer Service, Meters and Services, and the Mail and Copy Center.

The Customer Service division is responsible for establishing new accounts, billing all accounts, processing payments, collecting for non-payment, terminating accounts, and assisting customers with inquiries concerning meter reading and billing questions. This division assists both residential and commercial customers in energy management and water consumption monitoring. It also bills the sanitation charges for customers that live inside the city limits.

The Meters and Services division is responsible for reading electric and water meters, performing service orders for connection and disconnection per customer request. When collecting meter data, this division investigates meter tampering, power diversion, damaged and inoperative electric and water meters, and monitors demand meter fluctuations. In addition, it completes meter re-read requests and assists the Mail and Copy Center in preparing utility billing for mailing.

The Mail and Copy Center coordinates the City's mail by picking up and delivering mail to the U.S. Postal Service and by distributing mail throughout all City/BLW buildings. Other responsibilities include the preparation of utility bills, tax bills, and other correspondence for mailing. Additionally, this division duplicates, binds, and distributes documents for all departments as needed, and is also responsible for all copier leases throughout City facilities.

CUSTOMER CARE

MISSION STATEMENT

To improve customer satisfaction by delivering the highest level of customer service, while anticipating customer needs.

GOALS AND ACTIONS

I. Expand and streamline opportunities for customers to conduct business with the BLW via the internet and new technologies

- ♦ Continue to increase strength of communications for Tantalus Meter Reading system.
- ♦ Implement hourly online utility usage information for customers.
- ♦ Implement online chat features for customer service.

II. Provide timely and meaningful communications to our customers

- ♦ Develop and implement data for Alexa Skills to provide customers with utility information.
- ♦ Utilize the Connected Newsletter to keep customers abreast regarding pertinent BLW events and information.
- ♦ Maintain Frequently Asked Questions (FAQs) and encourage customers to utilize available online resources.

III. Maximize efficiency of operations to reduce overall operating costs

- ♦ Maintain a bad debt of .50% of revenues.
- ♦ Maintain an average customer service wait time of 4.3 minutes or less.
- ♦ Review Meter Data Management solutions.

IV. Maintain rate administration procedures to help ensure accuracy of utility bills

- ♦ Conduct semi-annual rate calculations to verify billing accuracy.
- ♦ Conduct rate calculations when there is a rate change and/or a Purchase Price Allocation (PPA) adjustment.
- ♦ Review all demand meter changes to ensure multiplier is correct.

INFORMATION TECHNOLOGY

The Information Technology (IT) Department is a support function that supplies all City departments with computer-related service and information. All departments and divisions in the City depend on the IT function for information storage, manipulation, processing, and analysis. The objectives of the department are to provide fast, efficient methods of electronic data processing, training, suggest solutions, and provide new programs and technology for information analysis.

The Systems Division has two primary goals, to combine independent but interrelated division processes into a unifying whole and to minimize organizational costs through efficient automation. This division's responsibilities include supporting and implementing all business applications, delivering Mapping (GIS) services, and providing all web development for City/BLW employees and the citizens of Marietta.

The Network Services Division is responsible for the technical support function of IT. This division is responsible for enterprise server support, voice and data networking, and supervision of the City's computing infrastructure. It also manages emergency and non-emergency communication devices and oversees the Crisis Management Center.

The Service Desk Division is a broad-based and user-centered division which provides a single point of contact for all IT requirements. This division monitors and owns all incidents and manages user questions and provides the communications channel between IT and the enterprise organization. Some of the services provided include, but are not limited to, incident management, problem management, configuration management, equipment management, release management, and audio-visual and mobility needs.

INFORMATION TECHNOLOGY

MISSION STATEMENT

To provide the technology solutions, technical support, and customer service required to facilitate the success of City/BLW citizens, customers, and personnel.

GOALS AND ACTIONS

I. Provide citizens and customers with data access and practical tools through the City/BLW web presence

- ♦ Improve customer experience through Artificial Intelligence (AI).
- ♦ Use new technology to increase response speed and address issues from city residents.

II. Advance cybersecurity for the City/BLW

- ♦ Replace existing analog security cameras for City/BLW and maintain all security on one platform.
- ♦ Address Operational Technology (OT) security through collaborative projects with Georgia Tech Research Institute (GTRI) and the Department of Education (DOE).
- ♦ Implement an Enterprise Identity and Access Management Solution to secure user identities, assets, data, and processes.
- ♦ Secure controls for internal and external identities with cloud modern standard-based web applications.

III. Improve and maintain the overall IT infrastructure

- ♦ Replace outdated mobile computing devices with updated versions.
- ♦ Increase user productivity by using application software in daily business functions.
- ♦ Upgrade hardware and software applications.
- ♦ Improve the virtual architecture for computation and storage.

ENTERPRISE FUNDS

Enterprise Funds are used to account for operations that are financed and operated in a manner similar to private business where the intent of the governing body is that the cost (expenses, including depreciation) of providing goods or services to the public on a continuing basis are financed or recovered primarily through user charges. The Board of Lights and Water (BLW) Enterprise Fund operations are detailed separately in the previous section. This section details the following funds:

INTERNAL SERVICE FUNDS

Internal Service Funds are used to account for the financing of goods or services provided by one department to other departments of a government on a cost-reimbursement basis. This section details the following funds:

GOLF COURSE FUND

The 125 acre City Club Golf Course accommodates approximately 49,590 annual rounds of golf. All greens, tees, and bunkers follow USGA standards. Classic Golf Management, Inc. manages the golf course, its facilities, and employs all personnel who work at the property. City of Marietta Finance personnel are responsible for purchasing and payment of invoices for Golf operations. The Parks & Recreation Director plays an integral part in the operations of the enterprise fund, and is the liaison between the management company and City officials.

SELF-INSURANCE FUND

The Self-Insurance Fund accounts for the activity relating to health insurance, workers' compensation, and property and casualty claims. This fund receives contributions from the City as well as from the employees for fringe benefits. A third party insurance company administers the health benefit plan. The proposed rates of contribution to this fund over the years have allowed it to maintain a self-insured status for benefit payments with a cash reserve over projected expenditures. Although the City is self-insured for workers' compensation claims, a third-party administrator also manages the plan. In addition, the City purchases supplemental insurance to cover claims in excess of \$300,000. The City is self-insured for some types of property and casualty claims, and purchases supplemental coverage for others.

FLEET MAINTENANCE FUND

Fleet Maintenance maintains over 742 units of fleet equipment and provides the City/BLW with an economical, safe, and reliable fleet so that departments can provide services to the citizens and customers of the City/BLW. The Fleet Maintenance Division operates a centralized fuel facility that complies with federal underground fuel storage tank requirements. The division has a contract with NAPA to provide an on-site parts supply warehouse.

FIDUCIARY FUNDS

TRUST FUNDS

Trust Funds are used to account for assets held in trust by the government for the benefit of individuals or other entities. This section details the following funds:

GENERAL PENSION TRUST FUND

This fund represents annual payments to City employees who have retired from City service. It accounts for City and employee contributions to the defined pension plan and benefit payments to eligible participants. The City contributes 14.5% of employee gross salaries and the employees contribute 4% of their gross salaries into the fund. The normal retirement benefit is 2.1% of final average earnings times years of service to a maximum of 35 years. It should be noted that this is not all of the plan's provisions. The FY2025 budget includes unrealized profits from investments.

TRUST EXTENSION FUND

The Trust Extension Fund was established in 2011 by the Board of Lights and Water (BLW) to set aside funds to use when needed to offset a planned decrease in revenue from another source. In 2022, the fund was depleted.

VOGTLE GENERATION TRUST FUND

The Vogtle Generation Trust Fund was established by the Board of Lights and Water (BLW) to accumulate funds to help offset the anticipated increase in electric cost when the City starts receiving the added electric generation from the new units 3 and 4. The City will start receiving the added electric generation from Vogtle 3 in 2043 and from Vogtle 4 in 2044.

SCHOOL SYSTEM FUND

The School System Fund accounts for activity related to the collection and distribution of tax revenue to the Marietta City School System. Property taxes are billed according to assessments established by the Cobb County Tax Assessors Office, and the calculated millage rate set by the School Board. The City of Marietta collects and later disburses funds on behalf of the Marietta School System.

CAPITAL IMPROVEMENTS

CAPITAL SUMMARY

The City of Marietta develops a Five-Year Capital Improvement Program (CIP) as part of the budget process. Items or projects that fall under this section are those that cost \$1,000 or more. The Five-Year Capital Program identifies project costs and the timing of necessary financing arrangements over a five-year planning period.

The purpose of the capital program is to establish direction over multiple fiscal years and to allow for the planned replacement of items. Planned replacement of capital items extends their usefulness, helps to control downtime of worn resources, and minimizes repair costs. Capital replacement planning provides a framework for scheduling improvements based on the availability of funding, the priority between projects, and the current condition of assets.

The Capital Improvement Program includes new and continuing projects from prior years that have been updated to reflect changing priorities and conditions. The Mayor and City Council adopted FY2025 of the Five-Year Capital Improvement Program (CIP) depicted below in two different summaries.

Capital projects are broken down into the following categories: Computer and Technology, Facility Improvements, Miscellaneous Projects, Vehicles and Powered Equipment, Utility Projects, and Transportation Projects.

Computer and Technology relates to those items such as desktop PCs, network servers, system software, and copiers. Facility Improvements are those improvements made to existing structures and park grounds, as well as the construction of new buildings. Miscellaneous Projects are those projects that do not fit into one of the categories above. Vehicles, heavy equipment, and machinery fall under the category of Vehicles and Powered Equipment. The Utility Projects category contains BLW funded projects relating to the maintenance and installation of electrical, water, and sewer utilities. Transportation Projects include general streets, bridge, and sidewalk construction.

CAPITAL SUMMARY

GENERAL FUND

Capital expenditures for the General Fund will be addressed in the same manner as in the last several fiscal years. Marietta continues to utilize a contingency fund in place of a true capital budget for new items and the routine replacement of vehicles and equipment. Marietta has set aside \$1,500,000 in a contingency fund for the replacement of capital items that break during the year or for emergency purchases. At year end, if all or some of the contingency fund remains unspent, we will purchase high priority items. Marietta has received grant funds in recent years for public safety equipment and vehicles. We have also used savings from the operating budget at year-end to purchase other essential capital equipment.

BOARD OF LIGHTS AND WATER (BLW)

The BLW's capital budget for FY2025 is approximately \$13.1 million. Utility projects make up about 79.6% of the BLW capital budget. Of these, Electrical projects total about \$4.8 million, Water and Sewer projects equal about \$5.5 million, and Customer Care projects total \$100,000. In the Electrical Department, these projects include providing service to new customers, underground cable replacement, security lighting construction, and general maintenance and upgrades of the current electrical system. Adding new customers will expand the BLW's customer base with the goal of maintaining low rates due to increased volume sales. Utility capital expenses for Water and Sewer include new and replacement water meters, water valve replacement, water transmission and distribution line replacements, sewer rehabilitation, and various other system upgrades. Attention to maintenance and the replacement of the infrastructure ensures soundness and reliability within the system. Customer Care continues to capture real-time information through their remote wireless meter project, and replacement meters will help to maintain the program.

Computer and Technology projects throughout the utility organization total \$437,674 and make up 3.3% of the BLW's capital expenditures. Facility Improvements for the BLW total \$11,780 and this consists of warehouse foundation repairs.

The Vehicles and Powered Equipment category, totaling \$2,131,082 makes up 16.2% of the total BLW capital budget. The FY2025 budget includes replacement funding for one Ford F150 truck in Customer Care. Three Altec Bucket trucks, six Ford pick-up trucks, and pole setting attachments are included for Electrical. Water and Sewer will purchase a Kenworth dump truck, one Ford F150, an extend-a-jet machine, a submersible pump, a trash pump, pneumatic boring tools, sewing cleaning nozzles, and various small tools and powered equipment.

OTHER FUNDS

This section is comprised of the funding allocation for Golf, Fleet, SPLOST, Community Development, and Redevelopment capital projects.

A large portion of Other Fund capital projects include the 2022 SPLOST Fund in which \$7,818,216 million is budgeted, respectively, for transportation projects. Collected funds from the 1% SPLOST will be used to add or improve roadways, intersections, streetscapes, storm drains, and traffic management systems. Approximately \$1.5 million will be used for facility improvements, powered equipment, and miscellaneous projects for Golf, Fleet, Community Development, and Redevelopment.

Details regarding Marietta's five-year capital improvement plan can be found on the next several pages followed by a FY2025 summary listing all capital projects.

Computer & Technology

Item

Computer Hardware and Software

Description

In FY2025, funds are budgeted within the IT department to purchase meter exchange software for water, wireless controllers and access points, and firewalls. Also, attention will be given to fiber emergency repair and redundancy.

Impact on FY2025 Operating Budget

The City replaces computers on a three to five-year rotational basis. Any purchases made come with a one-year service contract and will not impact the operating budget. Licensing renewal fees for new software purchases impact the operating budget annually.

Building and Outdoor Improvements

Description

The FY2025 budget provides funding to the Fleet Fund for new shop heaters. The City Club Golf course will make sinkhole repairs for the fourteenth hole, replace flooring in the grill, clubhouse, and conference room. Funding is also included for foundation repairs at the BLW Warehouse, and housing and redevelopment projects.

Impact on FY2025 Operating Budget

There is no foreseeable impact on the operating budget for the current year.

Item

Additional and Replacement Vehicles

Description

The FY2025 budget includes replacement vehicle funding for one Ford F150 truck for Customer Care, three Altec bucket trucks, two Ford F350, and four Ford F150 trucks for Electrical. Water and Sewer will purchase a Kenworth dump truck and one Ford F150. The 2022 SPLOST Fund includes funding for replacement vehicles.

Impact on FY2025 Operating Budget

Adherence to a rotation schedule for replacement of vehicles helps to stabilize repair and maintenance costs. Because the General Fund will not fund the normal replacement of vehicles in FY2025, the repair and maintenance costs budgeted are higher than in previous years. Repair and maintenance costs for all city and utility vehicles are budgeted at \$495,000 for commercial and purchased repairs, and \$1,119,900 for internal repairs, parts, and tires.

Item

Powered Equipment

Description

Powered equipment purchases for the Electrical Department include a pole setting attachment. Water and Sewer has approval to purchase two STIHL rescue saws, two Pneumatic boring tools, a Extend-a-Jet machine, submersible pumps, trash pumps, sewer cleaning nozzles, chainsaws, trimmers, blowers, mowers, edgers, and a brush cutter.

Impact on FY2025 Operating Budget

Adherence to a rotation schedule for replacement of powered equipment helps to stabilize repair and maintenance costs. New equipment generally does not require repair. Approximately \$124,150 is budgeted in FY2025 for repair and maintenance costs for equipment purchased in prior years.

Service to New Customers

Description

This project includes expansion of the utility networks to new areas and provides material to install primary and secondary service drops to new metering points. The project objective in the BLW is to construct underground distribution facilities for service to new customers.

Impact on FY2025 Operating Budget

When new customers are added to the network, the BLW has an associated purchased power cost each year thereafter.

Water Transmission/Distribution Line Replacements

Description

This project provides for the replacement of older or inadequately sized water lines that are causing water supply problems such as low pressure, low flow, poor water quality and frequent breaks due to deteriorating pipe conditions. In addition, fire protection is improved by providing additional flow and hydrant placement in areas that presently do not have adequate protection.

Collection System Rehabilitation

Description

This project provides for the replacement and/or upgrade of deteriorated or overloaded sections of sewer lines as well as point repairs of specific pipe defects and manholes. Inflow and infiltration problems throughout the system result in surcharges and possible overflows during wet weather. Several sections of pipe collapse each year due to their poor condition. Application of root treatment to 4% of the collection system each year is an essential part of the maintenance operation as it reduces sanitary sewer overflows due to blockages. This project includes inflow/infiltration source detection and collection system model and flow metering.

Redevelopment Projects

Description

The Redevelopment Bond Fund was established in FY2014 after the approval of a \$68 million bond referendum. Its purpose is to finance urban redevelopment projects including streetscape improvements in the Whitlock Avenue corridor. It will also provide funding for the acquisition and demolition of properties approved for redevelopment, right-of-way acquisitions, and road infrastructure modifications to improve connectivity within the Franklin-Gateway redevelopment area.

Impact on FY2025 Operating Budget

All costs associated with redevelopment projects are paid out of the Redevelopment Bond Fund. The projects are managed by Economic Development staff and no additional costs are anticipated for the General Fund. There is no foreseeable impact on the operating budget for the current year; however, in future years, landscape maintenance for medians, right-of-way and gateways as a part of ongoing infrastructure maintenance.

APPENDIX

AN ORDINANCE

ADOPTING An Annual Budget for the fiscal year beginning July 1, 2024, and ending June 30, 2025, for the various City of Marietta funds and enacting the tentative Ad Valorem tax levies for said fiscal year for support of the City of Marietta governmental operations and other public purposes, and debt service obligations.

Whereas, pursuant to Division 1, Section 7.3 of the Marietta City Charter and Section 3-4-050 of the Marietta Code of Ordinances, the City Manager has submitted a proposed budget for Fiscal Year 2025 to the Mayor and Council for adoption; and,

Whereas, pursuant to Division 1, Section 7.8 of the Marietta City Charter the Council is authorized to adopt ad valorem tax levies for various purposes; and,

Whereas, pursuant to Act 949 was enacted by the General Assembly of Georgia authorizing the City of Marietta to levy taxes

NOW, THEREFORE, BE IT HEREBY ORDAINED BY THE MAYOR AND COUNCIL OF THE CITY OF MARIETTA, GEORGIA, THAT:

Section 1: There is hereby levied on all real and personal property within the corporate limits of the City of Marietta, Georgia, taxable according to law, for the purpose of raising revenue for said City for the Fiscal Year 2025 for operating and providing governmental and other public purposes, paying debt on general bonds, maintaining, and repairing City owned cemeteries, the following millage rates:
