

HOME FIRE ESCAPE PLAN

Fire Department Phone Number 911

A Home Fire Escape Plan Should Include:

1. An overview of the home to show each of the rooms.
2. Two ways out of each room. A Green Arrow pointing to the door and a Red Arrow pointing to the window.
3. Location of the smoke alarms (red circle with SA inside).
4. The phone number to the Fire Department.
5. The family meeting place which should be:
 - a. out front of the home.
 - b. a safe distance from the home.
 - c. something that never moves.

(examples would be a large tree, light pole, or a mailbox.)

Be sure to practice fire drills with your family. Sound the smoke alarm, practice rolling out of the bed, crawl on your hands and knees along the wall, get outside and go to your family meeting place.
