2015

Calendar of Events

OUR GOAL

The goal of the Marietta Parks, Recreation & Facilities Department is to provide safe, enjoyable recreation and leisure opportunities for our diverse population, to preserve and beautify our parks and green areas and promote environmental awareness. Recreation plays an important part in keeping our minds and bodies fit and active. We hope that you will visit one of our parks and participate in a special event, recycling, environmental or recreation program soon!

Vital Community

When is a community vital? When it is more than a collection of people and buildings? A community is vital when it possesses that life sustaining, ongoing beat with people out in parks being active, individuals growing through leisure experiences, and people engaging with others. The healthy heart beat of people being physically active and citizens being involved and engaged with one another equals a vital community.
