

Marietta Power 3-Day Release

MBLW Dispatch #: 770-794-5160

3-Day Release Checklist

All boxes must be checked to qualify for 3-Day release to be given

- Work was required due to unplanned event (tree tearing down service, burnt lugs, etc.)
NO SCHEDULED OUTAGES
- Only outside work was required
- They have gotten a permit number (does not have to be inspected, just applied for)
- Either after hours or with word from inspections that they will not get to the location that day
- Our crew has inspected the work that was done
- House is occupied or is commercial
- If off more than 48 hours, inspection time needs to have at least been scheduled (Ex. Damage occurred Tuesday morning, they don't have an electrician fix anything until Thursday afternoon, then they need to say when the inspector is planning on coming by)
