

**Phase 1**

**Estimated duration:** 2 weeks

**Description of work:** Construct new water main on Waverly Way West of railroad tracks and bore steel casing across railroad tracks.

**Impact:** Due to involvement of CSX, construction must take place during the day Monday through Friday. Waverly Way west of railroad tracks will be closed to through traffic. Trucks will not be allowed on Powder Springs Street during this time due to difficulty turning left onto Waverly Way. Wendy's parking lot entrance on Waverly Way will be closed. Private parking lot at 72 Waverly Way will remain accessible. Foot traffic should not be impacted.

**Phase 2**

**Estimated duration:** 2 weeks

**Description of work:** Receive steel casing on Waverly Way East of Powder Springs Street and install water main.

**Impact:** Due to involvement of CSX, construction must take place during the day Monday through Friday. Waverly Way east of Powder Springs Street will be closed to through traffic. Private parking lot at 88, 92, 98, and 223 Waverly Way will remain accessible via Winter Street. Foot traffic will not be impacted.

**Phase 3**

**Estimated duration:** 3 weeks

**Description of work:** Begin construction of water main down Powder Springs Street to Two Birds Taphouse (52 Powder Springs Street).

**Impact:** This phase will begin the work to be completed at night from approximately 10:00PM to 7:00AM Monday through Friday. During this time, Powder Springs Street will be closed to vehicular traffic. At the end of this time period each night, the roads will be made safe utilizing steel plates and reopened for regular traffic. Foot traffic should not be impacted.

**Phase 4**

**Estimated duration:** 15 weeks

**Description of work:** Complete installation of water main down Powder Springs Street from Two Birds Taphouse to Whitlock Avenue.

**Impact:** This phase will also be completed at night from approximately 10:00PM to 7:00AM Monday through Friday. During this time, Powder Springs Street will be closed to vehicular traffic. At the end of this time period each night, the roads will be made safe utilizing steel plates and reopened for regular traffic. Foot traffic should not be impacted.
