Reorder No. 88-0071 CLYDE CASTLEBERRY COMPANY, CONVENTON, GEORGIA 30029

MEMO TO: Honorable Mayor and
Members of City Council

FROM: M. Lyle Lacy, III
City Manager

DATE: August 11, 1986

SUBJECT: PENSION PLAN MODIFICATION FOR SURVIVOR'S BENEFITS

The attached ordinance represents the final component to the pension plan modification for survivor's benefits. As you will recall, the council passed an ordinance at the July 9th meeting which removed pre-retirement and post-retirement survivor's benefits from the City pension plan, and approved an increase in the group life insurance to three-times salary at no cost to the employee. This action effectively reduced the pension expense for the current fiscal year by \$190,800 and provided an alternative pre-retirement survivor's benefit for all employees.

The former life insurance plan provided a maximum amount of \$40,000 which was automatically reduced at retirement by fifty percent to \$20,000 paid for the retiree by the City. The increase in the maximum amount of life insurance from \$40,000 to three-times salary with a maximum of \$180,000 reduced at retirement by fifty percent not to exceed \$25,000.

The attached ordinance will provide an option for employees who elect to take a reduced benefit at retirement and provide a continued monthly benefit to a named beneficiary upon the death of the retiree. This option is based on actuarial replacement tables and does not result in any added cost to the plan.

In addition to the survivor's option, the employee may elect to purchase supplemental universal life coverage up to an additional three-times salary which will be reduced to twenty-five percent of the amount purchased at age seventy. The employee may also elect to cover a spouse at up to two-times salary and dependent children at \$10,000 per child.

The adoption of this ordinance in conjunction with the increased life insurance plan and the supplemental insurance plan will afford City employees an exceptional survivor's protection package.

The pension board met on August 11, 1986, and recommended Council's approval of the referenced tables and attached ordinances. A copy of the minutes of the board's meeting are also enclosed.
