

Starting a Business in the City of Marietta

Thank you for choosing the City of Marietta as the location of your business. The following steps are the process of obtaining required permits and business license.

Numbers in the steps below are linked to more detailed information.

1. **Verify your business address is located within the Marietta city limits.**

2. **Verify the zoning district of your business location is appropriate for the business use.**

3. **Is your business a home based business, are you changing the name of a current business, or is there a change in ownership of a business without interruption of normal business operations at any point?**

If yes, skip step 4 and continue to step 5.

4. **Obtain a Certificate of Occupancy**

5. **Apply for a City of Marietta Business License**

6. **Congratulations in opening your business in the City of Marietta!**

7. **View the business opening flowchart for a comprehensive view of the process.**
