**708.07 RA-8, Single Family Residential - Attached**

A. Purpose and Intent.

The RA-8 district is intended to provide suitable areas for attached single family housing designed in a manner so as to function as a singular and integrated land use. These districts may also serve as transitional zones between light commercial/office uses and districts reserved for lower density single family uses.

B. Permitted Uses.

1. Triplexes and quadplexes.
2. Fee simple townhouses, provided:
  - a) For all developments containing eight (8) units or more, a mandatory homeowners association shall be created that will be responsible for the upkeep and maintenance of all front yards and common areas including all fencing, landscaping, amenities and buffers, and shall include architectural control oversights for the development.
  - b) "Four-sided architecture" is required, such that architectural features and materials shall be used in a consistent manner on all sides of the residential units. Materials to be used on exterior facades of all buildings shall include brick, stone, stucco (not EFS type) or fiber-cement siding, or combinations of those materials. No vinyl, aluminum or metallic siding may be used.
  - c) The townhouses shall be "for sale" only, and no more than five percent (5%) of all the townhouses within the residential development shall be allowed to be renter occupied at any time. A recital of this requirement shall be contained within the covenants to ensure enforcement. In addition, the homeowner's association or other governing body is hereby charged with the responsibility of enforcing this regulation on all homeowners and owners of lots and property in the development. The homeowner's association shall enforce this regulation to ensure compliance with city ordinances with both the initial owner of the property as well as all subsequent owners. Failure of the homeowner's association to require and achieve compliance may result in a civil penalty by the City of Marietta against the homeowner's association in the amount of \$500.00.
  - d) All townhouses shall have two-car garages, and the parking pads/driveways in front of the garage shall be a minimum of 20 feet in length (measured from the back of sidewalk or back of curb when there is no sidewalk) in order to accommodate two additional cars. The garages shall be used for the parking and storage of vehicles and may not be enclosed to provide for additional residential space. A recital of this requirement shall be contained within the covenants to ensure enforcement.
  - e) A guest parking area shall be required at a ratio of 0.2 spaces per dwelling unit.
  - f) The development shall comply with all recommendations from the City of Marietta Public Works Department with respect to hydrology, stormwater management, down stream considerations and any donation and/or conveyance of right-of-way that is deemed necessary.
  - g) A 150 foot acceleration lane and a 150 foot deceleration lane with appropriate tapers shall be constructed if required by the Public Works Department.
  - h) A recreation area shall be provided at a ratio of 1 acre per 50 units (or a proportional percentage thereof) with a minimum of 10,000 square feet provided. Such area shall be developed with at least one passive recreational feature, such as a pavilion, gazebo or picnic area, and at least one active recreational feature, such as a walking trail, swimming pool, playground or tennis courts. Active recreational areas must be outside of any floodplain area and located in such a manner that at least 75% of the townhouses are within 300 feet, as

- measured from the building footprints. Any recreation area, whether passive or active, must be located in an area with a slope of less than 15%, however, all recreation areas must meet ADA requirements for accessibility. Active recreational areas must be improved through the use of terracing or other techniques to provide a usable area, such that at least 25% of the entire recreational area shall have a slope of no greater than 3%.
3. Group homes consisting of 3 or fewer individuals, exclusive of resident staff (see standards set forth in Section 712.02).<sup>1</sup>
  4. Accessory uses and structures incidental to any legal permitted use.

C. Temporary/Conditional Uses Allowed by the Director.

1. Limited Home Occupations (see standards set forth in Section 712.04).
2. Garage Sales, provided:
  - a) Limited to 3 consecutive days and one event every 3 months.
  - b) No consignment goods may be offered for sale.
  - c) Sales are conducted between the hours of 8:00 a.m. and 7:00 p.m.
  - d) One sign per property frontage is allowed, maximum 6 square feet in size.
3. Single family detached residential units in accordance with the bulk and area regulations specified in Section 708.04 (H).
4. Mobile Retail Food Establishment shall be allowed on property zoned RA-8 according to the restrictions listed below:
  - a) Written permission of the property owner is obtained.
  - b) Such use does not last longer than one day and no more than 3 days annually.
  - c) These uses are not located within any public right-of-way or City owned property, unless otherwise authorized by the City.
  - d) Adequate paved parking, ingress and egress are provided on site.
  - e) A temporary use permit is applied for and approved by the Director of the Department of Development Services.
  - f) The Board of Zoning Appeals shall not issue and are not granted the authority to issue variances to any of the regulations relating to Mobile Retail Establishments; all such variance requests must be submitted to City Council. Variances for mobile food establishments shall be considered according to the criteria defined under §712.01 (E).<sup>2</sup>

D. Special Uses Permitted by Board of Zoning Appeals.

Not applicable in this district.

E. Special Uses Permitted by City Council

1. Places of assembly, private parks and playgrounds, and neighborhood recreation centers or swimming pools, provided:
  - a) Lighting shall be established in such a way that no direct light shall cast over any property line nor adversely affect neighboring properties.
  - b) Any building or structure established in connection with such use must be setback no less than 75 feet from any property line.
  - c) All pools must adhere to the standards of the Standard Swimming Pool Code, as amended. (See standards set forth in Section 712.01).
