* **20150684** **Assisted Living Facility at 900 Burnt Hickory Rd**

Motion to approve a request by Aspire Development Partners for minor modifications to the site plan approved with Z2013-09 and specifically:

1. Increase the memory care wing by 5,000 square feet in the southeastern corner.
 - a. The addition would be one-story only and would change the overall square footage of the building from 76,000 s.f. to 81,000 and the floor area ratio from 0.439 to 0.468.
 - b. The addition would still be outside of the standard setbacks for OI and would not reduce or change the approved buffer and fencing against the townhomes to the east.
2. Larger memory impairment courtyard.
3. Loss of visible detention area, indicating a change to underground detention.
4. Minor reconfiguration of tree islands in the parking area, with no change to the overall number of spaces (48 maximum).

The following requirements, as shown on the attached plan QL-1 by Foresite Group and dated 7/29/15, shall also be adopted in order to ensure Marietta Fire Department can access the rear of the building:

1. Three water cannons with individual shut off valves on top of retaining wall placed by AHJ
2. Three additional free standing dry stand pipes placed by AHJ at the rear of the structure
3. A clearly marked adequate hydrant inlet near the front of the structure placed by AHJ to supply remote hydrants and the deluge system
4. The deluge system must be piped in conjunction with remote hydrants
5. The owner/management must be aware of the annual inspection / testing requirements of the life safety systems and maintain those documents for inspection
6. The structure must have a complete 13 sprinkler system
7. Ensure water supply will be adequate to properly supply all systems

All other stipulations and variances associated with Z2013-09 would remain in effect.
